One of New York Times' Twelve Books for Feminist Boys and Girls! This is the story of a woman who dared to dive, defy, discover, and inspire. This is the story of Shark Lady. One of the best science picture books for children, Shark Lady is a must for both teachers and parents alike! An Amazon Best Book of the Month Named a Best Children's Book of 2017 by Parents magazine Eugenie Clark fell in love with sharks from the first moment she saw them at the aquarium. She couldn't imagine anything more exciting than studying these graceful creatures. But Eugenie quickly discovered that many people believed sharks to be ugly and scary—and

they didn't think women should be scientists. Determined to prove them wrong, Eugenie devoted her life to learning about sharks. After earning several college degrees and making countless discoveries, Eugenie wrote herself into the history of science, earning the nickname "Shark Lady." Through her accomplishments, she taught the world that sharks were to be admired rather than feared and that women can do anything they set their minds to. An inspiring story by critically acclaimed zoologist Jess Keating about finding the strength to discover truths that others aren't daring enough to see. Includes a timeline of Eugenie's life and many fin-tastic shark facts! The perfect choice for parents looking for: Books about sharks Inspir-

ing nonfiction narrative books Role model books for girls and boys Kids STEM books The Confident Teacher offers a practical, step-by-step guide to developing the habits, characteristics and pedagogy that will enable you to do the best job possible. It unveils the tacit knowledge of great teachers and combines it with respected research and popular psychology. Covering topics such as organisation, using your body language effectively, combatting stress, managing student behaviour, questioning and feedback, and developing confident students, it shows how you can build the confidence and skill to flourish in the classroom. This book will be an essential resource for all qualified and trainee teachers wanting to reach their full poten-

tial in this challenging but rewarding profession.

Get Going With Creative Writing is a new, up to date, action packed series of five study books, that encourage children to write. They are aimed at children between the ages of 7 and 11, who have acquired some degree of reading fluency. They provide excellent writing practice for those children preparing to take 11+ examinations or S.A.T.S, but will also benefit other children with special needs, or where English is a second language. These books have a lively magazine type format: featuring short stories to read and a variety of up to date non-fiction texts that will impact young readers and provide starting points for writing. Follow up activities will inspire even the most reluctant writers to write stories, poems, play scripts, diaries, reports, persuasive leaflets, letters and more. More than this, the child will learn writing techniques including: simple, compound and complex sentences - connectives - grammar tips - harder vocabulary and punctuation from our guinea pig guide. The books are suitable for use by teachers in the classroom or parents at home. The themed books can be used in

any order, though the subject matter of 'About Me' and 'All About Animals' may appeal to younger children, who start working through the series. The themed books have been written by a teacher or tutor, have been trialled by the children she teaches and comply with the National Curriculum. This is the first book in this excellent series from Guinea Pig Education. Designed to be used by children in their first six months of school PM Starters One and Two

Information Writing is the essential guide for all students wanting to develop their literacy skills and improve their grades in English assignments and examinations. It is the third in the 'Teach Your Child to Write Good English series. Information Writing has been written by an experienced teacher and tutor with the needs of children in mind. This book concentrates specifically on information writing required by the National Curriculum, providing everything needed to stimulate a child to write. It is specifically targeted at Key Stage 2 and 3 (ages 8-14 years). However, it provides a useful aid for students taking GCSE at foundation level. It contains material suitable

for SATS examinations, for those taking 11+ entrance examinations and for students learning English as a foreign language. Information Writing will guide students through all aspects of information writing, as if they had a tutor by their side. Information Writing teaches your child to recognize the difference between facts and opinions. It concentrates on different aspects of information writing including writing to advise, writing to inform, writing to explain, writing to analyse, review and comment, giving examples. It teaches the child how a newspaper article is structured, how to write formal and informal letters, diaries, police reports, e-mails, biographies, autobiographies, interviews, book reviews and many more. This book is designed as a starting point for writing, helping the child to form ideas, enabling him or her to structure their work and organize it into paragraphs. Attention is given to making writing more interesting by varying sentence types, using punctuation and good grammar. Information Writing includes an exciting range of model answers and sample texts written by children and provides practice questions to test them. Common errors made by students are highlighted

and corrected. It is packed with vital hints and tips on gaining those top grades. Information Writing is ideal for working through at home or as a resource in the classroom. By working methodically through this book the students will grow in confidence and will learn to enjoy writing. This is the third book in this excellent series from Guinea Pig Education.

