#### Gemma & Gus by Olivier Dunrea - Goodreads

Gossie & Friends began in 2001 with sketches of goslings while I was staring out the studio window watching Canada geese fly overhead, honking loudly. A pair of red rubber toy boots sat on my bookshelf for some strange reason. As I sketched goslings I started drawing them wearing red rubber boots.

Gus watches a turtle dig a hole. Gus goes to the hole and realizes there are 3 eggs in the hole. Now Gus feels responsible for keeping them warm. One day the eggs move and the turtles hatch. Gus made some new friends. It's not always fun to be alone. Another adorable addition to the Gossie & Friends series.
