Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

From the unique mind of Douglas Adams, legendary author of *The Hitchhiker's Guide to the Galaxy*, comes *Shada*, a story scripted for the television series *Doctor Who* but never produced—and now transformed into an original novel. A little knowledge is a dangerous thing. Imagine how dangerous a LOT of knowledge is... The Doctor's old friend and fellow Time Lord, Professor Chronotis, has retired to Cambridge University, where among the other doddering old professors nobody will notice if he lives for centuries. He took with him a few little souvenirs—harmless things really. But among them, carelessly, he took *The Worshipful and Ancient Law of Gallifrey*. Even more carelessly, he has loaned this immensely powerful book to clueless graduate student Chris Parsons, who intends to use it to impress girls. *The Worshipful and Ancient Law* is among the most dangerous artifacts in the universe; it cannot be allowed to fall into the wrong hands. The hands of the sinister Skagra are unquestionably the wrongest ones possible. Skagra is a sadist and an egomaniac bent on universal domination. Having misguessed the state of fashion on Earth, he also wears terrible platform shoes. He is on his way to Cambridge. He wants the book. And he wants the Doctor...

**NEW YORK TIMES BESTSELLER** • Get swept away by this “haunting” (Bustle) YA novel about twelve beautiful sisters living on an isolated island estate who begin to mysteriously die one by one. This dark and atmospheric fairy tale inspired story is perfect for fans of *Yellowjackets*. “Step inside a fairy tale.” —Stephanie Garber, #1 New York Times bestselling author of *Caraval* In a manor by the sea, twelve sisters are cursed. Annaleigh lives a sheltered life at Highmoor with her sisters and their father and stepmother. Once there were twelve, but loneliness fills the grand halls now that four of the girls' lives have been cut short. Each death was more tragic than the last—the plague, a plummeting fall, a drowning, a slippery plunge—and there are whispers throughout the surrounding villages that the family is cursed by the gods. Disturbed by a series of ghostly visions, Annaleigh becomes increasingly suspicious that her sister's deaths were no accidents. The girls have been sneaking out every night to attend glittering balls, dancing until dawn in silk gowns and shimmering slippers, and Annaleigh isn't sure whether to try to stop them or to join their forbidden trysts. Because who—or what—are they really dancing with? When Annaleigh's involvement with a mysterious stranger who has secrets of his own intensifies, it's a race to unravel the darkness that has fallen over her family—before it claims her next. *House of Salt and Sorrows* is a spellbinding novel filled with magic and the rustle of gossamer skirts down long, dark hall-

ways. Be careful who you dance with... And don't miss Erin Craig's *Small Favors*, a mesmerizing and chilling novel about dark wishes and even darker dreams.

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

A man at a train station first requests a destination which does not exist - then winks out of existence in a moment. The captain of an interstellar travel ship is hired to take a passenger to Earth - that legendary planet which never existed. A cynical father refuses to purchase a bomb shelter for his family - though his son is terrified of perishing in an upcoming war. The wife of a man recently returned from a different planet is convinced his mind has been taken over by some other being - but finds this new husband much preferable to the old one...

The author initially intended to call this novel, “The Lyrical Age.” The lyrical age, according to Kundera, is youth, and this novel, above all, is an epic of adolescence; an ironic epic that tenderly erodes sacrosanct values: childhood, motherhood, revolution, and even poetry. Jaromil is in fact a poet. His mother made him a poet and accompanies him (figuratively) to his love bed and (literally) to his deathbed. A ridiculous and touching character, horrifying and totally innocent (“innocence with its bloody smile”), Jaromil is at the same time a true poet. He's no creep, he's Rimbaud. Rimbaud entrapped by the communist revolution, entrapped in a somber farce.

*A Whiskey Beach* c'è un gioiello incastonato sul promontorio, un guardiano a protezione della costa. È una villa che affaccia sul mare: per i turisti un sogno irrealizzabile, per Eli Landon, avvocato di Boston, semplicemente la casa di famiglia. Ma ultimamente sta diventando qualcosa di più importante, un rifugio lontano dai problemi. Sua moglie è stata uccisa, e la polizia sta scandagliando la sua vita alla ricerca di una prova di colpevolezza. La villa sul mare è il luogo della consolazione e dei ricordi, la casa della sua amata nonna. E poi lì non è solo: con lui c'è Abra Walsh, una donna determinata e instancabile, dai molteplici interessi e dai mille talenti - incluso quello di riuscire ad aiutare Eli a riprendere in mano la sua vita e riscattare il suo nome. Quello che li lega è più forte di una sincera amicizia, è qualcosa che unisce indissolubilmente i loro destini, anche ora che sembrano minacciati da qualcuno intenzionato a distruggere Eli Landon una volta per tutte...

