In his spare time, he likes to travel the world.

The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.

Named one of "22 new books...that you should consider reading before the year is out" by Fortune A research-based, practical guide for how to handle difficult people at work. Work relationships can be hard. The stress of dealing with difficult people dampens our creativity and productivity, degrades our ability to think

clearly and make sound decisions, and causes us to disengage. We might lie awake at night worrying, withdraw from work, or react in ways we later regret—rolling our eyes in a meeting, snapping at colleagues, or staying silent when we should speak up. Too often we grin and bear it as if we have no choice. Or throw up our hands because one-size-fits-all solutions haven't worked. But you can only endure so much thoughtless, irrational, or malicious behavior—there's your sanity to consider, and your career. In Getting Along, workplace expert and Harvard Business Review podcast host Amy Gallo identifies eight familiar types of difficult coworkers—the insecure boss, the passive-aggressive peer, the know-it-all, the biased coworker, and others—and provides strategies tailored to dealing constructively with each one. She also shares principles that will help you turn things around, no matter who you're at odds with. Taking the high road isn't easy, but Gallo offers a crucial perspective on how work relationships really matter, as well as the compassion, encouragement, and tools you need to prevail—on your terms. She answers questions such as: Why can't I stop thinking about that nasty email?! What's behind my problem colleague's behavior? How can I fix things if they won't cooperate? I've tried everything—what now? Full of relatable, sometimes cringe-worthy examples, the latest behavioral science research, and practical advice you can use right now, Getting Along is an indispensable guide to navigating your toughest relationships at work—and building interpersonal resilience in the process.

Learn to let go and achieve the life you've always dreamed...

How to Quit Your Job and Travel the World is not just a catchy title. Tired of Working? Sick of the rat race? Feel like leaving it all behind? You are one step closer only by picking up this book. How to quit your job and travel is your complete guide on how to do it by people who have made it happen. From making the decision to leave town and telling your boss to shove it, to finding a place to live and blending in with the local color, this guide has it all. It's a promise. Learn about finding places to stay, couches to crash and how to make homes along the way. Learn how to make friends and most importantly, how to be safe and save money for future travel plans. Gift your skin a life of vast sunsets; it deserves more than your fluorescent office lights. If you've ever thought of quitting your job to travel the world, this book is a must-read. Soon, you'll be on your way to your new life!

The one thing every working person dreams of is quitting their job. What if I told you and gave you 101 reasons that you can? Quit your job. You know you want to. Admit it. You've contemplated it. You've thought about it while brushing your teeth. You've promised yourself while getting dressed. You've sworn never again - while in traffic. Now, here's 101 Reasons to Quit Your Job. This entertaining book delves into all the things you can erase from your life when you are no longer a part of the "painfully employed". We all have to work, but that does not mean we have to have a job. 101 Reasons to Quit your Job gives you 101 reasons to do what you've always wanted to do. Quit your job. Order your copy now and find out how.

When *Designing Your Life* was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers." -The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in *DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work* they apply that transformative thinking to the place we spend more time than anywhere else: work. *DESIGNING YOUR WORK LIFE* teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's

time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun.

Dreading going to work every day when you wish you could be working full-time for yourself? Want to create a strategic plan to successfully build a business and quit your job? *Before You Quit Your Job* is the strategic step by step guide to assist you with developing a strategic plan for leaving your job for good. Written by Business and Brand Consultant Keenya Kelly, *Before You Quit Your Job* is the everyday part-time entrepreneurs guide to creating a 18- 24 month plan that will not only help you create a smart exit strategy from your job, but will also teach you principles for life and business success at the same time. You will learn the difference between what it takes to be a successful employee vs being an entrepreneur, financial strategies for saving and investing as well as Keenya's secret ingredient for funding your new business. If you are ready to build the life and business of your dreams that includes financial and time freedom, then *Before You Quit Your Job* is that perfect tool. Keenya Kelly is the author of *Before You Quit Your Job* and the *Build Million Dollar Brands* Workbook. Kelly is known for inspiring others to become the best version of themselves, go after their dreams as well as educating them on how to build sustainable profitable businesses. She is also known for her online ministry *You, Me & Jesus* and her commitment to teaching others how to take the journey through personal development. She currently lives in Redding, California with her 3 cats Eddie, Maui & Faith.

A concise, actionable, step-by-step guide to starting a business, and creating and implementing a plan of action so you get paid for what you love doing.

