Employee Handbooks: A Guide for Cannabis Employers

An employee handbook is essential for any dispensary. It is a valuable resource that

can improve a dispensary's productivity and profits, ensure employees understand performance and behavior expectations, and provide defense against employment lawsuits.

This book provides a multifaceted account of cannabis, a plant that is used widely both recreationally and as a medicine, as it has been over many centuries. Thus, it presents a brief account of the pharmacological history of cannabis and describes the cultivation and genotypic variability of this plant, the national and international regulation of cannabis and its many "cannabinoid ...

This 37-page Cannabis Business Employee Handbook is one of our first post-license documents. It is, in effect, your Human Resources Policy Guide for operating your cannabusiness. It tells your employees what they may and may not do on the job, and outlines policies for vacation, sick leave, workplace computer use, employee harassment and violence and much more.

Handbook of Cannabis Therapeutics - Saltón Verde

How your employee handbook helps Sets up your workplace culture For starters, an employee handbook is a written reflection of your priorities. Many employee handbooks now begin with an "About Our Com-

pany” section that tells employees how the company got its start and describes the company philosophy.