Named one of NPR's Best Books of 2017 Written during the height of the 1970s Italian domestic terror, a cult novel, with distinct echoes of Lovecraft and Borges, makes its English-language debut. In the spare wing of a church-run sanatorium, some zealous youths create “the Library,” a space where lonely citizens can read one another's personal diaries and connect with like-minded souls in “dialogues across the ether.” But when their scribbles devolve into the ugliest confessions of the macabre, the Library's users learn too late that a malicious force has consumed their privacy and their sanity. As the city of Turin suffers a twenty-day “phenomenon of collective psychosis” culminating in nightly mas-

sacres that hundreds of witnesses cannot explain, the Library is shut down and erased from history. That is, until a lonely salary-man decides to investigate these mysterious events, which the citizenry of Turin fear to mention. Inevitably drawn into the city's occult netherworld, he unearths the stuff of modern nightmares: what's shared can never be unshared. An allegory inspired by the grisly neo-fascist campaigns of its day, *The Twenty Days of Turin* has enjoyed a fervent cult following in Italy for forty years. Now, in a fretful new age of "lone-wolf" terrorism fueled by social media, we can find uncanny resonances in Giorgio De Maria's vision of mass fear: a mute, palpating dread that seeps into every moment of daily existence. With its stunning anticipation of the Internet—and the apocalyptic repercussions of oversharing—this bleak, prescient story is more disturbingly pertinent than ever. Brilliantly translated into English for the first time by Ramon Glazov, *The Twenty Days of Turin* establishes De Maria's place among the literary ranks of Italo Calvino and beside classic horror masters such as Edgar Allan Poe and H. P. Lovecraft. Hauntingly imaginative, with visceral prose that chills to the marrow, the novel is an eerily clairvoyant magnum opus, long overdue but ever timely.

A husband seeks his wife's lover who is lost in the turbulence of Israel's Yom Kippur War. As the story of his quest unfolds and grows in intensity, the main protagonists are drawn into the search and transformed by it: through the different perspective of husband, wife, teenage daughter, young Arab emerges a complex picture of the uneasy present, the tension between generations, between Israel's past and future, between Jews and Arabs. *The Lover* was A.B. Yehoshua's first novel and immediately brought him international recognition. It is brilliant, compassionate and highly original and as accomplished as all his later works.

Pablo Borla's marriage is reduced to confrontations with his wife over their daughter's rebellious ways and his firm builds only repellent office blocks destroying the fabric of old Buenos Aires. It all changes with the arrival of a young woman who brings to light a murder committed decades ago by those in his office. A murder everyone assumed was forgotten. Claudia Piñeiro, after working as a professional accountant, became a journalist, playwright and television scriptwriter and in 1992 won the prestigious Pléyade journalism award. She has more recently turned to fiction; *All Yours* (finalist for the 2003 Planeta Prize) and *Thursday Night Widows*.

For over half a century, Richard Matheson has enthralled and terrified readers with such timeless classics as *I Am Legend*, *The Incredible Shrinking Man*, *Duel*, *Somewhere in Time*, and *What Dreams May Come*. Now the Grand Master returns with a bewitching tale of erotic suspense and enchantment.... 1918. A young American soldier recently wounded in the Great War, Alex White comes to Gatford to escape his troubled past. The pastoral English village seems the perfect spot to heal his wounded body and soul. True, the neighboring woods are said to be haunted by capricious, even malevolent, spirits, but surely those are just old wives' tales. Aren't they? A frightening encounter in the forest leads him into the arms of Magda Variel, an alluring red-haired widow rumored to be a witch. She warns him to steer clear of the wood and the perilous faerie kingdom it borders, but Alex cannot help himself. Drawn to its verdant mysteries, he finds love, danger...and wonders that will forever change his view of the world.