Tired of working? Sick of the Rat Race? Feel like leaving it all behind? You are one step closer just by picking up this book. *Quit Your Job And Move To Key West* is your complete guide on how to do it by people who have made it happen.

You've heard the advice, "Go to school, get a good job, get promoted, climb the corporate ladder, and you will eventually find happiness." All too often, people follow this society-prescribed path to success, falsely believing that it will lead them to happiness. Within this book series, you'll learn: How to break free from the downsides of socialization- the constant seeking of external goals and external approval that end up making your life miser-

able How to escape the rat race by changing your inner or outer reality How to create alternative income sources, step outside your comfort zone, and spend more time with your family How to determine if you should quit your job (or take a sabbatical) How to discover your own values and life philosophy How to stop stressing out and stop living in "fight-or-flight" mode How to eliminate your bad habits once and for all How to stop obsessing over the future and start living in the present How to stop being manipulated by advertisers, mass media, corporations and peer groups What's included? This bundle includes the full *Evolve Your Life* mini-book series, including *The Happiness Handbook*, *Money and Happiness*, *Escape the Rat Race*, *Crossing the Comfort Zone*, *Modern Moonlighting*, and *Quit Your Job*.

Many of us dream of quitting our jobs, hopping on a plane, and escaping our daily reality to frolic around on a beach for a while. But for most of us, it's just a dream - until now. *How to Quit Your Job & Travel* is a practical, step-by-step guide to one of the most exciting, exhilarating, and terrifying things you'll ever do. You'll learn how to tackle each of the challenges preventing you from taking off on a long-term trip, from finances to fear to returning to reality - and all the nitty-gritty logistics along the way. But once you do actually pack your bags, throw your stuff into storage, and head off - what's next? Lia Garcia, co-founder and CEO of one of the most-read travel blogs in the world, spills all the things nobody tells you about the reality of long term travel - and coming home again - with stories from her own disastrous year-long honeymoon. About the Book This book is divided into four sections: Part One focuses on laying the groundwork for your trip, including the preparations and decisions that take place well before you leave. You'll learn to identify and navigate fears and obstacles in your way as you develop a rough outline for your trip, set yourself a departure deadline, calculate the cost of your adventure, start working towards a specific savings goal, and turn your travel dream into an actionable plan. Part Two takes place in the months before your trip, as you finalize your plans, pack your bags, book your itinerary, and tie up loose ends at home. You'll learn how to effectively plan a long-term trip, tackle each piece of the logistical puzzle of placing your life on hold, find out what to pack (and what to leave at home), and take off on the adventure of a lifetime. Part Three prepares you for the trip itself, including all the things that nobody tells you about long-term travel, how to stay safe and pre-

vent theft, and what to do if you find yourself running out of funds. You'll learn about the many challenges of long-term travel, the beauty of "travel magic," and how to overcome challenges while you're on the road. Part Four occurs after the trip, as you return home and reintegrate into ordinary life. We'll cover how to prepare yourself for the most difficult part of long-term travel, including picking back up where you left off with your career (or choosing not to), and how to use the skills you learned during your travels to identify your needs and adjust to the life you've returned to. In each part of the book, you'll find specific, actionable advice interwoven with stories and mishaps from the author's year-long honeymoon. At the end of the book is a reference section containing all of the websites, apps, businesses, academic studies, spreadsheet templates, and tools mentioned or recommended, as well as tables organizing specific information you'll need as you plan your trip. You'll also receive access to a digital and printable version of the "Reference" section.

Use Positive Faith to Create Your Desired Future Also Includes: 31 Faith Declarations to Use Daily to Transform Your Life Forever
How to make self-employment work for you right now.

