Kosher Lust Love Is Not The Answer is available in our digital library an online access to it is set as public so you can get it instantly. Our books collection saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Kosher Lust Love Is Not The Answer is universally compatible with any devices to read

### F8EXTN - NEIL BLACK

Rabbi Shmuley Boteach offers married couples practical solutions and strategies to help them overcome issues that threaten their relationship, including grief, adultery, parenting, self-worth, and adversarial children.

33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), *The Know-It-All* chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the Encyclopaedia Britannica from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the Encyclopaedia Britannica. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, *The Know-It-All* recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at *Esquire*. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on *Jeopardy!*, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. *The Know-It-All* is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

A recent string of popular-level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully, a murderer, and a cosmic child abuser. This viewpoint is even making inroads into the church. How are Christians to respond to such accusations? And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments? In this timely and readable book, apologist Paul Copan takes on some of the most vexing accusations of our time, including: God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics, he also shows how to read both the Old and New Testaments faithfully, seeing an unchanging, righteous, and loving God in both.

*Love's Work* is at once a memoir and a work of philosophy. Written by the English philosopher Gillian Rose as she was dying of cancer, it is a book about both the fallibility and the endurance of love, love that becomes real and lasting through an ongoing reck-

oning with its own limitations. Rose looks back on her childhood, the complications of her parents' divorce and her dyslexia, and her deep and divided feelings about what it means to be Jewish. She tells the stories of several friends also laboring under the sentence of death. From the sometimes conflicting vantage points of her own and her friends' tales, she seeks to work out (seeks, because the work can never be complete—to be alive means to be incomplete) a distinctive outlook on life, one that will do justice to our yearning both for autonomy and for connection to others. With droll self-knowledge ("I am highly qualified in unhappy love affairs," Rose writes, "My earliest unhappy love affair was with Roy Rogers") and with unsettling wisdom ("To live, to love, is to be failed"), Rose has written a beautiful, tender, tough, and intricately wrought survival kit packed with necessary but unanswerable questions.

The last thing zaftig middle-aged journalist, Rhoda Ginsburg, expects when she signs up for JDate is to fall for a vampire. But when she meets drop-dead gorgeous Sheldon, a Hasidic vampire, she falls hard. She rationalizes that he may not be alive, but at least he's Jewish. Desperate to save the life of her terminally ill mother, Rhoda comes up with the crackpot idea of getting Sheldon to turn her and her little old Jewish lady friends into vampires. Who knew that they would "go rogue" and start preying on the young? Erica Manfred's wry humor is the perfect match for the sexy-vampire genre in this novel about the emotional intricacies of dating a hot Jewish guy who is a card-carrying member of the undead. Delicious!" -Nancy Peske, coauthor of the bestselling Cinematherapy series "Bloodaholics! Only Erica could think of this. Clever, clever, clever." -Avigayil Lansmann, contributor to *The Meta Arts Magazine*. With wild irreverent humor this book turns upside down and sideways all the vampire clichés and stock images. Jewish vampires keeping kosher, old lady vampires on the prowl. Above all, it's fun! -Rachel Pollack, author of *World Fantasy Award winner Godmother Night* [www.interviewwithajewishvampire.com](http://www.interviewwithajewishvampire.com)

Explicit short fiction exploring the intersection of Jewish identity and gay sexuality. From a tale of an ex-porn actor who lives across from a yeshiva, the creation of a golem, a visit to the Holocaust Museum, to cruising in Tel Aviv, these stories run the gamut of both Jewish and gay subcultures. These tales of love and lust--often poignant, but with a dash of chutzpah and camp--will enlighten, delight, arouse, and inspire the reader, while pushing the limits.

Offers advice for achieving lasting erotic passion in marriage by bringing the principles of adultery into the marital relationship without being unfaithful.

