Journal of Human Resource Management (JHRM) provides a forum for sharing timely and up-to-date publication of scientific research and review articles. The journal publishes original full-length research papers in all areas related to the theory and practice of HRM, as well as the critical examination of existing concepts, models, and frameworks.

The International Journal of Human Resource Management ...

Definition of International Human Resource Management (IHRM)

Journal of Human Resource Management (JHRM) is a double-blind peer reviewed international scientific journal with an international Editorial Board. The journal is published since 1998 twice a year by the Faculty of Management, Comenius University in Bratislava, Slovakia. The JHRM aims at creating an open forum for scientific discourse focused on human resource management, inviting theoretical as well as empirical research papers.

The Journal of International Management is devoted to advancing an understanding of issues in the management of global enterprises, global management theory, and practice; and providing theoretical and managerial implications useful for the further development of research.

Human Resource Management Journal (HRMJ) is a scholarly journal that aims to promote the theory and practice of HRM, to provide an international forum for discussion and debate, and to stress the critical importance of people management to a wide range of economic, political and social concerns.

EBSCO for the CIPD is a rich resource of full-text articles from over 200 leading journal and magazine titles covering HR, Business, Management, and L&D subject areas, providing you with relevant, reliable academic content from leading academic publishers, academic societies and university presses.