While some of us enjoy a lively debate with colleagues and others prefer to suppress our feelings over disagreements, we all struggle with conflict at work. Every day we navigate an office full of competing interests, clashing personalities, limited time and resources, and fragile egos. Sure, we share the same overarching goals as our colleagues, but we don't always agree on how to achieve them. We work differently. We rub each other the wrong way. We jockey for position. How can you deal with conflict at work in a way that is both professional and productive—where it improves both your work and your relationships? You start by understanding whether you generally seek or avoid conflict, identifying the most frequent reasons for disagreement, and knowing what approaches work for what scenarios. Then, if you decide to address a particular conflict, you use that information to plan and conduct a productive conversation. The HBR Guide to Dealing with Conflict will give you the advice you need to: Understand the most common sources of conflict Explore your options for addressing a disagreement Recognize whether you—and your counterpart—typically seek or avoid conflict Prepare for and engage in a difficult conversation Manage your and your counterpart's emotions Develop a resolution together Know when to walk away Arm

yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

A real world practical guide to dramatically increase your wages, as told by an average working stiff who quit four jobs in five years and tripled his pay! The proven, step-by-step approach to strategically changing jobs and exponentially improving your salary and career. The rules have changed. Mergers, acquisitions, downsizing, re-engineering, outsourcing, massive layoffs, and the global economy have reshaped the job market. It's no longer enough to work year after year for incremental pay raises in exchange for job security. Employers today are driven by the bottom line; by and large, company loyalty and commitment have gone the way of the dinosaurs. To get ahead in today's world you have to manage your career like your finances, by constantly planning ahead for your next job. Quit Your Job Often and Get Big Raises shows you how to get ahead—and dramatically increase your salary—by changing jobs frequently and leveraging your current position for something better. It shows you why you should do it, when to do it, and how to do it. You'll discover: How to identify the industries with strong future growth Why the ability to market yourself is crucial—and how to do it When you should begin looking for your next job How to hit the ground running when you do change jobs And much, much more!

A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

On his way to work, Magic Boy discovers an enchanted ring and starts an expedition to the North Pole.

Are you a creative person seeking more satisfying work? Do you want to make the transition from a job you find secure but soulless to a life built around your creative dream? Then look no further than this essential guide, written by a tenured professor who quit his job and pursued his dream as a successful "story merchant" and film producer. This book will show you how to: Construct a life that fits your personal vision Stand up against negative peer pressure Redefine success in your own terms Identify and control your conflicting inner voices Find time to make your dreams come true And much more! Kenneth Atchity teaches you the skills you will need to venture out into the world on your own terms. If you're ready to fall in love with your future, this book can give you the inspiration you need to make that life-changing leap into a better world.

A detailed system that will help you achieve your professional and personal goals Moving the Needle provides both the "kick in the pants" and the game plan many of us need to break out of the rut and get moving to achieve our goals. CEOs, vice presidents, professionals, military personnel, and even college students frequently express frustration at the entrenched status quo, in which initiating progress feels like moving mountains. This book lights a path toward continual improvement, helping readers first find a direction, then make the key transitions that jumpstart forward progress. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take, or whether they have the freedom to move forward. Moving the Needle helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here to there. Find what "moving forward" means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis, at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress. Moving forward requires a vision, a plan, and the impetus to get things done. Those

who sense that big things can happen need to get clear, get free, and start *Moving the Needle*.

People are not made for the 8 hour slavery of the regular jobs. There are several options out there which enable you to make lots of money while doing the things you like to do. And many people are aware of such options and they are rich people you see living the luxury lifestyle from the enormous money they have made from their work. One thing you will notice is that those people are not in regular jobs. They are running businesses, small and large. And to run a business successfully, you need proper guidance. This book will help you get started successfully in the business and make the money you have always dreamed of. Go ahead and read it to change the course of your destiny.

Until recently, Tess Vigeland was a longtime host with Public Radio's Marketplace; it was a rewarding, high-status job, and Tess was very good at it—but she'd begun to feel restless. Without any definite, clear sense of what she wanted to do next (but an absolute certainty that what she'd been doing was no longer truly satisfying), she walked away from her dream job and into a vast unknown. Suddenly she was no longer "Marketplace's Tess Vigeland," she was just Tess Vigeland. For the multitude of Americans who change jobs mid-career (by choice or circumstance), the growing legions of freelance workers, and the entrepreneurially-minded who see self-employment as an increasingly more appealing and viable option, Tess Vigeland has created a personal and well-researched account of leaping without a net. With her signature humor, she writes honestly about the fear, uncertainty, and risk involved in leaving the traditional workforce—but also the excitement, resources, and possibilities that are on the other side. Part memoir and part field guide, this book offers a funny, thoughtful, and provocative look at how to find happiness, satisfaction, and success when pursuing a career less ordinary.

