Now in paperback, Daniel Robb's Sloop proves he "is a craftsman... with words as well as with a hammer, as he constructs a charming tale that both details the technical nature of boatbuilding and captures the essence of the past, present, and future of a New England maritime community" (Publishers Weekly). • Interest in the environment and ecology: Daniel robb decided to restore his family's well-worn wooden sailboat in appreciation for its craftsmanship and out of respect for the environment for which it was intended. Sloop's tribute to the simple life and one's environment will resonate with sailing enthusiasts and anyone who appreciates fine craftsmanship. • Timeless values: robb voices an ethic in which things are valued and appreciated, especially well-designed objects that still have years of useful life in them. While die-hard sailors or woodworking fanatics will love this book, robb's skill as a writer also makes this a fascinating read for anyone. His humorous account of his on-the-job learning experience and of the eccentric characters who share his values and helped him will delight readers. "Robb writes of his painstaking restoration of a rotted 12½- foot herreshoff that had floated on memory and emotion, and finally again on water....a gem." —David Mehegan, The Boston Globe "Whether you're an old-time boat builder, a wooden boat enthusiast, or simply someone who appreciates words woven together masterfully, you'll enjoy Sloop." —Kathleen Szmit, Barnstable Patriot Author of Crossing the Water, Daniel Robb has been an editor of academic journals, a teacher, a political consultant on a congressional campaign, and a proprietor of a literary services business. He has also worked at sea on schooners, taught sailing, and raced in national competitions. Robb lives in Pelham, Massachusetts.

Desmond Meade was chosen as a MacArthur Fellow in 2021. The inspiring and eye-opening true story of one man's undying belief in the power of a fully enfranchised nation. "You may think the right to vote is a small matter, and if you do, I would bet you have never had it taken away from you." Thus begins the story of Desmond Meade and his inspiring journey to restore voting rights to roughly 1.4 million returning citizens in Florida—resulting in a stunning victory in 2018 that enfranchised the most people at once in any single initiative since women's suffrage. *Let My People Vote* is the deeply moving, personal story of Meade's life, his political activism, and the movement he spearheaded to restore voting rights to returning citizens who had served their terms. Meade survived a tough childhood only to find himself with a felony conviction. Finding the strength to pull his life together, he graduated summa cum laude from college, graduated from law school, and married. But because of his conviction, he was not even allowed to sit for the bar exam in Florida. And when his wife ran for state office, he was filled with pride—but not permitted to vote for her. Meade takes us on a journey from his time in homeless shelters, to the exhilarating, joyful night in November of 2018, when Amendment 4 passed with 65 percent of the vote. Meade's story, and his commitment to a fully enfranchised nation, will prove to readers that one person really can make a difference.

Jesus taught us a very simple but powerful prayer that embodies many concerns of life. *Simply Pray* introduces the reader to a variety of prayers that can be adopted by each reader, inserting their own names and current realities. We are taught to always pray and not faint, and that prayer is not dependent upon our stature in life. In an attempt to meet the needs of a diverse community, Lee solicited prayer requests from social media, friends, and family. Under the heading of Thanksgiving, Petitionary, Intercessory, and Supplication, Lee prays simply. It is with the spirit of the living God and the love of God that these prayers are written.