Griffin, brillante fisico londinese, sa di avere un'unica arma per riscattarsi da una vita piuttosto amara e povera di riconoscimenti: il proprio genio. Il suo lavoro consiste nello sviluppare nuove sensazionali tecniche, il suo scopo è ottenere il rispetto dovuto alle

menti eccelse. Quando mette a punto un procedimento che gli permette di rendere invisibili gli oggetti, decide di provare su di sé quella scoperta rivoluzionaria, ma i risultati sono ben diversi da quelli che immaginava. Essere invisibile comporta parecchi inconvenienti, e forse non è poi così vantaggioso sottrarsi alla vista degli altri, a meno che non si voglia sfruttare l'invisibilità per fini perversi, come ad esempio incutere terrore. Ma il piano di Griffin fallisce miseramente, anche grazie a un suo vecchio compagno di studi che era a conoscenza dei suoi disegni visionari. Braccato dalla legge, si ritroverà intrappolato nella scoperta che avrebbe dovuto finalmente liberarlo, tradito dal genio cui aveva affidato ogni desiderio di riscatto. Un classico della science fiction, l'amara parabola di un uomo animato da un pericoloso fanatismo per il progresso scientifico, ma destinato a soccombere di fronte all'inesorabilità dei propri limiti.

Collects horror stories such as "Third from the Sun," "Little Girl Lost," "Death Ship," and "Duel," which was the basis for the Spielberg film of the same name.

\*Includes an 8 chapter bonus preview of *WICKED ABYSS!*\* In this scorching Immortals After Dark/Dacian novel, #1 New York Times bestselling author Kresley Cole brings together a wicked vampire prince used to getting everything he desires and a demon warrior who always felt like an outcast. A night of debauchery . . . Prince Mirceo Daciano and his new friend, Caspion the Tracker, comb the streets of Dacia, drunkenly seeking out pleasures of the flesh. In what should have been a typical night, they coax a bevy of nymphs to bed. To impress their females, the demon and the vampire kiss on a dare. Changes them forever . . . Once they finally break away from their soul-searing kiss, they find themselves alone—and shaken. Had they imagined their explosive chemistry? Obstacles—ranging from a death sentence to exile in a war-torn dimension—threaten to destroy their lives . . . and the vulnerable promise in that one kiss. How long can they resist the fire that blazes between them? Even if Mirceo accepts Caspion as his fated mate, the seductive vampire still must convince the stubborn demon that their bond is forever. And any royal Dacian union must receive the blessing of King Lothaire, an unpredictable and savage killer. . . .

A stunning novel about mothers and daughters, about vengeance, and an aging, still beautiful woman on trial for shooting her lover. In a French courtroom, the trial of a woman is taking place. Gladys Eysenach is no longer young, but she remains striking, elegant, cold. She is accused of shooting dead her much-younger lover. As the witnesses take the stand and the case unfolds, Gladys relives fragments of her past: her childhood, her absent father, her marriage, her turbulent relationship with her daughter, her decline, and then the final irrevocable act. With the depth of insight and pitiless compassion we have come to expect from the acclaimed author of *Suite Francaise*, Irene Nemirovsky shows us the soul of a desperate woman obsessed with her lost youth.

Age is just a number... Lolito is an unconventional love story about a fifteen-year-old boy who finds solace in the arms of a middle-aged woman on the Internet. Fifteen-year-old Etgar Allison is spending spring break alone in an empty house, when he inadvertently learns that his girlfriend has cheated on him with another boy. Heartbroken and lonely, without parental supervision, he turns to alcohol. Unable to cope with his grief, he looks to the Internet for comfort and lands in an adult chatroom. There he meets Macy, a bored but attractive housewife; flirtatious IMs escalate into cybersex chats and soon Etgar is raiding his savings account for a romantic rendezvous in London. . . What could possibly go wrong? Ben Brooks's *Lolito* is an uncompromising look at

the turbulent emotional life of teenage boys, a funny and poignant story that injects raw honesty—and even a little tenderness—into its portrait of a taboo relationship.

Mulan is a curious, clever young girl with a love for adventure and learning. But there is no greater love than the one she has for her family. She will do anything for them—even if it means joining the army disguised as a man in her father's place. In battle, Mulan must find her bravery and her strength to become the legendary woman warrior she is destined to be. In this retelling of The Ballad of Mulan, the Chinese folktale comes to life through striking full-color illustrations. Readers will cheer for our hero in this classic story of courage, persistence, and standing up for what one believes in.

Just like old times. Just the five of them. Saturdaynight. Nicole asked. How could Pete say no? But past hurts among the former childhood friends soon surface, and the party's over before it ever begins. The group splinters off into the darkness. Into the noise and heat and chaos of the carnival. The next morning, a girl is missing. Pete doesn't know what—or who—to believe: Could one of the old gang be to blame? Could one of their own be a killer?

In the time before the Confessors, when the world is a dark and dangerous place, where treason and treachery are the rule of the day, comes one heroic woman—Magda Searus—who has just lost her husband and her way in life.

The Wonderful Wizard of Oz chronicles the adventure of Dorothea in the land of Oz. A cyclone picks her up from her Kansas home, where she lives with her aunt and uncle, and deposits her in the fantastical land. She begins a journey along the yellow brick road to seek help from the Wizard of Oz. On her way she meets her fair share of witches (good and bad) and a scarecrow without a brain, a tinman without a heart and a cowardly lion. They travel together to the Emerald City to seek audience with the wizard.

From Richard Matheson, the multi-award-winning Twilight Zone scripter and New York Times bestselling author of *I Am Legend* and *Hell House*, comes a haunting ghost story in *A Stir of Echoes*. Tom Wallace lived an ordinary life, until a chance event awakened psychic abilities he never knew he possessed. Now he's hearing the private thoughts of the people around him—and learning shocking secrets he never wanted to know. But as Tom's existence becomes a waking nightmare, even greater jolts are in store as he becomes the unwilling recipient of a compelling message from beyond the grave... Tells the tall tales of narrator Buster Fogg and the group of traveling merchant marauders he takes up with after his family is killed by a tornado. Their adventures take them through dank caves, across the countryside, and into East Texas.

He is obsessed with her innocence. He will be destroyed by her guilt. The walls were champagne. The house was immaculate. A prosperous doctor lived there with his son and his beautiful wife. But the elegant walls hid a family's secret, a wife's shame. And one day shots rang out in the doctor's house. Suddenly Jennifer Witt was in jail, facing the death penalty. Jennifer insisted that she had not killed her abusive husband -- and she could never have killed her own son. Dismas Hardy believed her. But Hardy was only part of the defense team, and the only lawyer who continued to believe her...even as her story was torn to pieces, even as her lies came out, even as she was found guilty of murder. Now there's only one thing Jennifer can do to save her life...and she refuses to do it. So Hardy must do it for her. And in a shocking case of violence, betrayal, and lies, his only weapon is the truth... The 13th Juror...When innocence is not enough.

An early pulse-pounding thriller from the Twilight Zone scribe and multi-award-winning author of *I Am Legend*. Vincent was a brilliant pianist, but a disturbed personality. The asylum he was committed to could not hold him. He escaped on an early Sunday morning, bent on revenge against those who betrayed him—his manager and the man who married his lover, Ruth. With his temper spiraling out of control, Vincent pursued his prey without mercy, brutally slaughtering anyone who got in his way. For four hours he would terrorize a community. His rage would not be sated no matter how much blood he spilled. And he refused to let anyone keep him from Ruth ever again . . . Richard Matheson, "one of the great names in American terror fiction," unleashes a relentless novel of chilling suspense in *Fury on Sunday* (The Philadelphia Inquirer). "The author who influenced me the most as a writer was Richard Matheson." —Stephen King "Perhaps no other living author is as responsible for chilling a generation with tantalizing nightmare visions." —The New York Times "Matheson's a writer who just has the special knack, the deft skill to imagine terrifying scenarios on any scale, large and small, and give them chilling possibility." —Los Angeles Times

RIVISTE - Racconti di Ted Chiang (premio Hugo), Mike Resnick, Shelly Li, Francesco Verso, Adriana Lorusso, Giulio Raiola. Inchiesta: La fantascienza è morta? - La Brit Invasion dei telefilm La fantascienza è morta, viva la fantascienza. Passando oltremarica tracciamo una rassegna del nuovo millennio della tv fantastica british, mentre per il cinema Viggo Mortensen parla di *The Road*, il disperato film postapocalittico tratto dal duro romanzo di Cormac McCarthy.

The life of a female war photographer killed in action is told by three of her friends in this biographical novel by the author of *Bloody Cow*. Gerda Taro was a German-Jewish war photographer, anti-fascist activist, artist, and innovator who, together with her partner, the Hungarian Endre Friedmann, was one half of the alias Robert Capa, widely considered to be the twentieth century's greatest war and political photographer. She was killed while documenting the Spanish Civil War and tragically became the first female photojournalist to be killed on a battlefield. August 1, 1937, Paris. Taro's twenty-seventh birthday, and her funeral. Friedmann leads the procession. He is devastated, but there are others, equally bereft, with him: Ruth Cerf, Taro's old friend from Leipzig with whom she fled to Paris; Willy Chardack, ex-lover; Georg Kuritzkes, another lover and a key figure in the International Brigades. They have all known a different Gerda, and one who is at times radically at odds with the heroic anti-fascist figure being mourned by the multitudes . . . Another character in the novel is the era itself, the 1930s, with economic depression, the rise of Nazism, hostility towards refugees in France, the century's ideological warfare, the cultural ferment, and the ascendancy of photography as the age's quintessential art form. Winner of the Strega Prize, *The Girl with the Leica* is a must-read for fans of historical fiction centered on extraordinary women's lives. "A biography, a feminist parable, a declaration of love for photography, and a tableau of the 1930s: *The Girl with the Leica* is all this at on-

ce.” —Il Sole 24 Ore (Italy) “Janeczek creatively and seamlessly spotlights war photographer Gerda Pohorylle.” —Publishers Weekly