In *Kosher Sex*, Rabbi Boteach pioneers a revolutionary approach to sex, marriage, and personal relationships, drawing on traditional Jewish wisdom. Using his experiences counseling individuals and couples, the author breaks down sexual taboos and openly, yet respectfully, discusses the meanings, emotions, and the hid-

den power of sex. With his unique anecdotal style, Rabbi Boteach illustrates each and every point, using real couples who have discovered the joys of "kosher sex"--sex based on love, trust, and real intimacy. He profiles the two most common types of couples--best friends and passionate lovers--and suggests ways of synthesizing the best that each type has to offer. Rabbi Boteach also has advice for singles on finding the right partner; for individuals either willing to take their long-term relationship to the next level or unsure about doing so; and for married couples who may be experiencing problems in their sex life. At a time when three out of every five marriages fail, *Kosher Sex* will have an astonishing and positive impact. With a no-holds-barred conversational style and keen insight, Rabbi Boteach breaks all the taboos and pioneers a new approach to sex, marriage, and personal relationships. He not only brings traditional Jewish wisdom into the twentieth century but makes it relevant to everyone searching for a deeper, more meaningful, and more satisfying love life. --> From the Trade Paperback edition.

"Rabbi Shmuley penetrates the veil shrouding American sexuality to highlight that eroticism is the thrilling desire to comprehend the mystery of life and attach ourselves to the source of all being." —Mehmet Oz, M.D., author of *YOU: The Owner's Manual* The New York Times bestselling author of *Kosher Sex* and popular radio host on *Oprah & Friends*, Shmuley Boteach delivers a much needed guide for injecting passion and energy into both our relationships and our everyday lives. In *The Kosher Sutra*, the author whom *Newsweek* magazine calls, "the most famous rabbi in America," and *Salon.com* praises for having "his scholarly finger on the pulse of the nation" offers "Eight Sacred Secrets for Reigniting Desire and Restoring Passion for Life," combining tantric and Kabbalah wisdom with modern psychological insights and common sense.

An unlikely pair of voices-the world's most recognizable beauty icon and "America's rabbi"-comes together to diagnose how meaningful, passionate sex is on the decline in Western culture, and what is necessary to save it. Sex is dying in America. Inundated with sex and starved for it, obsessed with it yet clueless about it, we are slowly forgetting how to make love. The crisis of modern sexuality is seen in high divorce rates, in the degradation of sexuality through pornography, and tasteless displays of empty, counterfeit erotica. Most of all, it's seen in sexless marriages and platonic relationships where cybersex has become more addictive than the real thing. Sex has become so trivialized, coarsened, and vulgarized that couples no longer feel its pull. The once powerful and irresistible magnetism of sex is being diluted and drained. The authors propose replacing the 1960s' sexual revolution with a new sensual revolution, a rediscovery of intimacy that encourages and ennobles human relationships, elevates healthy lust, and gets us from looking up from the glowing screens of our smartphones to the people around us, most especially the people we love the most. *Lust for Love* embraces the idea that what our most important relationships need most is lust. It is necessary to rediscover what's sexy again, how to bring back romance, and to understand that in addition to love, we need lust to repair our unfulfilling sex lives and broken relationships. *Lust for Love* proposes a return to what lovemaking was always meant to be: a desire to know and experience another person in the deepest possible way.

A book the whole Church needs to read! A challenge to conventional Christian ideas! Clear thinking about neglected questions such as: How are both the Jews and the Church God's people? Is there a difference between Jew and Gentile in the body of the Messiah? Will God fulfill all of his promises to the Jews? Does the Law of Moses remain in force today? Surprising answers to these

and other crucial questions, along with suggestions for godly action, are given in this exciting and insightful book by an Israeli Messianic Jew, a Jew who trusts Yeshua (Jesus). Book jacket.

Documents the author's quest to live one year in literal compliance with biblical rules, from being fruitful and multiplying to growing a beard and avoiding mixed-fiber clothing.

Bibliography: p.302-311.

