Connection can exist at any level of our being: We can be mentally linked, emotionally linked, energetically linked, and/or physically linked to something. The Connection Process presents three powerful esoteric processes that restore you from a state of separation to a state of connection with yourself and others. By engaging in the processes, you'll be able to: perceive fundamental truths about yourself and others; see, hear, feel, and understand yourself and others; and develop a deep sense of connectedness with the world. Think about how good it would feel for someone to completely understand you and how great it would be if they were so perceptive of your internal world that they knew exactly what you need or what to say. Think of how good it would be to enjoy harmony in your relationships instead of suffering through conflicts. Connect with yourself, others, and the world around you with your heart, body, emotion, and mind and enjoy the lasting joy that comes from making true connections.

The bestselling author of *The Completion Process* offers a blueprint for overcoming loneliness and returning to a place of love, acceptance, and meaningful connection. Following in the footsteps of the success of *The Completion Process*, bestselling author and modern spiritual leader Teal Swan offers an in-depth exploration and understanding of loneliness. Drawing on her extraordinary healing technique, the Connection Process, Teal offers a way to experience connection once again. Loneliness is reaching endemic proportions in our society, reflected by rising suicide rates and increased mental illness. Now, more than ever we need to find a way to connect. Loneliness is a feeling of separation or isolation; it is not necessarily the same as the physical state of being alone. This book is for people who suffer from loneliness, the kind that cannot be solved by simply being around other people. Their aloneness is a deeply embedded pattern that is both negative and painful; it is often fueled by trauma, loss, addiction, grief and a lack of self-esteem and insecurity. In *The Anatomy of Loneliness*,

Teal identifies the three pillars or qualities of loneliness: Separation, Shame and Fear and goes on to share her revolutionary technique; The Connection Process, a form of intuitive journeying, usually involving two people a 'receiver' and a 'journeyer'. Through a series of exercises each person experiences 'walls' and 'blockages' as they move through the process both participants face their fears learning from these to reach a place of unconditional love and acceptance.