Da Metropolis di Fritz Lang alle saghe di Blade Runner e Mad Max in tutte le loro derivazioni, fino a Matrix e al cyberpunk, un'analisi del cinema di fantascienza che più è riuscito a trasformare in immaginario la visione di un futuro peggiore del presente. In costante confronto e dialogo con i maggiori autori letterari del filone (Jack London, George Orwell, Philip K. Dick, William Gibson e altri), un viaggio attraverso l'evoluzione del genere forse più contemporaneo, come dimostra la narrazione distopica del regista ucraino Valentyn Vasyanovych nel suo film Atlantis (2019). Suddiviso per argomenti, il testo considera paure collettive quali la minaccia nucleare, le epidemie, la tecnofobia e la catastrofe ambientale che i film, nel corso di quasi un secolo, hanno saputo elaborare e raccontare. Un'apposita appendice è riservata alle distopie dello scrittore Valerio Evangelisti, al quale il libro è dedicato.

Noir contains three long-lost thrillers by Richard Matheson, the grand master of suspense. Originally published in the 1950s, at the very beginning of Matheson's distinguished career, these page-turning classics have been largely out-of-print for decades. Now readers everywhere can savor three unforgettable tales of crime, corruption, and cold-blooded murder. . . . Someone Is Bleeding--Dave Newton has fallen hard for Peggy, a leggy blonde with a lurid past and a heartbreaking smile. But as bloody corpses begin to litter his path, Dave is forced to confront the terrifying possibility that the woman he loves is a deranged killer! Fury on Sunday--In the wee hours of one fateful Sunday morning, a homicidal maniac embarks on a rampage of terror and violence that threatens everyone who crosses his path, culminating in a deadly confrontation in a Manhattan apartment building. Ride the Nightmare--Chris and Helen had the perfect suburban life--until Helen discovers her husband's guilty secret. Overnight, their peaceful existence descends into a vortex of fear and brutality that may cost them the life of their only child!

A special pocket-sized hardcover edition of the New York Times bestselling classic tale of the last man on Earth, I Am Legend by Richard Matheson--one of genre literature's most honored storytellers . Robert Neville is the last living man on Earth...but he is not alone. Every other man, woman, and child on Earth has become a vampire, and they are all hungry for Neville's blood. By day, he is the hunter, stalking the sleeping undead through the abandoned ruins of civilization. By night, he barricades himself in his home and prays for dawn. How long can one man survive in a world of vampires?

A semiautobiographical coming-of-age story, framed by the har-

rowing 1975 Circeo massacre Edoardo Albinati's The Catholic School, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men--former students at Rome's prestigious all-boys Catholic high school San Leone Magno--brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates--the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max--Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

Ancient monuments all over the world - from the Pyramids of Giza, to Mexico, to the ancient sites of China - are also awakening, reacting to a brewing crisis not of this earth, connecting to each other in some kind of ancient global network. A small group of scientists is assembled to attempt to unravel the mystery. What they discover will change the world. Imagine that 12,000 years ago it really did rain for 40 days and 40 nights. That storms reigned supreme. Imagine that survivors of human civilization really were forced to take to boats or hide out in caves on mountaintops. Then consider that these same myths from around the world predict this kind of devastation will occur time and again. What could cause such a catastrophe? What occurs in nature with such frightening and predictable regularity? A pulsar. But this is not just any pulsar - the ordinary type that pulses once a second, a minute, or even a week. This pulses once every 12,000 years and sends out a gravity wave of such ferocity it beggars belief. Not only that, it's closer than anybody has ever imagined. For it lives in our own backyard. It is the Sun.

Belphegor, a criminal mastermind and hooded maniac, is obsessed with retrieving the lost treasure of the Medicis from its ancient burial place. Only Chantecoq, the 'king of detectives' can hope to unveil the sinister and sadistic figure that nightly haunts the Paris Louvre and its catacombs. And with that unveiling comes one of the most stunning twists. Belphegor was made into a highly successful 1960s serial for French television and it remains one of the key works of early French pulp fiction.