"This book is intended for couples who wish to enrich their marital and sexual lives and maintain passion and intimacy throughout the life cycle, within the philosophy of traditional Judaism. The authors provide ideas and suggestions for a more open and fulfilling intimate connection, both emotionally and physically,"--

A leading rabbinic authority summarizes the Jewish view of marriage and explores the customs, practices, and symbols of the traditional wedding ceremony. Jewish law is also applied to such topics as premarital sex, homosexuality, and intermarriage.

Meet Eliza Bloom: she is funny without realising it, she loves watching old movies and for the past fourteen years she's been keeping some pretty big secrets. And last night her teenage daughter found something in a hidden shoebox that no-one was supposed to see and started asking questions. Questions that might just change everything in Eliza's carefully constructed world. What do you do when your secrets start taking on a life of their own? Join Eliza as she shows you how to run away with the love of your life (quite fast actually, as your family are coming after you), how to make your grandfather happy (this might involve a little bit of lying), how to let someone you love go (actually, this never gets easier) and how (now, this is a bad idea) to keep secrets from your new husband. Eliza Bloom's runaway marriage has become the stuff of family legend, but legends have a habit of catching up with you in very unexpected ways... An uplifting and heartbreaking novel about finding yourself, perfect for fans of Eleanor Oliphant is Completely Fine, *The Keeper of Lost Things* and *The Storied Life of A.J. Fikry*.

One of the world's most respected voices on erotic intelligence, Esther Perel offers a bold, provocative new take on intimacy and sex. *Mating in Captivity* invites us to explore the paradoxical union of domesticity and sexual desire, and explains what it takes to bring lust home. Drawing on more than twenty years of experience as a couples therapist, Perel examines the complexities of sustaining desire. Through case studies and lively discussion, Perel demonstrates how more exciting, playful, and even poetic sex is possible in long-term relationships. Wise, witty, and as revelatory as it is straightforward, *Mating in Captivity* is a sensational book that will transform the way you live and love.

While accompanying eight high-spirited Jewish delegates to Dharamsala, India, for a historic Buddhist-Jewish dialogue with the Dalai Lama, poet Rodger Kamenetz comes to understand the convergence of Buddhist and Jewish thought. Along the way he encounters Ram Dass and Richard Gere, and dialogues with leading rabbis and Jewish thinkers, including Zalman Schacter, Yitz and Blue Greenberg, and a host of religious and disaffected Jews and Jewish Buddhists. This amazing journey through Tibetan Buddhism and Judaism leads Kamenetz to a renewed appreciation of his living Jewish roots.

"This book concerns a cohort of ultra-orthodox Jews based in the greater New York area who, while retaining membership and close familial and other ties with their strictly observant communities, seek out secular knowledge about the world on the down low (so to speak), both online and via in-person encounters. Ayala Fader conducted her ethnographic research in these rarified social circles for years, developing relationships of trust with the mostly young married men and women who have taken to clandestine methods to find alternative social spaces in which to ques-

tion what it means to be ethical and what a life of self-fulfillment looks like. Fader's book reveals the stresses and strains that such "double-lifers" experience, including the difficulty these life choices inject into relationships with wives, husbands, and one's children. Not all of these "double-lifers" become atheists. Fader's interlocutors can be placed on a broad spectrum ranging from religiously observant but open-minded at one end to atheism on the other. The rabbinical leadership of these ultra-orthodox communities are well aware of this phenomenon and of how unfiltered internet access makes such alternative forms of seeking an ever-present temptation. (Some ultra-orthodox rabbis have been sounding the alarm for years, claiming that the internet represents more of a threat to community survival today than the Holocaust did in the last century.) Fader's book examines the institutional responses of ultra-orthodox communities to the double-lifers. These include what is typically referred to as a Torah-based type of "religious therapy" conducted by trained members of these communities who as therapists and "life coaches" blend elements of modern psychiatry with ultra-orthodoxy and "treat" troubling, potentially life-altering doubt and skepticism as symptoms of underlying emotional pathology"--

Based on the Book of Genesis, Dinah shares her perspective on religious practices and sexual politics.