From Onjali Q. Rauf, the award-winning and best-selling author of The Boy at the Back of the Class, comes another incredible story, told with humour and heart. 'The

boy's an absolute menace.' 'He's a bully. A lost cause!' 'Why can't he be more like his sister?' 'I've been getting into trouble for as long I can remember. Usually I don't mind 'cos some of my best, most brilliant ideas have come from sitting in detention. But recently it feels like no one believes me about anything - even when I'm telling the truth! And it's only gotten worse since I played a prank on the old man who lives in the park. Everyone thinks I'm just a bully. They don't believe I could be a hero. But I'm going to prove them all wrong... Told from the perspective of a bully, this book explores themes of bullying and homelessness, while celebrating kindness, friendship and the potential everyone has to change for the good.

After exploring his ocean home and seeing many different types of sea life, a young fish named Adri talks to his parents and learns that differences make the world colourful and beautiful.

HERE ARE OVER SEVENTY GAMES TO HELP YOUR CHILD LEARN TO READ--AND LOVE IT. Peggy Kaye's Games for Reading helps children read by doing just what kids like best: playing games. There is a "bingo"

game that helps children learn vocabulary. There is a rhyming game that helps them hear letter sounds more accurately. There are mazes and puzzles, games that train the eye to see patterns of letters, games that train the ear so a child can sound out words, games that awaken a child's imagination and creativity, and games that provide the right spark to fire a child's enthusiasm for reading. There are games in which your child has to act silly and games--sure to be any child's favorite--in which you do. Easy to follow and easy to play, these games are ideal for busy, working parents. You can read a game in a few minutes and start to play right away. You can play on car trips, while doing the laundry, or while cooking. These games are so much fun for the whole family that you may forget their serious purpose. But they will help all beginning readers--those who have reading problems and those who do not--learn to read and want to read. Games for Reading also includes a list of easy-to-read books and books for reading aloud, and a "Note to Teachers" on how to play these games in their classrooms.

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the

genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Little Fish has all sorts of fishy friends in his underwater home, but loves one of them most of all.

A tale in haiku of one adorable dog. Let's find him a home. Wandering through the neighborhood in the early-morning hours, a stray pooch follows his nose to a back-porch door. After a bath and some table scraps from Mom, the dog meets three lovable kids. It's all wags and wiggles until Dad has to decide if this stray pup can become the new family pet. Has Mooch finally found a home? Told entirely in haiku by master storyteller Andrew Clements, this delightful book is a clever fusion of poetry and puppy dog.

Five days, five tasks, no technology. How will Holly survive in the woods? Holly's second 'dventure' is a screen-free challenge - Mum has packed her and Dad off to a log cabin in Fir Forest for five days with NO technology. There are other people camping in the woods, though - Zeb

and his show-off dad who are camping 'properly' in tents and fishing for their dinner. Holly's dad is treating her like a baby and being more embarrassing than ever, but Zeb and Holly soon hit it off and enjoy exploring the forest together. A few days in Zeb's dad goes missing, and they discover there is a bear on the loose from the local safari park. It's up to Holly and her new friend to work together, save the day and prove themselves to their fathers - all without their phones or any tech gadgets! The second story in the 'Dadventure' series, a perfect family story or read-alone for fans of David Baddiel and THE 13-STOREY TREE-HOUSE.

This charming story presents a new way for young children to understand how to creatively embrace who they are, no matter what others think. Carla's lunch box is filled with odd delights like the Olive, Pickle and Green Bean Sandwich, the Banana-Cottage-Cheese Delight, and the unforgettable Chopped Liver, Potato Chips, and Cucumber Combo. To Carla, they are delicious and creative lunches, but her teasing classmates are unconvinced and abandon her at the lunch table to eat her bizarre sandwiches alone. One day, however, ta-

bles turn when Buster—the worst tease of all—forgets his lunch on the day of the picnic and Carla thoughtfully offers him her extra sandwich. Her own spirited nature helps Carla teach her classmates that "unusual" can actually be good. Lively illustrations help showcase the book's messages of acceptance, tolerance, individuality, and creativity, and the funny plot and authentic dialogue are sure to make this tale a favorite among elementary school children. Carla's creative sandwich solutions provide young chefs-to-be with the inspiration to create sandwich masterpieces of their own.

"Adri promises to remember his parents' words of wisdom about how to live his life, such as "Find your own way. You don't have to follow the crowd" and "Make wishes on the stars in the nighttime sky."

Pinocchio, The Tale of a Puppet follows the

adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.
