**INTRODUCTION TO MASS COMMUNICATION**

Through this cultural perspective, students learn that audience members are

as much a part of the mass communication process as are the media producers, technologies, and industries. This was the first, and remains the only, university-level text to make media literacy central to its approach, and given recent national and global turmoil, its ...

In today's media rich world, Introduction to Mass Communication keeps media literacy and culture at its core. Using examples of the past to show how mass communications got their roots, and keeping current with the present's emerging technologies and trends, Introduction to Mass Communication gives students a deeper understanding of the role media plays in both shaping and reflecting culture.