*Illuminating Counsel: How the Least Holy Books of the Hebrew Bible Explore Life's Most Important Issues* is a study of eleven books of the Hebrew Bible, known collectively as the Ketuvim, or "Writings." Judaism considers these books to be less holy than the other books of the Hebrew Bible. Most people don't even know the Jewish order of the books of the Hebrew Bible is different than the Christian order. Many people seem to think the Hebrew Bible is antiquated and has little relevance to modern life. Even Christians, who value the Hebrew Bible as "Holy Scripture," tend to favor the New Testament. Herein it is argued that the least holy books of the Hebrew Bible are life-changing pieces of literature. Their poetry and prose cover virtually every emotion, every behavior, and every aspect of the human condition. They are as relevant to the committed nonreligious as they are to the religious. So, if you want to plunge the depths of literary sublimity; if you want to explore what it means to be human, to struggle with your mortality, to go through death's dark valley and come out on the other side, to confront your pain and in so doing find healing, then I invite you to read on and discover how the Hebrew Bible illuminates counsel.

While working on what he hopes will be the world's first sentient computer, Neill Bassett tries to deal with unresolved feelings for his ex-wife as well as an intended one-night stand who is turning into much more. 75,000 first printing.

A collection of food-focused folktales from the Israel Folktale Archives.

National Book Award Finalist A clear-sighted revelation, a deep penetration into the world of Scientology by the Pulitzer Prize-winning author of *The Looming Tower*, the now-classic study of al-Qaeda's 9/11 attack. Based on more than two hundred personal interviews with current and former Scientologists—both famous and less well known—and years of archival research, Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology. At the book's center, two men whom Wright brings vividly to life, showing how they have made Scientology what it is today: The darkly brilliant science-fiction writer L. Ron Hubbard, whose restless, expansive mind invented a new religion. And his successor, David Miscavige—tough and driven, with the unenviable task of preserving the church after the death of Hubbard. We learn about Scientology's complicated cosmology and special language. We see the

ways in which the church pursues celebrities, such as Tom Cruise and John Travolta, and how such stars are used to advance the church's goals. And we meet the young idealists who have joined the Sea Org, the church's clergy, signing up with a billion-year contract. In *Going Clear*, Wright examines what fundamentally makes a religion a religion, and whether Scientology is, in fact, deserving of this constitutional protection. Employing all his exceptional journalistic skills of observation, understanding, and shaping a story into a compelling narrative, Lawrence Wright has given us an evenhanded yet keenly incisive book that reveals the very essence of what makes Scientology the institution it is.

The groundbreaking novel that propelled its author to literary stardom: told in a continuous monologue from patient to psychoanalyst, Philip Roth's masterpiece draws us into the turbulent mind of one lust-ridden young Jewish bachelor named Alexander Portnoy. *Portnoy's Complaint* n. [after Alexander Portnoy (1933- )] A disorder in which strongly-felt ethical and altruistic impulses are perpetually warring with extreme sexual longings, often of a perverse nature. Spielvogel says: 'Acts of exhibitionism, voyeurism, fetishism, auto-eroticism and oral coitus are plentiful; as a consequence of the patient's "morality," however, neither fantasy nor act issues in genuine sexual gratification, but rather in overriding feelings of shame and the dread of retribution, particularly in the form of castration.' (Spielvogel, O. "The Puzzled Penis," *Internationale Zeitschrift für Psychoanalyse*, Vol. XXIV, p. 909.) It is believed by Spielvogel that many of the symptoms can be traced to the bonds obtaining in the mother-child relationship.

Named a Best Book of the Year by Entertainment Weekly, Vogue, Time, Esquire, BookPage, and more This darkly hilarious and "delicious new novel that ravishes with sex and food" (The Boston Globe) from the acclaimed author of *The Pisces* and *So Sad Today* is a "precise blend of desire, discomfort, spirituality, and existential ache" (BuzzFeed). Rachel is twenty-four, a lapsed Jew who has made calorie restriction her religion. By day, she maintains an illusion of existential control, through obsessive food rituals, while working as an underling at a Los Angeles talent management agency. At night, she pedals nowhere on the elliptical machine. Rachel is content to carry on subsisting—until her therapist encourages her to take a ninety-day communication detox from her mother, who raised her in the tradition of calorie counting. Rachel soon meets Miriam, a zaftig young Orthodox Jewish woman who works at her favorite frozen yogurt shop and is intent upon feeding her. Rachel is suddenly and powerfully entranced by Miriam—by her sundaes and her body, her faith and her family—and as the two grow closer, Rachel embarks on a journey marked by mirrors, mysticism, mothers, milk, and honey. "A ruthless, laugh-out-loud examination of life under the tyranny of diet culture" (Glamour) Broder tells a tale of appetites: physical hunger, sexual desire, spiritual longing, and the ways that we compartmentalize these so often interdependent instincts. *Milk Fed* is "riotously funny and perfectly profane" (Refinery 29) from "a wild, wicked mind" (Los Angeles Times).

Love is not the answer.

Against the backdrop of the Korean War, a young man faces life's unimagined chances and terrifying consequences. It is 1951 in America, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark, New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio's Winesburg College. And why is he there and not at the local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad -- mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. As the long-suffering,

desperately harassed mother tells her son, the father's fear arises from love and pride. Perhaps, but it produces too much anger in Marcus for him to endure living with his parents any longer. He leaves them and, far from Newark, in the midwestern college, has to find his way amid the customs and constrictions of another American world. *Indignation*, Philip Roth's twenty-ninth book, is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage, and error. It is a story told with all the inventive energy and wit Roth has at his command, at once a startling departure from the haunted narratives of old age and experience in his recent books and a powerful addition to his investigations of the impact of American history on the life of the vulnerable individual.

"Heartfelt, deeply moving." —Buzzfeed "Dark and thought-provoking." —Publishers Weekly "A stunning debut." —VOYA A poignant, lyrical debut novel about twins who navigate first love, their Jewish identity, and shocking results from a genetic test that determines their fate—whether they inherited their mother's Huntington's disease. Eighteen-year-old twins Adina and Tovah have little in common besides their ambitious nature. Viola prodigy Adina yearns to become a soloist—and to convince her music teacher he wants her the way she wants him. Overachiever Tovah awaits her acceptance to Johns Hopkins, the first step on her path toward med school and a career as a surgeon. But one thing could wreck their carefully planned futures: a genetic test for Huntington's, a rare degenerative disease that slowly steals control of the body and mind. It's turned their Israeli mother into a near stranger and fractured the sisters' own bond in ways they'll never admit. While Tovah finds comfort in their Jewish religion, Adina rebels against its rules. When the results come in, one twin tests negative for Huntington's. The other tests positive. These opposite outcomes push them farther apart as they wrestle with guilt, betrayal, and the unexpected thrill of first love. How can they repair their relationship, and is it even worth saving? From debut author Rachel Lynn Solomon comes a luminous, heartbreaking tale of life, death, and the fragile bond between sisters.

An acknowledged authority on the history of the Jews in modern Britain presents 16 essays, covering fields as disparate as the history of the Jewish vote in the U.K., the true story of the British Chief Rabbinate, and the uneasy tenure of Sir Jonathan Sacks in that office.

The bestselling author of "Kosher Sex" and star of TLCs "Shalom in the Home" focuses on the problems facing marriages and nuclear families, revealing a great malaise in American life and offering some heartfelt solutions.

