Lucy the unicorn has trouble making friends with the other animals. She thinks she needs to look like a horse to hang out with the horses, or like a zebra to hang out with the zebras. She disguises herself with paint, costumes, and hats in her attempt to fit in with the different animals. Unfortunately for Lucy, this doesn't seem to work. Should Lucy just try to be herself? Kids will laugh at Lucy's not-so-creative disguises as they learn the value of being them-

selves.(Age recommended 3-8)

P. J. Funnybunny hops into spring with sixty-four pages of very simple coloring and activity fun! Activities include matching, same and different, letters, numbers, basic mazes, and more, making this coloring and activity book perfect for hours of entertainment!

Perfect for Easter or celebrating bunnies all year round. A charming follow-up to the classic Beginner Book It's Not Easy Being a Bunny! P.J. Funnybunny is back and more

lovable than ever in this sweet, funny sequel. P.J. Funnybunny is not having a good day. His mom won't let him eat ice cream for breakfast. She won't let him hang upside down from a tree. She won't even let him watch a scary movie! P.J. visits Potts Pig, whose mom lets them do all those things. But when he gets a stomachache and has a bad dream, P.J. Funnybunny realizes that--while it's fun to be a pig--it's better being a bunny! This new tale of self-discovery is the perfect Easter treat for begin-

ning readers and bunny fans of all ages! It's Not Easy Being Green follows Dick Strawbridge and his family as they leave their comfortable home in the Midlands to tackle a remarkable self-sufficiency project - New House Farm in Cornwall. Their main objective is to have as little negative impact on the planet as possible by producing no waste and removing their dependency upon fossil fuels - all without compromising on their comfortable, modern 21st-century lifestyles. It's a laudable aim, but they are definitely not eco-warriors! With his hands-on, flamboyant approach, Dick offers practical tips on everything, from constructing water wheels, gadgets and greenhouses, to the trials of living with animals and knocking up 'proper' wholesome food. Packed with information about the cost of power, sourcing building materials, taking up permaculture and finding transport alternatives, It's Not Easy Being Green highlights the small steps that can change your life and is a simple, inspirational guide for everyone considering the path to green living.

The "sublimely awkward and hilarious" (Chicago Tribune), National Book Award "5

Under 35"-garnering first novel from the acclaimed author of The New Me--now in a new edition Twenty-four-year-old Megan may have her whole life ahead of her, but it already feels like a dead end, thanks to her dreadful job as a gastroenterologist's receptionist and her heart-clogging resentment of the success and happiness of everyone around her. But no one stokes Megan's bitterness quite like her coworker, Jillian, a grotesquely optimistic, thirty-five-year-old single mother whose chirpy positivity obscures her mounting struggles. Megan and Jillian's lives become increasingly precarious as their faulty coping mechanisms--denial, self-help books, alcohol, religion, prescription painkillers, obsessive criticism, alienated boyfriends, and, in Jillian's case, the misguided purchase of a dog--send them spiraling toward their downfalls. Wickedly authentic and brutally funny, Jillian is a subversive portrait of two women trapped in cycles of self-delusion and self-destruction, each more like the other than they would care to admit.

Lewis is a quiet shy student at Garvey Middle School in the inner city. For Lewis school is a constant nightmare. He is constantly in trouble, despite being a good stu-

dent with excellent writing skills. Lewis desperately wants to make his mother proud and not follow in the footsteps of his father who is in prison. He is constantly influenced by his friend Jason who always seems to lead him toward trouble. Lewis meets Mr. Willis a weird but concerned teacher at his school. Mr. Willis enrolls Lewis in the Empowerment Program which exposes Lewis to a different world. Lewis then begins to contemplate change. Will Lewis continue to travel down the wrong path towards tragedy? Or will he make a turn towards success?

Unlike most superheroes, Clark's superpowers aren't a secret. And instead of just one, Clark has five superpowers he must learn to control: super hearing, super sight, super smell, super taste, and super feeling. He uses his five superpowers to defeat sensory triggers, and his arch nemesis Igor Ance. This beautifully illustrated picture book helps parents, teachers, students, and friends understand what it's like for these superheroes who have sensory processing disorder and the tricks they learn to control their powers.

