The EMERALD™ 116 is a machine ideal for all types of sewing; from a beautiful, one-of-a-kind dress to curtains that duplicate those seen in a magazine. The EMERALD™ 116 machine has many practical features you will love including the built-in needle threader, a handy Sewing Guide Reference Chart, a hard cover for storage and an effortless one-step buttonhole.

My 2009 Viking Emerald 116 machine worked well until I started making outdoor gear, using a very sturdy Signature Sunstop thread and siliconized nylon fabric. The upper & lower threads locked under the fabric with the upper thread tension dialed to its

highest.