"Billions of dollars are given out every year to ordinary citizens!! Don't miss out!"--Cover.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green

does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

High-achieving women share their worst mistakes at work—and how learning from them paved the way to success. Named by Fast Company as a "Top 10 Book You Need to Read This Year" In *Mistakes I Made at Work*, a Publishers Weekly Top 10 Business Book for Spring 2014, Jessica Bacal interviews twenty-five successful women about their toughest on-the-job moments. These innovators across a variety of fields – from the arts to finance to tech – reveal that they're more thoughtful, purposeful and assertive as leaders because they learned from their mistakes, not because they never made any. Interviewees include: Cheryl Strayed, bestselling author of *Wild* Anna Holmes, founding editor of Jezebel.com Kim Gordon, founding member of the band Sonic Youth Joanna Barsch, Director Emeritus of McKinsey & Company Carol Dweck, Stanford psychology professor Ruth Ozeki, New York

Times bestselling author of *Tale for the Time Being* And many more For readers of *Lean In* and *#Girlboss*, *Mistakes I Made for Work* is ideal for millennials just starting their careers, for women seeking to advance at work, or for anyone grappling with issues of perfectionism, and features fascinating and surprising anecdotes, as well as tips for readers.

Fire Your Boss is the disruptive alternative blueprint for charting a new life-giving career path that gives you control, allowing you to set your own rules for your work life. Provocative, liberating, and universally appealing, *Fire Your Boss* seeks to help readers resolve the deepest root of workplace unrest—namely, fear and self-preservation. This book upgrades readers' core belief systems, demonstrates how to liberate their careers forever, and ultimately, join a heretical uprising without becoming an entrepreneur, changing jobs, or simply white-knuckling their way to retirement. Aaron McHugh maps out how to make philosophical, emotional, tactical, and heart-centered shifts at every intersection on the career journey. Firing your boss does not require you to leave to your job. Firing your boss does not require you to start a new business. Firing your boss becomes the life-altering daily mantra that transforms the disengaged into hopeful leaders. Discover how to plot a new course of career freedom and independence, empowerment, and self-reliance. Find your smile again, rekindle your mojo, recapture the art of your work, and start enjoying your work every single day.

"In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to play the game by the New Rules. The Muse is known for sharp, relevant, and get-to-the-point advice on how to figure out exactly what your values and your skills are and how they best play out in the marketplace. Now Kathryn and Alex have gathered all of that advice and more in *The New Rules of Work*. Through quick exercises and structured tips, the authors will guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. *The New Rules of Work* shows how to choose a perfect career path, land the best job, and wake up feeling excited to go to work every day-- whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between"--

A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY

BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff Goins explains how the search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing *The Myth of the Leap* can prevent you from achieving your dreams To live *The Portfolio Life* and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of.

Learn how to quit your job-the right way. Although it can be nerve-wracking to hand in your notice, it's important to leave on the best possible terms to keep your reputation and relationships intact. In this short training course, Aimee Bateman shows you how to prepare to resign, how to write a resignation letter, and how to conduct yourself during your last few weeks. She also reviews the dos and don'ts of quitting, and explains what happens during the exit interview. With these tips, you will be able to gracefully leave your current job and embark on the next stage of your career. This course was created by Careercake, the careers content platform. We are pleased to host this training in our library.

Quitting your day job to embark on another career or start your own business is a huge and frightening step. If you do it, though, you want to make sure you do it right. This book provides a practical plan & great tips for quitting your job and making a successful transition.

When was the last time you felt super excited about getting ready to go to work? When was the last time your boss showed their ap-

preciation to you for your valuable contribution? Have you ever felt stuck in the wrong job? Have you ever felt like quitting and starting your own dream venture? You are not alone! 87% of the workers are dissatisfied with their jobs and emotionally disconnected from their workplace, according to the latest research conducted by Gallup (a Washington D.C.- based polling organization) in 189 countries on 25 million employees. This book is written for the millions of people who want to escape their job and do something more meaningful with their life. *The Job Escape Plan* is a seven step process that will help you start an online business from home, quit your job and live the life of your dreams. This plan will show you the ways to design your ideal lifestyle and develop the means to achieve that in six months or even less.

Monitor your expenses, build a budget, and stick with it Make the most of a modest salary and still have money to spare Keep your credit in check and clean up credit card chaos Start and succeed at your side hustle Build a nest egg and invest in your future Transform your money mindset and be accountable for your financial well-being Feel the power of real-world stories from other "clever girls" Put yourself on the path to financial success with the valuable lessons learned from *Clever Girl Finance*.

