Learning Irish is the standard introductory course to the Irish language. The product of many years of original and scholarly research as well as much teaching experience, this book and the four accompanying audio CDs serve a double function: they provide a sound approach to the ordinary language learner and at the same time furnish the professional linguist with an authentic description of the spoken language.

James Lowe's excellent Ireland introduction has put Kiwi wing into Lions contention James Lowe will have tougher games for Ireland, but Warren Gatland will have taken note of a fine Test debut