Illus. in full color. Camping is not for girls, right? At least, that's what P.J. and his pals

tell Donna and Honey Bunny when they want to tag along on a camping trip. But when two mysterious ghosts frighten the boys all the way home, only the girls know the real story.

It's Not Easy Being A Purple Goose is about a funny looking purple goose named Sara who lives on a quaint little farm with many brothers and sisters. Unhappy with being so different from all the other farm animals, Sara decides to run away. . Sara believes that it would be better if she were something else instead of a purple goose. She decides to live with and become a swan, a rat, a bird, a bunny rabbit, a squirrel, an ostrich and a pig. However, after living with these other animals, Sara is glad to be just a purple goose again-big yellow feet and all. She returns home to the quaint little farm and to her family and friends where she discovers she truly belongs.

Arkady and Boris Strugatsky are widely known as the greatest Russian writers of science fiction, and their 1964 novel *Hard to Be a God* is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the me-

dieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? *Hard to Be a God* has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated by Olena Bor-mashenko, whose translation of the authors' *Roadside Picnic* has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed context—reintroduces one of the most profound Soviet-era novels to an eager audience.

The author considered calling this book *It's Not Easy Being a Woman*, Volume 2 and

1/2. But then the stories kept coming, and she realized this follow-up to the two earlier volumes in the series deserves a whole number! You still can't keep this good woman down! In Volume 3, she keeps on going whether it's striving and socializing as an artist and writer, getting things done on the home front despite obstacles (and there always are some, it seems), being her own kind of wonderful mom and wife during her family time, or wandering her Westside community mingling with old and new friends. In these environs and more, she observes the strange, amusing and amazing things that happen in her world. Join Esther on her unique path, see the world with her clever eyes, and you may just find yourself seeing more of the strange, amusing and amazing things that happening in your own world.

*It's Not Easy Being Ordinary* A Collection of Essays, Quotes, Poetry, Letters, and Extraordinary Art of an Ordinary Person By: Vandella Poe I close my eyes and envision the garden. It is a spring morning, and the air is crisp with the first morning's frost. I see myself standing in the garden amongst the freshly planted seeds that were started a week ago. They have already begun to extend above and beyond Mother Nature's dark, moist blanket, earnestly reaching toward the clear blue sky, the warmth of the sun. I had forgotten this photograph was not lost but just a forgotten memory lodged in the depths of my heart, just waiting to be remembered. When Vandella Poe left an abusive relationship and retired, she had a second chance to do what she really wanted to accom-

plish in life, to leave a mark, something to say, "This was who I was, what I loved doing." If you have a second chance to do something you love, do it. Life is too short not to. This is who she was and what she enjoyed doing and was passionate about: being an artist.

A tree tells why, out of all four seasons, autumn is the hardest.

"Magical prose stylist" Michael Chabon (Michiko Kakutani, New York Times) delivers a collection of essays—heartfelt, humorous, insightful, wise—on the meaning of fatherhood. For the September 2016 issue of GQ, Michael Chabon wrote a piece about accompanying his son Abraham Chabon, then thirteen, to Paris Men's Fashion Week. Possessed with a precocious sense of style, Abe was in his element chatting with designers he idolized and turning a critical eye to the freshest runway looks of the season; Chabon Sr., whose interest in clothing stops at "thrift-shopping for vintage western shirts or Hermès neckties," sat idly by, staving off yawns and fighting the impulse that the whole thing was a massive waste of time. Despite his own indifference, however, what gradually emerged as Chabon ferried his son to and

from fashion shows was a deep respect for his son's passion. The piece quickly became a viral sensation. With the GQ story as its centerpiece, and featuring six additional essays plus an introduction, Pops illuminates the meaning, magic, and mysteries of fatherhood as only Michael Chabon can.

It's not easy being a teenager. From peer and media influences to parental and societal expectations, teens today experience pressures and stresses that previous generations have never had to deal with. More than ever, teens need to know that there are people in their lives who understand what they are going through. They need to hear that they are doing a good job and they have what it takes to succeed. This book provides teens with positive words of encouragement and inspiration to let them know that everyone goes through hard times, but those times won't last forever. It urges teens faced with a change or a challenge to look inside for the strength they need to keep going. It reminds them that it's okay to be different, because it's those very differences that make them unique and special. These reassuring messages will help teenagers find the courage

and confidence to make the right choices, to accept themselves for who they are, and to keep believing in themselves and their dreams.

