BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls

most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his child-

hood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

A definitive selection of Audre Lorde's "intelligent, fierce, powerful, sensual, provocative, indelible" (Roxane Gay) prose and poetry, for a new generation of readers. Self-described "black, lesbian, mother, warrior, poet" Audre Lorde is an unforgettable voice in twentieth-century literature, and one of the first to center the experiences of black, queer women. This essential reader showcases her indelible contributions to intersectional feminism, queer theory, and critical race studies in twelve landmark essays and more than sixty poems—selected and introduced by one of our most powerful contemporary voices on race and gender, Roxane Gay. Among the essays in-

cluded here are: "The Transformation of Silence into Language and Action" "The Master's Tools Will Never Dismantle the Master's House" "I Am Your Sister" Excerpts from the American Book Award-winning *A Burst of Light* The poems are drawn from Lorde's nine volumes, including *The Black Unicorn* and National Book Award finalist *From a Land Where Other People Live*. Among them are: "Martha" "A Litany for Survival" "Sister Outsider" "Making Love to Concrete"

Selected by the Modern Library as one of the 100 best novels of all time "Here [is] a new order of short story," said H.L. Mencken when *Winesburg, Ohio* was published in 1919. "It is so vivid, so full of insight, so shinningly life-like and glowing, that the book is lifted into a category all its own." Indeed, Sherwood Anderson's timeless cycle of loosely connected tales--in which a young reporter named George Willard probes the hopes, dreams, and fears of the solitary people in a small Midwestern town at the turn of the century--embraced a new frankness and realism that ushered American literature into the modern age. "There are moments in

American life to which Anderson gave not only the first but the final expression," wrote Malcolm Cowley. "Winesburg, Ohio is far from the pessimistic or morbidly sexual work it was once attacked for being. Instead it is a work of love, an attempt to break down the walls of loneliness, and, in its own fashion, a celebration of small-town life in the lost days of good will and innocence."

Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book Club pick *Raised in South Carolina and New York*, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her

voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—The New York Times Book Review

At the height of his wealth, powerful and envied, isolated in the splendor of his mansion on the Hudson, lives a man condemned to unhappiness. This man is Gatsby, an ex-gangster locked in his own mysterious profession, in a false past from which emerges at times the memory of a single pure youthful love. The young Nick Carraway, the narrator of the novel, moves to New York in the summer of 1922 and rents a house in the prestigious and dreamy Long Island, inhabited by many newly rich people frantically engaged in celebrating each other. One neighbor strikes Nick in particular:

the mysterious Jay Gatsby, who lives in a huge, gaudy house, filling it every Saturday night with guests at his extravagant parties. Yet he lives in desperate loneliness and in senseless love for Nick's cousin Daisy....In the setting of a brilliant and unsatisfied society, where the world of alcohol smugglers mixes with that of bankers and stars, Gatsby desperately pursues his dream of love for Daisy. To no avail now is its power, except to arouse in both lovers a sweet madness, which will end in tragedy.

A profound book of essays from a celebrated master of the form. "Darkness is not empty," writes Teju Cole in *Black Paper*, a book that meditates on what it means to sustain our humanity—and witness the humanity of others—in a time of darkness. One of the most celebrated essayists of his generation, Cole here plays variations on the essay form, modeling ways to attend to experience—not just to take in but to think critically about what we sense and what we don't. Wide-ranging but thematically unified, the essays address ethical questions about what it means to be human and what it means

to bear witness, recognizing how our individual present is informed by a collective past. Cole's writings in *Black Paper* approach the fractured moment of our history through a constellation of interrelated concerns: confrontation with unsettling art, elegies both public and private, the defense of writing in a time of political upheaval, the role of the color black in the visual arts, the use of shadow in photography, and the links between literature and activism. Throughout, Cole gives us intriguing new ways of thinking about blackness and its numerous connotations. As he describes the carbon-copy process in his epilogue: "Writing on the top white sheet would transfer the carbon from the black paper onto the bottom white sheet. Black transported the meaning." The New York Times best-selling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he

was the top student, so he got the first one. That letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

Believe in Yourself and Your Dream Will Find You! By showing kids that their different strengths can help them become who they want to be, we give them the power and permission to dream.

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, re-

alizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money.

"To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Bare feet shouldn't fly. Long legs shouldn't spin. Braids shouldn't flap in the wind. 'Sit on the porch and be a lady,' Papa scolded Alice. In Alice's Georgia hometown, there was no track where an African-American girl could practice, so she made her own crossbar with sticks and rags. With the support of her coach, friends, and community, Alice started to win medals. Her dream to compete at the Olympics came true in

1948. This is an inspiring free-verse story of the first African-American woman to win an Olympic gold medal. Photos of Alice Coachman are also included.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-

changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.** In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny,

heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

"Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the*

Sun," said The New York Times. "It is as if history is conspiring to make the play a classic."

Sharon M. Draper presents "storytelling at its finest" (School Library Journal, starred review) in this New York Times best-selling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they're never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella's community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don't necessarily signify an end. Critiquing Social and Emo-

tional Learning offers a systematic cultural analysis of social and emotional learning (SEL) as a codified phenomenon in education, critiquing the messages of SEL and the impact they have on teachers and children. Clio Stearns argues for more allowance of negative affect and complex emotional existence in the classroom.

On the first day of school, new classmates are asked to share what they would most like to happen in the upcoming year. Some kids' hopes are familiar while others are off-the-wall. As the first day draws to a close, there can be no doubt—this school year will definitely be the best! Provides a quote for every day of the year and a creative writing exercise to go along with it.

Mae Among the Stars is the perfect book for young readers who have big dreams and even bigger hearts. When Little Mae was a child, she dreamed of dancing in space. Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with

anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that

the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times—bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

#1 NEW YORK TIMES BESTSELLER • Barack Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope."—Michael Kazin, *The Washington Post* In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." *The Audacity of Hope* is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress

and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of “our improbable experiment in democracy.” He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is

Barack Obama’s vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the princi-

ples that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes—“waiting for Republicans and Democrats to catch up with them.”

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.
