CMXVGG - KRISTA JOSIAH

As the Sun of Suns Rose: The Darkness of the Creeds Was Dispelled is the first of the eight books of Sehje Rachio Khalsa of Harinder Singh Mehboob, who had written it in a revealed and metaphysical approach after a continuous meditative study for thirty to thirty-five years of world religions, prophets, philosophy, history, psychology, mythology, world folklore, and the different forms of literature as the world epic, divine poetry, fiction, drama, and different types of prose of the elite genius of the world. In this large book, the poet/writer raises so many questions about the decline of world religions with the passage of time, the concept of pure history, the concept of death, the concept of greater holy war, the concept of pure nature, the concept of ecstasy (vismad), the concept of eternal victory, etc. In this book, he describes the answer to the above questions in detail in the most convincing ways. In this worlds history of more than four thousand years, this book can be compared only with very few books that are authorized as distinctive classics as the Bezels of Wisdom by Ibn al-Arabi, The Awakening of Faith by Ashav Ghousha, Kashful Majub by Data Ganj Hujbiri, etc.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

In India, religion continues to be an absolutely vital source for social as well as personal identity. All manner of groups--political, occupational, and social--remain grounded in specific religious communities. This book analyzes the development of the modern Hindu and Sikh communities in North India starting from about the fifteenth century, when the dominant bhakti tradition of Hinduism became divided into two currents: the sagun and the nirgun. The sagun current, led mostly by Brahmins, has remained dominant in most of North India and has served as the ideological base of the development of modern Hindu nationalism. Several chapters explore the rise of this religious and political movement, paying particular attention to the role played by devotion to Ram. Alternative trends do exist in sagun tradition, however, and are represented here by chapters on the low-caste saint Chokhamel and the tantric sect founded by Kina Ram. The nirgun current, led mostly by persons of Ksand artisan castes, formed the base of both the Sikh community, founded by Guru Nanak, and of various non-Brahmin sectarian movements derived from such saints as Kabir, Raidas, Dadu, and Shiv Dayal Singh. Two chapters discuss the formation of a distinctive Sikh theology and a Sikh community identity separate from that of the Hindus. Other chapters discuss the validity of the sagun-nirgun distinction within Hindu tradition and the interplay of social and religious ideas in nirgun hagiographic texts and in sectarian movements such as the Adi Dharma Mission and the Radhasoami Satsang.

What emerges is a majestic and magisterial portrait of a great enlightener who not only founded one of the world's major religions but whose singular message of unity and hope has endured centuries after he first walked the earth. The First Sikh unites rigorous scholarship with a deep love for the subject, offering fascinating insights into Guru Nanak's life and times even as it explores key facets of Sikhism. Moreover, it shows us how Guru Nanak continues to remain relevant in a twenty-first-century reality.

The Sikhs And Their Polity Have Attracted Good Deal Of Attention As A Result Of Recent Developments In Panjab And Some Of The Basic Formulations Are Being Questioned. In A Period Of Turmoil Both The Rulers And The Ruled Seem To Have Forgotten Their Duties. The Author, Who Has Based His Work On Original Sources Such As The Adi Granth, The Dasam Granth, Varan Bhai Gurdas And Other Contemporary Sources, Has Deve--Loped Answers To Some Of The Problems Relating To Sikh Polity By Quoting The Authority Of The Sikh Gurus Themselves.The Major Focus Of The Present Work Is On The Political Philosophy Of The Sikh Gurus As Conceived By Guru Nanak And Developed By The Successive Gurus. The Author Asserts That Guru Nanak Clearly Understood The Political Milieu And Reacted To The Politics Of Oppression Whether It Was From The Ruling Elite Or Vested Priestly Interests. The Guru Had Clearly Laid The Foundation Of A Viable Political Alternative By Giving A Distinct Political Ideology And Creating A Model Society, In Which There Were Neither The Suppressors Nor The Suppressed. In The Present Context It Will Be Relevant To Point Out That While The Sikh Gurus Clearly Condemned Political Oppression They Also Emphasised The Use Of Moral Force As A Major Weapon To Fight Politi--Cal Opponents. Paradoxical As It May Sound, Guru Gobind Singh Suggested A Code Of Ethics Even In The Conduct Of Wars.

Why do people follow Gurus?One explanation can be the search for meaning in life. They offer fulfilment and promise a peaceful and happy life . Herein the emphasis lies on management Gurus. Can we transfer the above to a management context? In management we follow rules, rituals and symbols. Every morning we are called to the holy mass, worshipping the corporate identity manual and confessing our companies inability to keep the promise of short delivery times to our customer . Our consultant will teach us by showing us how we can improve quality, reduce wastage and improve happiness in our jobs. Tom Peters with his work on "excellent companies" lay the foundation of the work presented. Utilizing postmodernist techniques, the author challenges the teachings of the so called management gurus. Decentering, deconstructing and reflecting back on itself the author critically re-evaluates his personal guru. As a result a new perception of the circle commonly known as management gurus materializes and the insights gained are to be used as a tool in modern management. On the 550th Birth Anniversary of SRI GURU NANAK DEV JI Dedicated to the indefatigable spirit of perseverance of Australian Sikh Pioneers who by virtue of their dedication, commitment, honest livelihood, professional skills and services rendered to the people not only won over the hearts of Australian people but were also credited with introducing and establishing the Sikh Religion on the soil of Australia. Description: Over the last thirty-four years or so Len Kenna and Crystal Jordan have travelled across Australia, England and India, researching and collecting information, photographs and material from individuals and private and public collections and have published 15 books on Australian Indian History as well as numerous articles and radio and other interviews. This book examines the Sikh Migrants who migrated to Australia from the 1840's until the start of the Immigration Restriction Act 1901 known as the White Australia Policy. It explains the difficulties that they faced on arriving in Australia, their employment opportunities as well as their religious, social and sporting lives. It also explains how the largest self-funded migration of non-white people to Australia, overcame 19th Century Australian racist attitudes, and became well liked and respected members of the communities in which they lived. Many of these Sikh Migrants returned to India after spending a number of years in Australia, and lived the rest of their lives in financial security, while others lived in Australia until they died, dependent upon the good graces of the many Australian friends they made, to care for them in their old age. Some Sikhs married or lived with white Australian or Aboriginal women who bore them children. As a result of this they developed a family structure and enjoyed the comfort of a stable life.

In the time of Mughal rule, in the land of Bhaaratvarsh (India), an oath is written on a copy of the Qur'an and then broken by the officers of the Emperor Aurangzeb. Guru Gobind Singh, the tenth Sikh Guru, fighting for the right to socio-religious equality, is duped by that very oath leading his family into an ambush, where he suffers the loss of all his sons, his mother and many of his men. Rather than accept defeat, he rises like a phoenix, disregarding his own pain, and writes a scathing condemnation to Aurangzeb, in which he claims a moral victory for the Almighty. This is the story of a mortal man with an indomitable spirit who demonstrates an insatiable trust in God. Written in couplets, the poetic epistle *Zafarnamah* demonstrates the courage and faith of the tenth Guru of Khalas human beings, those who came to be known as the *Khalsaa*.

His translation into English of the *Guru Granth Sahib*, the holy book of Sikhism, is recognised as the most accurate to date.