"We are women. We say things to ourselves that we wouldn't admit to anyone else. And just when we think we have life all figured out, when we think we're looking good and feeling good, when we think things are finally working out to our advantage, something happens to awaken us from that dream and bring us back to reality. And so we return to that place where we're really most comfortable, where we bravely endure the calamities and catastrophes that occur on a daily basis, where we are sexy, beautiful, artistic, loving, dedicated, sensitive, funny, extraordinary creatures. We return to the hilarity of our everyday lives."

INSTANT NEW YORK TIMES BESTSELLER  
"Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living." —Meryl Streep  
An astonishingly frank, funny, poignant book for any woman who wishes they had someone who would say to them, "This happened to me,

learn from my mistakes and my successes. Because you don't get smarter as you get older, you get braver." Sheila Nevins is the best friend you never knew you had. She is your discreet confidante you can tell any secret to, your sage mentor at work who helps you navigate the often uneven playing field, your wise sister who has "been there, done that," your hysterical girlfriend whose stories about men will make laugh until you cry. Sheila Nevins is the one person who always tells it like it is. In *You Don't Look Your Age*, the famed documentary producer (as President of HBO Documentary Films for over 30 years, Nevins has rightfully been credited with creating the documentary rebirth) finally steps out from behind the camera and takes her place front and center. In these pages you will read about the real life challenges of being a woman in a man's world, what it means to be a working mother, what it's like to be an older woman in a youth-obsessed culture, the sometimes changing, often sweet truth about marriages, what being a feminist really means, and that you are in good company if your adult children don't return your phone calls. So come, sit down, make yourself

comfortable, (and for some of you, don't forget the damn reading glasses). You're in for a treat.

Alaskans Luke, Chickie, Sonny, Donna, and Amiq relate their experiences in the early 1960s when they are forced to attend a Catholic boarding school where, despite different tribal affiliations, they come to find a sort of family and home.

"It's Not Easy Being Green presents the key principles of ecological design and planning in the built and research work of the architect Ken Yeang in an easy to read graphic novel that takes the reader through Ken's formative years to him becoming a practical architect while showing the evolution of his thoughts and ideas."---

From Miami to Beverly Hills, from Mexico City and Acapulco to Las Vegas, Lucky Santangelo is back! And so is the illegitimate son Anthony Bonar, of her one time Godfather and lethal enemy, Enzo Bonnati. Featuring a brand new introduction from best-selling author, Melanie Blake, talking about what Jackie and her books mean to her! 'There will never be another Jackie Collins, she's the sassiest fairy godmother of all' MELANIE BLAKE There have been many imitators, but only ever one Jackie Collins. With millions of her books sold around the world, and thirty-one New York Times bestsellers, she is one of the world's top-selling novelists. From glamorous Beverly Hills bedrooms to Hollywood movie studios; from glittering rock concerts to the yachts of billionaires, Jackie chronicled the scandalous lives of the rich, famous, and infamous from the inside looking out. 'A true inspiration, a trail blazer for women's fiction' JILLY COOPER 'Jackie shows us all what being a strong, successful woman means at any age' MILLY JOHNSON 'Jackie

will never be forgotten, she'll always inspire me to #BeMoreJackie' JILL MANSELL 'Jackie's heroines don't take off their clothes to please a man, but to please themselves' CLARE MACKINTOSH 'Legend is a word used too lightly for so many undeserving people, but Jackie is the very definition of the word' ALEX KHAN 'What Jackie knew how to do so well, is to tell a thumping good story' ROWAN COLEMAN 'I read hundreds of books every year. But Jackie Collins' novels are the only ones I can read over and over' AMY ROWLAND 'Jackie wrote with shameless ambition, ruthless passion and pure diamond-dusted sparkle' CATHERINE STEADMAN 'Here is a woman who not only wanted to entertain her readers, but also to teach them something; about the world and about themselves' ISABELLE BROOM 'There's a lot a drag queen can learn from Jackie' TOM RASMUSSEN 'Lessons galore on every page... about feminism, equality, tolerance and love' CARMEL HARRINGTON 'Jackie is the queen of cliff-hangers' SAMANTHA TONGE 'For all her trademark sass, there is a moralist at work here' LOUISE CANDLISH 'Nobody does it quite like Jackie and nobody ever will' SARRA MANING 'Jackie bought a bit of

glitter, sparkle and sunshine into our humdrum existence' VERONICA HENRY 'Jackie wrote about Hollywood with total authenticity, breaking all the rules and taboos' BARBARA TAYLOR BRADFORD 'Collins was saying that women didn't have to centre round men, either in books or in life' JESSIE BURTON 'Jackie lived the Hollywood dream, but, she looked sideways at it, and then shared the dirt with her readers' JULIET ASHTON 'What radiates from her novels, is a sense that women are capable of great things' ALEXANDRA HEMINSLEY

An American comic icon tells the story of his second-act rise from obscurity to multimedia stardom. "When I was a kid," writes Rodney Dangerfield, "I worked tough places in show business--places like Fonzo's Knuckle Room. Or Aldo's, formerly Vito's, formerly Nunzio's. That was a tough joint. I looked at the menu. They had broken leg of lamb." For once, one of America's most beloved comic icons isn't kidding. Dangerfield has seen every aspect of the entertainment industry: the rough-and-tumble nightclubs, the backstage gag-writing sessions, the drugs, the hookers, the lousy day jobs - and the red--

carpet star treatment. As he traces his route from a poor childhood on Long Island to his enshrinement as a comedy legend, he takes readers on a roller-coaster ride through a life that has been alternately touching, sordid, funny, raunchy, and uplifting - equal parts "Little Orphan Annie" and "Caligula." And unlike most celebrity autobiographers, he seems to have no qualms about delivering the unfiltered whole story, warts and all. Dangerfield's personal story is also a rollicking show business tale, full of marquee name--droppings (Adam Sandler, Sam Kinison, Jim Carrey, Johnny Carson, Jerry Seinfeld) and good stories about same. Defying the old saws about the fleeting nature of fame and the dearth of second acts in American life, Dangerfield transformed himself from a debt-ridden aluminium-siding salesman named Jack Roy to a multimedia superstar - and stayed an icon for decades. His catchphrase - "I get no respect" - has entered the lexicon, and he remains a visible cultural presence and perennial talk-show guest. Dangerfield's hilarious and inspiring musings should thrill comedy fans and pop-culture watchers, and his second-act comeback will strike a chord with readers

of all stripes. Maybe he'll even get some respect.

The Number Three is having an identity crisis-there are so many other things he could do with his life; why stop at being just a number? He tries being a ship's anchor, a spatula, even a shiny bronze sculpture, and he won't listen when the other numbers beg him to come back to the lineup. But after awhile, Number Three starts to realize that what he enjoys most is the job no one else can do: being the Number Three. It's Not Easy Being Number Three is a clever book that celebrates the importance of feeling appreciated for one's talents.

Big Bird discovers that some things are easy to do if you are small and others are easy to do if you are big.

Ten-year-old Andy faces his first serious crisis when he finds out his family is moving away from the only home he's ever known. In order to persuade his parents to change their mind and move back, Andy decides to show how miserable he is by being mean. See what Andy has to go through as he racks his brain tying every unkind trick in the book. But in the end, he realizes it's just not easy being mean! Eileen Pierre

has written several children's stories including the chapter book, *Why is Life so Confusing?* When not writing, Eileen divides her time between visiting her children and grandchildren in the Chicago suburbs and living in Southwest Florida with her husband, Dan.

"Ever wonder what Santa's job is like?" "Wishes do come true..." It's Christmas eve and Bug accidentally finds a stack of letters that kids have written to Santa. For millions of people, the name Jim Henson equals fun, creativity, compassion, wackiness, and all the energy and joy of the Muppets. This uplifting collection of quotes, anecdotes, songs, and insights brings the reader into the heart of Jim's

magical world. A joy to read and experience, *It's Not Easy Being Green* inspires us all to keep in mind Kermit's advice, "Forget the map, roll down the windows, and whenever you can, pull over and have a picnic with a pig."

