JAIIB and DB&F (Diploma in Banking & Finance) Examination is conducted by Indian Institute of Banking and Finance (IIBF) in May and November every year. 'Legal & Regulatory Aspects of Banking', is the 3rd paper of the JAIIB/DB&F Examination. This Book has been written keeping in mind the requirements of the new entrants to banking and their preparation for JAIIB. Exhaustive material has been provided in the book which will help the readers in grasping in depth knowledge of various Legal and Regulatory Aspects in Banking. The book is based on the latest JAIIB syllabus. It is an updated comprehensive textbook with objective questions. It contains latest changes in banking and financial sectors up to January 2019. It contains 20 objective questions at the end of each chapter for testing the readers' preparation. Two mock tests for self-assessment of preparation are also given in the end of the book. It is a very useful book for daytoday banking operations and all knowledge based examinations in banking. It is believed this book will be beneficial to all the new entrants in banking.

A Corporate Professional is required to equip himself with regard to corporate compliances on day- to-day basis. There are number of compliances which are required to be complied with depending on the event , whether it is incorporation / conversion / change , etc., not only from Company Law point of view but also from SEBI Regulations point of view (in case of a listed company). To assist the professional in this endeavour, this book is yet another attempt to provide all related procedures at one place along with the resolutions to make it handy and easy to use. The Book has been divided into two parts. Division-I contains Company Law Procedures of more than 115 events. Each procedure has been divided into following heads: - Applicable Section of the Companies Act, 2013 - Applicable Company Rule - Applicable Regulation in case of listed company - SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Synopsis (giving background of the section of the Companies Act, 2013) - Procedure (step by step, including various Government approvals and filing of Forms, etc.) - Compliance by a listed company in accordance with SEBI (LODR) Regulations, 2015 - Draft Board resolutions - Draft General Meeting resolutions (Special/Ordinary resolution) Division-II contains updated Company Rules as issued by the Ministry of Corporate Affairs from time to time and which are referred under various procedures of the Book.

The Basics of Public Budgeting and Financial Management brings budgetary theory and practice together, filling the void between the two that has existed in the field of budgeting and public finance. This book bridges the gap by providing the reader with applications and exercises that reinforce budgetary theory. Students are given the opportunity to learn various concepts and skills necessary to succeed in the field and the exercises provided in each chapter require application of what is learned. Specifically, students will be exposed to basic budget and finance concepts, public revenue, financial management, risk assessment, cost benefit analysis, and so on. This handbook also provides great tools that allow the user to visually display budgets and other analysis. Students will gain the solid foundation needed to begin work in a budget office. Features of this second edition include enhanced data and optional in-class assignments. For ancillary materials, please contact the author at menifieldc@missouri.edu.

Junior Associate of the Indian Institute of the Bankers (JAIIB) is an associate examination conducted by the Indian Institute of Banking and Finance (IIBF). The Indian Institute of Banking and Finance test candidates' proficiency in finance and banking through the exam. Only members of IIBF can appear in this examination. JAIIB is one of the front-running courses or exams to educate and train beginners employed in the fields of banking and finance. JAIIB is an educational course that the IIBF conducts for upgrading the skills of the employees of the banking and financial institutions. The exam is greatly desired by a great number of employees of the financial and the banking sectors.

This book is intended to be an introduction to the Indian banking and touches on almost every aspect, from the Indian financial system to contemporary issues and developments in the industry. It also covers emerging technology and expanded banking powers and markets. The topics included in this book are: the evolution of banking; the deposit function; the lending function; fund management and bank investments; specialised products and services; electronic financial services; and a summary of RBI regulations.

The Indian Financial System is a complex amalgamation of various institutions, markets, regulations and laws, analysts, transactions, claims and liabilities. This book not only thoroughly engages with these important aspects of financial system as the bedrock of the book, but also helps students, academicians and professionals to survive and thrive in today's competitive business environment. The lucid language and comprehensive approach of this book makes it invaluable both as a textbook and a reference book. This edition has been substantially revised, with incorporation of the latest amendments and changes, and important discussions on topics like financial markets and institutions, instruments, agencies and regulations in an analytical and critical manner.