The term 'rabbi' predominantly denotes Jewish men qualified to interpret the Torah and apply halacha, or those entrusted with the religious leadership of a Jewish community. However, the role of the rabbi has been understood differently across the Jewish world. While in Israel they control legally powerful rabbinical courts and major religious political parties, in the Jewish communities of the Diaspora this role is often limited by legal regulations of individual countries. However, the significance of past and present rabbis and their religious and political influence endures across the world. *Rabbis of Our Time* provides a comprehensive overview of the most influential rabbinical authorities of Judaism in the 20th and 21st Century. Through focussing on the most theologically influential rabbis of the contemporary era and examining their political impact, it opens a broader discussion of the relationship between Judaism and politics. It looks at the various centres of current Judaism and Jewish thinking, especially the State of Israel and the USA, as well as locating rabbis in various time periods. Through interviews and extracts from religious texts and books authored by rabbis, readers will discover more about a

range of rabbis, from those before the formation of Israel to the most famous Chief Rabbis of Israel, as well as those who did not reach the highest state religious functions, but influenced the relation between Judaism and Israel by other means. The rabbis selected represent all major contemporary streams of Judaism, from ultra-Orthodox/Haredi to Reform and Liberal currents, and together create a broader picture of the scope of contemporary Jewish thinking in a theological and political context. An extensive and detailed source of information on the varieties of Jewish thinking influencing contemporary Judaism and the modern State of Israel, this book is of interest to students and scholars of Jewish Studies, as well as Religion and Politics.

Clifford and Joyce Penner, clinical therapist and nurse have written a sensitive and forthright guide to understanding sexuality and how it fits into God's design for marriage. This revised and updated version features a new introduction, new illustrations, a section on addictions and the Internet, and a timely discussion on sexually transmitted diseases and their consequences. With the latest information on sexuality and intimacy, this best-selling book is ideal whether you are newlyweds or have been married for many years. Chapters include: The Physical Dimension The Total Experience Moving Past Sexual Barriers Resolving Difficulties Finding Help

Entertainment columnist Yves Santiago unapologetically lives her life as carelessly as a man. Her day job keeps her flush in men, with few regrets and even fewer mistakes. By night, she details her exploits on her anonymous sex blog, *Lust Diaries*. Yves leads a happy, delightfully filthy life. Until she meets nonfiction editor Elijah Weinstein. Moss green eyes, sun-kissed shoulders and a mouth so damn sensual that it should have a NC-17 rating, this perfectly suited and coiffed, Fifth Avenue prince is everything she never wanted yet can't resist. He methodically lays waste to the walls she's built around herself, looking to get closer to the real Yves Santiago. With the promise of a fairytale turned real, Yves must dig into the depths of her past. But once she shakes out the skeletons in her closet, will she be ready for all Elijah has to offer? In this provocative and wide-ranging book, Shmuley Boteach makes the case for *Kosher Hate*, a seemingly paradoxical idea derived from Jewish theological tradition. In this startling and original defense of hatred as a moral response to evil, Boteach challenges the liberal notion that understanding and forgiveness are the appropriate response to evil deeds, arguing that this is merely a secularized version of the misguided Christian teaching—one that many Jews have embraced—that we must "turn the other cheek" and "love our enemies." Instead, he maintains that it is Godly to hate evil and it is our duty to do everything we can to bring evildoers to justice. While forgiving petty slights is admirable, doing so with mass murder is an abomination. While loving our enemies is noble, this applies to those who steal our parking space or get our promotion at work. It does not apply to God's enemies, those who engage in genocide and whose murderous ways destroy civilized living.

Have you ever wondered about why you are here, what is the purpose of your life? From Kosher to Catholic answers these questions and more. This book is a delightful telling of Cindy's miraculous conversion to the Catholic Faith from kosher Judaism. It will answer many people's questions about the meaning of life and the role of the Catholic Church in everyone's life, no matter what their faith. To contact the author, email her at [KosherToCatholic@yahoo.com](mailto:KosherToCatholic@yahoo.com). view a recent video of her talk here <https://youtu.be/vya7ReX7AHI>.

With truly startling statistics and a wealth of anecdotes, Silbiger reveals the cultural principles that form the bedrock of Jewish success in America.
