NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O’Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for her—can save her this time. Kate Archer left home years ago, swearing that she would die before she returned to Maine. As plans go, it was a pretty good one ¾ simple and straightforward. Not quite fast enough, though. Before she can quite manage the dying part, Kate gets notice that her grandmother is missing, leaving the carousel that is the family business untended. And in Archers Beach, that means ½ way more trouble than just a foreclosure. At the publisher's request, this title is sold without DRM (Digital Rights Management). Advanced Praise for Carousel Tides: “Carousel Tides pulls you into the chill foggy reality of peeling-paint sand-grit coastal Maine outside of tourist season and then hands you something else ¾ the hidden world lurking in shadows or under the land’s surface or just offshore, where Black Dogs hunt the night and selkies toss unpleasant truths over their shoulders before diving into the next wave. In the center of this, Kate Archer tends and guards one of the spookiest carousels this side of Ray Bradbury and wonders what has happened to her grandmother. The old woman sent her a letter, left papers deeding over the carousel and old house and the Land (meaning much more than property), and vanished, telling the spirits of the land and sea

that she expected to be back before the turning of the year. _Now March has come and gone and Kate must return from self-exile to take up powers and responsibilities she has renounced, or dying will be the least of her problems... _Sharon Lee weaves fantasy into reality so deftly that you scarcely notice when you slip across the edge. And once you’re there, the story’s own magic won’t let you turn back from the strong characters, deep mysteries, and even deeper danger.Ó ¾James A. Hetley, author of Dragon’s Eye, Dragon’s Teeth, and Dragon’s Bones * * * _Proof that contemporary fantasy is alive and well and living beyond the big city limits ¾ Carousel Tides is a worthy inheritor to Charles DeLint’s Newford series, and magical in its own right. Delightful.Ó ¾ Laura Anne Gilman, author of Hard Magic * * * _Sharon Lee is one of my all-time favorite authors, a gifted storyteller whose work never fails to enchant. With Carousel Tides she gives her fans another opportunity to spend time with fascinating characters, bringing them to life in a place that becomes so real you can smell the salt air around you. Her fine hand with detail never lets the suspense falter, as mystery, folklore, and magic are artfully interwoven into a thoroughly engaging tale. Carousel Tides will leave you eagerly awaiting the next novel by this master.Ó ¾Jan Burke, author of The Messenger, Bones, and Bloodlines * * * _Sharon Lee’s finely observed detail evokes magic in Maine and gives conviction to six alternate, richly-inhabited universes.Ó ¾ Rob Weisbrot, author of Xena: Warrior Princess and Hercules, the Legendary Journeys: The Official Companion * * * _Carousel Tides is a gripping, enthralling read that I didn’t want to put down for any reason. From its beautifully detailed small-town Maine setting to a cosmology that manages to be unique and familiar at the same time, this book demonstrates the best of what urban fantasy can be. It’s rare that I find a book I can recommend without any reservations; Carousel Tides is one of those books.Ó ¾ Seanan McGuire, author of Rosemary and Rue, A Local Habitation, and An Artificial Night

It’s engaging, hilarious, amazing and Dani is going to be one heck of a woman.”—USA Today “A gripping story that combines excellent storytelling with believable characters that are rendered both superhuman and superbly human, with emotional fragility and psychological vulnerability in an unstable world fraught with danger . . . Fast-paced, with nonstop action set in a fascinating urban fantasy world of Dublin under siege, this is a smart, bold and textured success.”—Kirkus Reviews “Moning is a master storyteller. I don’t know how she does it, but she begs me to get on my knees and pay worship to the woman who has brought me the best, most labyrinthine stories and characters I’ve ever had the privilege to get to know. She weaves brilliantly, unapologetically, and without exception, and she has threaded the needle into me and I’ve been pulled, over and over, into her tapestry, and I don’t think I’m ever getting out. *Iced* is no exception.”—The Bawdy Book Blog (five-starred review)

A rerelease of the best-selling Fever series author’s previously out-of-print novella follows the story of aspiring romance novelist Jane Sillee, who after years of dreaming of passionate trysts with a handsome Highlander finds herself transported into the past world of a man haunted by years of imprisonment by the dark fae.

He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir. No woman could refuse his touch, but no woman ever stirred his heart—until a vengeful fairy tumbled Adrienne de Simone

out of modern-day Seattle and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm’s length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect “no” on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne’s reservations were no match for Hawk’s determination to keep her by his side. . . . The USA Today bestselling author tempts success in this stunning debut novel. National bestselling author Eileen Wilks draws readers into a bold new world where the magical and mundane co-exist in an uneasy alliance—and a cop balanced on her own knife-edged struggle is their only hope against a cold-blooded killer.

MacKayla Lane’s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she’s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac’s cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister’s killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister’s death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac’s true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . .
