## IWE8VT - ONEILL ROBERSON

---

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Ya-

nagihara’s bestselling new novel, *To Paradise*, available now.

*Childhood Brain & Spinal Cord Tumors* includes detailed and medically reviewed information about both benign and malignant brain and spinal cord tumors that strike children and adolescents. In addition, it offers day-to-day practical advice on how to cope with procedures, hospitalization, family and friends, school, social and financial issues, and communication. Woven among the medical details and the practical advice are the voices of parents and children who have lived with cancer and its treatments. As many parents have already found, advice from “veteran” parents can be a lifeline. Woven among the medical details and the practical advice are the voices of parents and children who have lived with cancer and its treatments. As many parents know, advice from “veteran” parents can be a lifeline. Obtaining a basic understanding of topics such as medical terminology, how drugs work, common side effects of chemotherapy, and how to

work more effectively with medical personnel improves the quality of life for the whole family. Having parents describe their own emotional ups and downs, how they coped, and how they molded their family life around hospitalizations can be a tremendous comfort. Just knowing that there are other kids on chemotherapy who refuse to eat anything but tacos or who have frequent rages can make one feel less alone. Parents who read this book will find understandable medical information, obtain advice that eases their daily life, and feel empowered to be strong advocates for their child. It also contains a personal treatment summary and long-term follow-up guide for your child to keep as a permanent record.

If you are the parent, caregiver, or educator of a child with autism, *He Ain't Heavy (He's My Son)* is for you. Dana Jones, mother of a thirteen year-old boy living with autism, shares her tenacious quest to discover everything about autism. From common misconceptions to handling cruel comments and attitudes, this thought-provoking book will educate and motivate readers of all ages. An important element is the challenge Jones faces as a single parent, and her reminder that single parenting is no barrier to giving a child love, support, and opportunity in a country where autism is finally coming out of the dark corner and being explored with greater openness and honesty. This is a book about parenting a child who is autistic, but it is also a story of compassion and hope. Most of all, it is a reminder that every special needs child deserves to be loved, educated, and accepted.

The author describes how she sought a treatment through traditional and alternative medicine for the suspected autism of her son, and includes alterna-

tive treatment options for a variety of disorders.

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.

This book answers the question that is on everybody's mind: "What's it like to raise a chimpanzee in Manhattan?" Hester Mundis's hilarious memoir *No He's Not a Monkey, He's an Ape and He's My Son* is the complete guide to raising a chimp in the heart of urban America. Join Hester, her husband, their terrifying attack dog Ahab, and the funniest monkey—excuse us, ape—ever to occupy an apartment on the Upper West Side of New York City in this true adventure of woman versus beast.

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally

tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she’s constructed begins to dissolve. Once upon a time, Elliot was Macy’s entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy’s decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

Liza Long, the author of “I Am Adam Lanza’s Mother”—as seen in the HBO® documentary *A Dangerous Son*—speaks out about mental illness. Like most of the nation, Liza Long spent December 14, 2012, mourning the victims of the Newtown shooting. As the mother of a child with a mental illness, however, she also wondered: “What if my son does that someday?” The emotional response she posted on her blog went viral, putting Long at the center of a passionate controversy. Now, she takes the next step. Powerful and shocking, *The Price of Silence* looks at how society stigmatizes mental

illness—including in children—and the devastating societal cost. In the wake of repeated acts of mass violence, Long points the way forward.

In this totally unforgettable sixth book in the *Savage Destiny* series, a relentless wave of frontier progress forces itself into the lives of Zeke and Abbie Monroe, threatening their many years of abiding love and forcing a separation unlike any other they have experienced. Zeke joins the Cheyenne in their last effort to hold on to the freedom they knew until the white man invaded their pristine domain and destroyed their game, their hunting grounds, their beautiful innocence. Meet the *New Dawn* is a keenly powerful and poignant story about the last years of Zeke and Abbie Monroe’s life together, and how their love and their passion for each other lingers on into their twilight years as proof that age and the challenges of life cannot dim the love these two share, a love that causes a man and woman to see each other only as the fifteen-year-old girl who once touched a savage older man’s hand over a campfire, a touch that changed both their lives forever. Get out the Kleenex for this powerful read you will never, ever forget! PRAISE: “Power, passion, tragedy, and triumph are Rosanne Bittner’s hallmarks. Again and again, she brings readers to tears.” —*Romantic Times* “Extraordinary...Bittner’s characters spring to life.” —*Publishers Weekly*

The book is about a 12 year old girl who's mom decide to leave her dad whom she was very close, than is given to an uncle which results in her running away trying to find a place to belong but instead gets involved in drugs, alcohol, homosexuality, and prostitution with attempts to end her miserable life she has a son named carl God uses holes in his

shoes to give her a reason and a will to live by pointing to the holes and saying you see you not just bringing yourself down you are taking him down with you after 21 years God stepped in and her deliverance began.

