Genuine, guaranteed Genuine Isuzu parts meet 'original equipment' standards for total vehicle integrity - the parts you order will always be a perfect fit - and all come with a two-year warranty. Plus, if a part should fail, provided it was fitted by an Isuzu dealer, the labour costs to remove and replace that part will be covered too.

Changing a part on your Isuzu D-Max is not as simple as just removing the old one and installing a new one, especially if the new one isn't an Isuzu Genuine Part. That's because the quality of a single part, no matter how small, has an impact on the overall performance of your vehicle - to the point where your engine or your chassis may not work to the same levels as when your vehicle ...
