NJ5LMN - CRISTOPHER COLON

Part of the History-social science series created to follow the California standards and framework, providing stories of the important people, places, geography, and events which shaped the state of California and the country.

A textbook for students in grades 5-7 covering the history, geography, government, economics, and culture of the United States.

The Core Skills Social Studies series engages students with easy-to-understand passages that help students build a better understanding of the world around them. Interactive lessons encourage active participation with the text, including practice with maps, charts, and illustrations. Students are given many opportunities to reflect on the text through higher-level thinking questions. Social studies focuses on developing knowledge and skill in history, geography, culture, economics, civics, and government. Core Skills Social Studies addresses these areas of study and correlates with

social studies curriculum throughout the United States.

These all-inclusive skills resources provide the focused practice students need to apply, reinforce, and review skills in reading, math, and test-taking. Answer key included.

Resource for teacher use in planning and teaching lessons using Harcourt social studies curriculum for grade 5. Includes background information and lesson planning for units in student textbook, as well as holiday activities and newsletters to send home.