This issue features articles by Anthony Davies, Paul Helliwell, Howard Slater, and Peter Suchin, and a special section on climate change and capital with texts by Will Barnes, James Woudhuysen, Tim Forsyth and Zoe Young, Kate Rich, George Caffentzis, Anthony Iles, Chris Wright, and Samantha Alvarez.

Massie Block: Getting back into Octavian Country Day was a piece of sugar-free cake, compared to Massie's next goal-finding the key that unlocks an ah-mazing legendary secret room at OCD! Alpha eighth grader Skye Hamilton and her clique have stashed the key in the bedroom of one mystery Briarwood boy, but who? Whoever finds the key gets access to the secret room for an entire year and the prestige that comes along with it. But what happens when LBR Layne seems to be getting closer? This is way more than a matter of life or death, it's a matter of in or out! Kristen Gregory: Always been a star on the

soccer field, but her style gets majorly cramped when her friends are forced to join the team. They better start kicking those soccer balls or Kristen's going to start kicking some . . . ! Alicia Rivera: Uses her skills as a gossip reporter to scheme her way into the rooms of all the Briarwood hotties! Dylan Marvil: Heard depression makes people lose weight. Is hoping for some sad news soon because she's popping donut holes the way some people pop Tic-Tacs. Claire Lyons: Being famous isn't all it's cracked up to be! Her agent confiscates her gummies, and forces her to do some very bad things to make her more "edgy." Worst of all, her constant meetings with lawyers and movie execs are eating into her time with the P.C. and with Cam! Is being a Hollywood starlet worth the Gucci-high price tag?

Gritch the witch flies to Old MacDonald's farm for some pigs to make a piggie pie, but when she arrives she can't find a single porker.

Samantha thinks being a princess is not so fun if she has to eat broccoli, go to bed early, and brush her teeth. But this little princess will discover that the chores she's

tired of aren't exclusive to a princess. This book is made to encourage children to read by themselves. Through repetition, simple words, and illustrations that support the text, this book offers a valuable lesson not only for princesses. (Age recommended 2-8)

The new face of big evil is a little . . . small. Dastardly deeds aren't exactly the first things that come to mind when one hears the name "Clementine," but as the sole heir of the infamous Dark Lord Elithor, twelve-year-old Clementine Morcerous has been groomed since birth to be the best (worst?) Evil Overlord she can be. But everything changes the day her father is cursed by a mysterious rival. Now, Clementine must not only search for a way to break the curse, but also take on the full responsibilities of the Dark Lord. But when it's time for her to perform dastardly deeds against the townspeople—including her brand-new friends—she begins to question her father's code of good and evil. What if the Dark Lord Clementine doesn't

want to be a dark lord after all?

A collection of wise and witty quotes from and inspired by Jim Henson similar in format to *The World According to Mister Rogers*. "When I was young, it was my ambition to be one of the people who made a difference in this world. My hope is to leave the world a little better for my having been there. It's a wonderful life and I love it." -Jim Henson "Yeah, well, I've got a dream too. But it's about singing and dancing and making people happy. That's the kind of dream that gets better the more people you share it with. And, well, I've found a whole bunch of friends who have the same dream. And, it kind of makes us like a family." -Kermit the Frog, *The Muppet Movie*

After dying from a strange terminal illness, Ling Lan was reborn into a world 10000 years into the future. Although she dearly wished she could just live a peaceful and uneventful life in her new healthy body, fate had other plans ... Forced to disguise herself as a boy just so she could inherit her deceased father's premium military

benefits, Ling Lan's journey to adulthood was full of challenges. After much difficulty, she finally turned sixteen when she could drop the charade. But before she could grasp her newfound freedom to get married and start her own family, a twist of fate results in her being thrown into the Federation's top military boys' school. With these twists of fate, Ling Lan had little choice but to walk further and further down a path of no return, one of cold and aloof dominance ...

Now that they're in seventh grade, Mikey and Margalo decide it's time to be popular—or at least, time to be less unpopular. The trouble is, typical, normal kids are what work in junior high, and if there's one thing Mikey and Margalo aren't, it's typical and normal. Mikey's first attempt to crack seventh grade society ends, predictably, in disaster, but, undaunted, the friends persevere. They've got the will, they've got the smarts, and most importantly, they've got each other. What chance does junior high have against the Bad Girls?
