Google Assistant Smart Displays. The newest kids on the block are the Nest Hub and the Nest Hub Max, part of Google's Smart Display initiative. Initially, Google launched the smaller of these under the name Google Home Hub, but has since unified its home hardware division with Nest, and going forward we expect most, if not all, its speakers to arrive with the Nest branding.

**Google Assistant guide: The missing manual to your Google Home**

I have several 'Missing Manual' Books that I bought back when tech hardware and software came with giant 5 pound printed manuals. Even then, the Missing Manual series books were super helpful. They are even more necessary now that manuals are the size of a credit card. Google is constantly updating and adding new features.
