For courses in management. Modern human resources: technology, social media, and management Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts

technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century.

'Human Resource Management' provides a comprehensive review of personnel management concepts and practices, focusing on the high-performance organization. It offers practical applications to help managers deal with personnel-related responsibilities.

Fundamentals of Human Resource Management, by Noe, Hollen-

beck, Gerhart and Wright is specifically written to provide a brief introduction to human resource management. While it doesn't cover the depths of human resource management theory, the book is rich with examples and engages students through application. This first edition takes on a different approach than the hard-back text by the same team. Instead of a higher level of theory that's geared towards the HRM professional, this book focuses on the uses of human resources for the general population. Issues such as strategy are reduced to give a greater focus on how human resources is used in the every day work environment. Much like this author team's first project, Fundamentals of Human Resource Management provides instructors with a robust ancillary package. A comprehensive instructor's manual, test bank, Power-Point presentation and a complete Online Learning Center make course preparation easy.

For courses in Management. Human Resource Management provides students with the daily tools and skills they need to function as successful managers--in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms such as LinkedIn and cloud computing. The 15th Edition focuses on the positive impacts technology has had on the HR field. The ability to vet potential employees on the Internet shifts more HR responsibilities to managers, leaving HR departments with more time to carry out strategic, long-term endeavours for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century.

Directed primarily toward undergraduate courses in human resource management, this text also provides practical content to current and aspiring industry professionals. Fundamentals of Human Resource Management covers a wide range of HR topics and shows readers the importance of human resource management within the restraints of a compact semester. Offering a wealth of functional examples and applications, this text emphasizes the notion that all managers need basic human resource management skills. This edition is the first text on the market to build its core around the talent management process--which the author defines as the goal-oriented and integrated process of planning, recruiting, developing, managing, and compensating employees. Note: This is the standalone book, if you want the book/access card order the ISBN below: 013335508X / 9780133355086 Fundamentals of Human Resource Management Plus MyManagement-Lab with Pearson eText -- Access Card Package Package consists of: 0132994909 / 9780132994903 Fundamentals of Human Resource Management 0133020215 / 9780133020212 MyManage-

mentLab with Pearson eText -- Access Card -- for Fundamentals of Human Resource Management

Three experts in Human Resources introduce a measurement system that convincingly showcases how HR impacts business performance. Drawing from the authors' ongoing study of nearly 3,000 firms, this book describes a seven-step process for embedding HR systems within the firm's overall strategy--what the authors describe as an HR Scorecard--and measuring its activities in terms that line managers and CEOs will find compelling. Analyzing how each element of the HR system can be designed to enhance firm performance and maximize the overall quality of human capital, this important book heralds the emergence of HR as a strategic powerhouse in today's organizations.

Offers select, condensed, and thoroughly updated coverage

rewritten from the authors' best-selling 'big' book Human Resource Management, 7/e.*Offers an intensive, concise and succinct overview of human resource management - perfect for 'modular' courses*Provides users with the essential working vocabulary and knowledge they will need for the human resources parts of their management jobs*Global Issues in HR' sections in every chapter emphasize the importance of knowing how the practices may apply in different parts of the world

Frank, a Political Monster: 12 Rules to Succeed in Organizations portrays the story of a remarkable man from a poor neighborhood in Caracas, Venezuela. Frank was born and raised in a household full of love, dysfunctionality, intellectuality, hunger, violence, alcohol, European customs, laughter, tears, death, and more death. By a gracious miracle, Frank ended up breaking the cycle of poverty and becoming a civil engineer, a highly successful manager in the private sector, a husband, a father, an ambitious and tenacious entrepreneur, a shrewd politician, and one of the most admired and respected persons in the country. Sadly, the demons from the past never completely left Frank and ended up destroying most of his life's accomplishments. This is a story full of ups and downs, life lessons, and mostly of an unlimited desire for chasing one's dreams.

For courses in Human Resources Management. Human Resource Management provides students in human resource management courses and practicing managers with a full and practical review of essential HR concepts and techniques, with a particular focus on using human resource practices to improve performance, productivity, and profitability at work.