2001. An autumn break for a young London mother. An isolated stretch of Dorset coastline. An unexplained phenomenon. - Daffodils in Autumn tells the compelling story of a young woman's horrific descent into paranoia and madness dictated by the desires of a female genius. The young woman, and her daughter's past, present and future become meaningless, as not one thing appears to be what it is.

USA Today bestselling author Catherine Gayle presents another novella in the emotional Portland Storm hockey romance series. Being stuck in the Neutral Zone is no way to live... Portland Storm defenseman Cole Paxton never intended to be the poster boy for gay hockey players. Whether intended or not, that's exactly what he's become—ever since innocently attempting to deflect the attention away from another teammate during the playoffs. One little admission, and now his private life is making headlines. Luke Weber would love the chance to bask in Cole's limelight. After all, he's never had the pro hockey career he envisioned. If he'd stayed in the closet, maybe that spotlight would have been his. He'll never know the truth, now that the doors to his dream career have been slammed shut. With everything out in the open, there's no denying the attraction they feel for each other. Cole and Luke want to move forward—together. But to do so, they'll each have to let go of the lives they'd imagined for themselves. Can two strong men relinquish the fantasies of their futures to make their real dreams come true?

He's served his country and now Chase Reed is ready to serve his hometown. As sheriff, he can give back to the people who helped him and reconnect with his old friends. Landing in the middle of an incident between Jessica Keller and her ex, however, is definitely not how Chase imagined reconnecting with her. Even with all the time and experience between them, he has never forgotten their night together. But things are different now. Jess has a son. Despite the crazy attraction they share, Chase isn't ready to be a father. He might not have a choice, though. Because when she reveals the truth, he has to step up and be the man his son needs.

A young woman holds her newborn son and looks at him lovingly. Softly she sings to him: "I'll love you forever I'll like you for always As long as I'm living My baby you'll be." So begins the story that has touched the hearts of millions worldwide. Since publication in 1986, *Love You Forever* has sold more than 15 million copies in paperback and the regular hardcover edition (as well as hundreds of thousands of copies in Spanish and French). Firefly Books is proud to offer this sentimental favorite in a variety of editions and sizes: We offer a trade paper and laminated hardcover edition in a 8" x 8" size. In gift editions we carry: a slipcased edition (8 1/2" x 8 1/4"), with a laminated box and a cloth binding on the book and a 10" x 10" laminated hardcover with jacket. And a Big Book Edition, 16" x 16" with a trade paper binding.

In *Daughters and Granddaughters of Farmworkers*, Barbara Wells examines the work and family lives of Mexican American women in a community near the U.S.-Mexican border in California's Imperial County. Decades earlier, their Mexican parents and grandparents had

made the momentous decision to migrate to the United States as farmworkers. This book explores how that decision has worked out for these second- and third-generation Mexican Americans. Wells provides stories of the struggles, triumphs, and everyday experiences of these women. She analyzes their narratives on a broad canvas that includes the social structures that create the barriers, constraints, and opportunities that have shaped their lives. The women have constructed far more settled lives than the immigrant generation that followed the crops, but many struggle to provide adequately for their families. These women aspire to achieve the middle-class lives of the American Dream. But upward mobility is an elusive goal. The realities of life in a rural, agricultural border community strictly limit social mobility for these descendants of immigrant farm laborers. Reliance on family networks is a vital strategy for meeting the economic challenges they encounter. Wells illustrates clearly the ways in which the "long shadow" of farm work continues to permeate the lives and prospects of these women and their families.