This book reveals the 37 most well-kept secrets of several famous entrepreneurs doing business around the world. Even though written based on a personal experience with making money online, and indeed, living in many paradises on earth after quitting a profitable job, it also resumes interviews with several individuals, from US to Thailand, that did the same, and a whole year of research. The information here presented explains exactly what are the qualities and attributes that anyone needs in order to succeed with an online business, and will change the way you think about

business, as there are significant differences between the new way and the old of making money. Times are indeed changing and only the smartest are ready. A college graduation isn't enough anymore. Trust me! Because I was a college lecturer for over 5 years and a business consultant for more than 12 years. Offers insights into the decisions, ideas, and tips required to make self-employment a reality.

Work isn't supposed to be a four-letter word! Does the work you do matter to you? Are you unsure what you want to do for a living? Are you in the right place but looking to advance? No matter where you are in your career, you were born to do work you love. National bestselling author and career expert Ken Coleman was stuck in an unfulfilling career until he realized he didn't have to be. In his latest book, he draws on what he learned from his own ten-year journey as well as from coaching thousands of others to walk you through the seven stages to discovering and doing meaningful work. Relevant to any job or industry, you'll learn step-by-step how to: Get Clear on the work you were uniquely made to do and why. Get Qualified to do the work you were created for. Get Connected with the right people who can open the doors to your dream. Get Started by overcoming the emotions and mistakes that often hold people back. Get Promoted by developing winning habits and traits. Get Your Dream Job by doing work you love and accomplishing results that matter to you. Give Yourself Away by expanding the dream to leave a legacy. This is your moment. You are needed, and you were made to contribute. It's time to exit the daily grind and use your talents to start living your dream once and for all.

Breaking Free is about making the transition from working for the man to working for yourself by starting your own business or freelancing. By focusing on the personal experiences, ideas, and actions of a variety of self-employed people—including freelance writers, contractors, service providers, store owners and franchisees, sales reps, and others—this book offers readers deep insights into the ideas and decisions required to make self-employment a reality. Along the way, author and self-employed professional Chris Lauer offers a wealth of practical small-business insights and tips. *Breaking Free* thus offers would-be entrepreneurs and freelancers something priceless—both the skills and encouragement required to shake free of corporate shackles and take the leap into small-scale entrepreneurship. Featuring real stories

about the initial spark that motivated individuals to pursue independence and entrepreneurship, *Breaking Free* follows a variety of entrepreneurs as they move from their jobs as employees to the ranks of the self-employed. It also covers the nuts and bolts of self-employment—pricing and marketing services, keeping an eye on the bottom line, and growing the business, among other topics. In addition, Lauer focuses on the advances in technology that make self-employment easier today than ever before. Unlike most books on self-employment, Lauer uses vivid, real-life stories and tips to help would-be entrepreneurs decide the route that is best for them. Experienced entrepreneurs describe how they came up with ideas for their businesses, how they kept their ventures in motion during the early days and over the long term, how they grew, and when they recognized it was time to call it quits and

sell or shutter the business. This is not a book for the next Bill Gates, but for the majority of new business owners and those dreaming of creating their own jobs: people ready to take a few risks to make a decent living on their own terms and gain some independence. Both descriptive and prescriptive, *Breaking Free* presents the latest ways to capitalize on today's many opportunities for self-sufficiency and financial autonomy.

Are you a Millennial Employee who is tired, frustrated, or simply facing a tough time in your job? Are you in your current employment just to make ends meet and the ends are not being met? Or you are working at a job that does not align with your life dream/purpose? If you've answered yes to any of the above, then it is likely you are considering a job change, career switch, or

want to finally pursue your passion. But then again, you are scared to the marrow to quit your job as you do not want to face the challenge of not having an income or run out of cash. I know that feeling as I have been there before and it is not a good condition to be in trust me. But quitting your job to follow your dream or to move to a better-paying one should not be a disdainful act. It should be easy, smooth, and exciting especially when you have a step-by-step guide to follow in thinking through the whole decision of quitting and knowing what to put in place before turning in the resignation letter. *HOW TO QUIT YOUR 9-5 WITHOUT REGRET* provides practical steps on what you need to be doing NOW before you quit in order to get the best out of your current job and assist you to plan properly in taking the bold step of quitting when you want to.
