Paul Goble's THE GIRL WHO LOVED WILD HORSES (updated re ...

"The Girl Who Loved Wild Horses" is a straightforward tale of the Plains Indians, retold and illustrated by Paul Goble, unlike those that he has told about the trickster, Iktomi. This myth does not follow any one story exactly but is put together from a great number of stories belonging to the peoples who lived on the Great Plains that Goble had read or listened to over the years.

Goble's Caldecott Medal-winning book tells the story of a young Native American girl who is devoted to the care of her tribe's horses. With simple text and brilliant illustrations, Goble reveals how she eventually becomes one of them to forever run free.