Escaping the demands of Paris police work, Commissaire Capucine Le Tellier embarks on a well-deserved Mediterranean cruise. But wherever the renowned inspector goes, murder is sure to be close on the horizon. . . On the azure waters off the coasts of Corsica and Sardinia, what could be more relaxing and rewarding than traipsing around the Mediterranean enjoying the local culinary delights. Among the invited bon vivants are Capucine, her husband, the celebrated restaurant critic, her special agent cousin Jacques, a famed bar owner, and even her boss. To all appearances, the table is set for an affair to remember. In the midst of this pleasure

cruise, Natalie, the yacht's cook, is lost overboard. A sudden squall is the assumed cause. But once a bullet hole is discovered in her jacket, suspicions quickly shift and the onboard bonhomie suffers accordingly. When a shell casing is uncovered that matches the gun Capucine is authorized to carry, for the first time in her stellar career, the hardworking detective finds herself the prime suspect. For Capucine, these are clearly not the deep waters she envisioned as part of her holiday. As the motives become murkier, the gifted Commissaire will need to harness all her powers of deduction to get to the bottom of the mystery--before she ends up at the bottom of the sea. Praise for Alexander Campion and the Capucine Culinary Mysteries "Francophiles love this series for its Parisian setting and police detective Capucine's culinary cases." --Library Journal "Delectable. . .sure to please the most discriminating palates." --Publishers Weekly on Killer Critique "This intelligent series. . .will appeal to a diversity of readers. Devotees of G.M. Malliet and Charles Todd will especially enjoy this different and delicious series." --Booklist on Killer Critique "A feast of crime with a soupçon of gourmet delight." --RT Book Reviews, 4 Stars, on Crime Fraiche "Full of amusing characters. . .Readers will want a second helping." --Publishers Weekly on The Grave Gourmet "This new series offers a uniquely blended mix of 'hooks' that will appeal to a wide variety of mystery lovers." --Booklist on The Grave Gourmet "Features lively dialogue, much discussion of culinary delights, a peek into the French criminal justice system, and a pleasing mystery." --Library Journal on The Grave Gourmet

This inspiring and moving story, told from the heart of an extraordinary family, recounts the emotional and uplifting

journey of raising a transgender son. Janna Barkin's family has come a long way since their child, Amaya, first told them he was a boy and not a girl and this captivating memoir charts the family's experiences of raising Amaya, from birth through to adulthood. With powerful chapters written by Amaya's family and friends, Janna shares personal stories of the support and discoveries her family has encountered and provides a 'care package' of advice for families facing similar issues, including a glossary of terms and a list of hand-picked support sources. Written with warmth and humor, *He's Always Been My Son* reminds us to accept others for who they are and will support, educate and inspire anyone who reads it.

Sixteen sermons preached to those who are in need of hope. Each sermon directs the reader toward Jesus Christ who is "Christ in you, the hope of glory."

*HE'S MY SON* is the true story of a six-year-old child's courageous fight for his life after a traumatic accident and the power of prayer to help his family cope during this time. Throughout the ordeal, the little boy's father deals with grief, fear, and regret, only to be given hope through his wife's unwavering faith that Christ would heal their son. The family would find their strong tower in Christ during this time and would refuse to give up hope, even against professional medical opinion. Finally, when the day of truth came for the little boy, all the family had to rely on was their faith in Christ and each other. Through this story, a person can gain hope in a hopeless situation by just doing one simple thing. Always trust in God and keep faith that He will be with you in a time of need.

A provocative, personal, and useful look

at boyhood, and a radical plea for rethinking masculinity and teaching young men to give and receive love "Surprising . . . [Black's] tone is so lovely, his empathy so clear . . . Black's writing is modest, clear, conversational . . . corny, maybe. But helpful. Like a dad."—The New York Times Book Review With hope and with humor, Michael Ian Black skillfully navigates the complex gender issues of our time and delivers a poignant answer to an urgent question: How can we be, and raise, better men? Part memoir, part advice book, and written as a heartfelt letter to his college bound son, *A Better Man* offers up a way forward for boys, men, and anyone who loves them. Comedian, writer, and father Black examines his complicated relationship with his own father, explores the damage and rising violence caused by the expectations placed on boys to "man up," and searches for the best way to help young men be part of the solution, not the problem. "If we cannot allow ourselves vulnerability," he writes, "how are we supposed to experience wonder, fear, tenderness?"

THIS book is based on the life of my son (Junior). He has always been a special person in my life. My family and I have learned a lot about children with disabilities by taken care of our son. Junior has always shown great enthusiasm to all that have been around him. And though he can't talk or walk he speaks with his eyes and his heart. THIS book is to let people know that just because you have a disability doesn't mean you don't have dreams of being included with others at play. THIS book is a reminder that all children want to be included in social activities, and be taken serious. Children with disabilities teach all of us just how valuable life is.
