Something ominous is coming upon the world: it is Satan 's final effort in the battle to destroy the image that man was created in, which has been raging since the beginning of time. If Satan can destroy the image, then he can avert his own destruction. The prophecy of Genesis 3:15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah. Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity. In the Book of Daniel we read that "they " will again mingle with the seed of men. How so? Satan will use man 's desire to be his own god to deceive him into believing the ultimate lie - that his fallen messengers are both the creators and saviors of man. He will not do this openly but will deceive mankind through demons which are masquerading as "aliens " who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers. Finally, the seed of the Serpent will come; he will be a man who will be greater than his fellows, who will understand sinister schemes and shall rise up and become the Antichrist. That day of fulfillment is nearly upon us!

The Bible and ancient near eastern texts reveal in stunning detail how under the guise of his ancient aliases, Satan directed angels to descend on Mt Hermon to create a race of hybrids, how he raised up one called "Lord of the earth" who was the first and foremost post-flood hybrid, and how he attempted to open the abyss and release his army to ensure his unending reign upon the earth.

"This is the first translation of the New Testament in English History based upon the newly discovered ROS Aramaic Hebrew texts. These texts date around 70 AD, 130 years earlier than P-45, P-46 and P-72, the next earliest large Greek texts of the New Testament. Bible scholars have long suspected the New Testament original manuscripts were written in Aramaic Hebrew, the language of the Christ and His disciples and then translated into Greek years later. The ROS manuscripts prove this conclusively. Hebrew phrases, original words abound and clarify hundreds of questions about the Messiah's original teachings in this first edition translation. It corrects 95-99% of the Greek manuscripts errors! Over 70 scholars from 12 countries have labored 8 years in its making."

Hitchcock's compendium of Bible names and their definitions demystifies the meanings of every Bible name from A to Z - thus, it is a superb reference manual for spiritual study. A good supplement to Biblical studies, Hitchcock's book lists the meanings behind the various names. This allows readers to discover the etymological origins of the most famous figures in the Bible, place these names in their proper context, and thus perform readings of the holy scripture from a more informed perspective. Many of the names pertain directly to the qualities of their holders. For example the name Behemoth from the Book of Job simply means 'monstrous', while the name 'Iscairiot' (as in Judas Iscairiot) means 'a man of murder; a hireling'. Other names are however more nuanced - the name 'Baal' means 'master, or lord', contrasting the demonic connotations applied by 17th century Gothic fiction.

What does it mean to be Yeshua's Disciple? Over two thousand years ago when Yeshua Messiah (Jesus) sent out twelve disciples to preach the "good news" to the nations, the message they were given was about repentance, belief, and keeping his Father's commandments. So how did the gospel of old become the religions, traditions and lawlessness we see today? How can people follow a Savior who isn't in the Scriptures, yet ignore the One who is? There is much confusion in the world concerning the Bible and what it means to be a disciple of Yeshua. Explore the life of Messiah and his disciples as you learn to navigate Scripture in the way it was meant to be read, taught and lived. Messiah wasn't someone who told people to believe without doing. He was a man of action who demonstrated how we must obey the commandments of the Father, believe in his sacrifice for all sins, and demonstrate to the world, the saving message of repentance. He taught baptism for the remittance of sins and sent the Holy Spirit for today's believers. Learn what baptism really is, what it means to be Yeshua's Disciple, and watch the miracles, signs and wonders manifest by the power of the Holy Spirit just as they did so long ago. Salvation is real. Discipleship is key. Begin your walk with the living Elohim through his Son Yeshua with this insightful new teaching from Marcus Da Costa.

An invaluable tool for soul winning and personal ministry. Compiled by the Christian Guidance Dept. at the Billy Graham Association to help you help others from a biblical perspective. Topically arranged for quick reference.

Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world

religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews
