Newbery Medal Winner * Teachers' Top 100 Books for Children * ALA Notable Children's Book Beverly Cleary's timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh's life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. Mouse series comes an epistolary novel about how to navigate and heal from life's growing pains.

Level Up: A Guide to Cleansing Your Mind, Body, and Soul is a book designed to provide step by step guidance to living life to your fullest potential physically, mentally, and spiritually. Level

Up will help readers to detox their mind, body, and soul. The author leads the reader through a journey to overall holistic health by closely examining the benefits of plant-based nutrition, the power of thought, and meditation in an effort to help the reader achieve new levels of health, wellness, and consciousness.

Reach your peak psychological potential with these 120 activities that challenge and build emotional strength, flexibility, and resiliency so you can overcome any obstacle. From mild-mannered monk to lethal swordsman! A wild LitRPG quest to help a lost love defeat the God of the Flying Tooth Gar-

den! Torstag doesn't just see dead people, he is dead people: dead heroes. And they whisper to him, sharing skills, nudging him into dangerous deeds... and also binding him to the sorceress Zahna. Escaping the living death of a monastic prison, Torstag plunges into Zahna's life and death struggle with a particularly creepy Dark Lord. Now there are bounty hunters and minions to defeat, insanely dangerous dungeons to delve, new cultures to negotiate, and Torstag badly needs to level up. How much should he let the dead tell him what to do? A LitRPG read from *Level Up*. The armies of the Commonwealth, the Empire and the neutral factions, all the leading players and clans of the preventers, have been summoned under the banners of Nergal the Radiant to the sands of the deadly Lakharian Desert, to wage war against a most terrible enemy of all life itself - Scyth. His supporters include not only mindless wild races, but also nightmarish monsters: the zombie guitarist Infect, the death mage Crawler and one undead warrior by the name of Bomber.

Welcome to Stately Academy, a school which is just crawling with mysteries to be solved! The founder of the school left many clues and puzzles to challenge his enterprising students. Using their wits and their growing prowess with coding, Hopper and her friend Eni are going to solve the mystery of Stately Academy no matter what it takes! From graphic novel superstar (and high school computer programming teacher) Gene Luen Yang comes *Secret Coders*, a wildly entertaining new series that combines logic puzzles and basic programming instruction with a page-turning mystery plot!

"A very good book. My life stopped for five hours!" - Vasily Mahanenko "Hugely motivating! A fast-paced, easy read which was

worth the sleepless night. On to Book Two!" - Alexey Osadchuk "A Real-LitRPG author faces the challenging task of walking the tightrope, doing a balancing act between the drab normalcy of everyday routine and the hero's larger-than-life adventures which might prove too improbable to convince the skeptical reader. In this book, however, Sugralinov has successfully pulled off both!" - Michael Atamanov At thirty years old, Phil is an unemployed gamer who struggles to make ends meet. His only source of income is freelance writing (when he feels inspired enough to add another article to his less-than-popular blog). His wife has just walked out on him, leaving him without money, purpose, or food in the fridge. On the day his wife dumps him, Phil receives a mysterious piece of wetware. A game interface seems to have been implanted in his brain which allows him to see the world through the eyes of an RPG player. Now that Phil discovers his real-life stats, he can see they're far below average. With 4 pt. Agility, 6 pt. Strength and 3 pt. Stamina, his most advanced life skill is predictably gaming. Luckily, real-life stats can be leveled up just like virtual ones. But will it help Phil get his wife back? Can he stop being such a couch potato? Would the new game help him become fitter? Or more successful? Can his gaming skills finally come in handy in real life? Last but not least, can he find out who could have uploaded the mysterious game to his brain? And how is he supposed to deal with this unknown but apparently omnipotent force?

For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction.

Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. The first book in Cathy Yardley's *Fandom Hearts* series, *Level Up*, now with a bonus epilogue and an exclusive sneak peek at the next book in the series, *One True Pairing!* Geeky introvert Tessa Rodriguez will do whatever it takes to get promoted to video

game engineer- including create a fandom-based video game in just three weeks. The only problem is, she can't do it alone. Now, she needs to strong-arm, cajole, and otherwise socialize with her video game coworkers, especially her roommate, Adam, who's always been strictly business with her. The more they work together, though, the closer they get... Adam London has always thought of his roomie Tessa as "one of the guys" until he agreed to help her with this crazy project. Now, he's thinking of her all the time... and certainly as something more than just a roommate! But his last girlfriend broke up with him to follow her ambitions, and he knows that Tessa is obsessed with getting ahead in the video game world. Going from friends to something more is one hell of a challenge. Can Tessa and Adam level up their relationship to love?

"...blunt, fast-moving, entertaining..." - Kirkus Reviews To tear down the system He's got to level up Condemned by the media circus of a People's Republic of California court, Donny is plugged into a deadly game as entertainment for the brutalized masses. Tormented over failing his father, Donny realizes honor hangs in the balance. His family's fate lies in his hands. Donny must battle through a cutthroat digital world to free thousands of political prisoners and bring down the corrupt system. But the future's most ruthless killers stand in his way. Protect Your MSP And Be Profitable Protecting an MSP is hard work. But having an easy process to evaluate your security, be

more effective and grow your business all at the same time is indispensable to growing your MSP. Too many MSPs often focus on only a small piece of the problem (hiring a guru or shiny new tools) and miss out on the critical fundamentals keeping them and their clients vulnerable to major attacks and network breaches. In Level Up, Bruce McCully takes a deep dive into what works and doesn't work within MSP security. Having audited countless MSPs and MSP clients, Bruce has the first-hand experience to make your MSP more effective. Get the latest details on: Launching a security-centric culture Shoring up your security layers Making cybersecurity your competitive advantage The best way to invest in cybersecurity without increasing your spend How to improve your security while being more profitable

From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of Smile and Sisters! Callie loves theater. And while she would totally try out for her middle school's production of Moon over Mississippi, she can't really sing. Instead she's the set designer for the drama department's stage crew, and this year she's determined to create a set worthy of Broadway on a middle-school budget. But how can she, when she doesn't know much about carpentry, ticket sales are down, and the crew members are having trouble working together? Not to mention the onstage AND offstage drama that occurs once the actors are chosen. And when two cute brothers enter the picture, things get even crazier!

A lazy and wussy ex-gamer, Phil becomes one of the few humans who receive a mysterious alien piece of wetware which allows them to see the world through an augmented-reality interface

very similar to those used in a MMORPG game. Guided by its stats and messages, Phil begins to level up, gradually transforming himself and his life. He even opens his own business in order to help his friends and complete strangers who acquire a newfound respect for him, assisting him in his travails. As Phil continues on the road to self-improvement, guided by his own conscience rather than system messages, he tries to find out more about the mysterious third party which has bestowed such super-human abilities upon him.

Dennis, the son of Chinese immigrants, yearns to play video games like his friends and, upon his strict father's death, becomes obsessed with them but later, realizing how his father sacrificed for him, he chooses a nobler path.

In the comics boom of the 1940s, a legend was born: the Green Turtle. He solved crimes and fought injustice just like the other comics characters. But this mysterious masked crusader was hiding something more than your run-of-the-mill secret identity... The Green Turtle was the first Asian American super hero. The comic had a short run before lapsing into obscurity, but the acclaimed author of American Born Chinese, Gene Luen Yang, has finally revived this character in Shadow Hero, a new graphic novel that creates an origin story for the Green Turtle. With artwork

by Sonny Liew, this gorgeous, funny comics adventure for teens is a new spin on the long, rich tradition of American comics lore. Videogame-obsessed Flo and her best friend, Max, get more than they bargained for when they find themselves INSIDE their favourite games! Having successfully battled spaceships, Max and Flo are excited to return home. But when they wake up, they're in Max's favourite game, Blocktopia. The friends are accepted into a city, where they are protected from the dangerous monsters that attack daily. Max is in his element - creating increasingly elaborate buildings - but Flo just wants to go home. Then she uncovers a secret. A secret which might just be the key to escaping the game... Praise for LEVEL UP: 'The fast paced action and likeable characters ensure that LEVEL UP has the potential to be a 'hook book' for many young readers.' A comprehensive, physiology-based guide to peak performance for active women approaching or experiencing menopause—from the author of Roar, renowned exercise and nutrition scientist Dr. Stacy Sims For active women, menopause hits hard. Overnight,

your body doesn't feel like the one you know and love anymore—you're battling new symptoms, might be gaining weight, losing endurance and strength, and taking longer to bounce back from workouts that used to be easy. The things that have always kept you fit and healthy just seem to stop working the way they used to. But menopause doesn't have to be the end of you kicking ass at the gym, on the trail, in the saddle, or wherever you work out. Once you understand your physiology, you can work with it—not against it—to optimize your performance. That's where Stacy Sims, PhD comes in. In Next Level, you'll learn the underlying causes of menopause: the hormonal changes that are causing all the symptoms you're feeling, and their impact on your wellness and performance. Then, what you really came for—what to do about it. Inside you'll find science-backed advice about training, nutrition, sleep and recovery and supplements, as well as sample exercise routines, meal plans, macronutrient planning charts, and case studies from real women Stacy has coached through the transition. It's the ultimate guide to navigating the Next Level.

In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Level Up Your Life is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

- Create your own "Alter Ego" with real-life super powers
- Build your own Epic Quest List, broken into categories and difficulty levels
- Hack your productivity habits to start making progress
- Train your body for any adventure
- Build in rewards and accountability that will actually motivate you to succeed
- Travel the world freely (and cheaply)
- Recruit the right allies to your side and find powerful mentors for guidance

Adventure is

out there, and the world needs more heroes. Will you heed the call?

In his latest graphic novel, *Dragon Hoops*, New York Times best-selling author Gene Luen Yang turns the spotlight on his life, his family, and the high school where he teaches. Gene understands stories—comic book stories, in particular. Big action. Bigger thrills. And the hero always wins. But Gene doesn't get sports. As a kid, his friends called him "Stick" and every basketball game he played ended in pain. He lost interest in basketball long ago, but at the high school where he now teaches, it's all anyone can talk about. The men's varsity team, the Dragons, is having a phenomenal season that's been decades in the making. Each victory brings them closer to their ultimate goal: the California State Championships. Once Gene gets to know these young all-stars, he realizes that their story is just as thrilling as anything he's seen on a comic book page. He knows he has to follow this epic to its end. What he doesn't know yet is that this season is not only going to change the Dragons's lives, but his own life as well.

It's hard to believe it's almost over. After three years of living in the wildest apartment in the craziest neighborhood, the clock is ticking down. College is ending. My friends and I, known around Violent Circle as the Frat Hell Guys, have managed to make it to graduation without a major injury or arrest record. It was a close call. My career path as a video game designer is laid out clearly before me, but I have one more objective to achieve before the school year is over; show the beautiful, stubborn, infuriating woman I'm in love with that she's mine. She just doesn't know it yet. - Can be read as a standalone.

Having emerged from the sandbox into the wide world of Disgardium, Scyth and his friends find themselves under the watchful eye of the preventers. The strongest clans in the world hunt not only Scyth, but also the already discovered 'threat' Crag, a member of the Awoken clan. But this is just one of many problems; the Sleeping God has another impossible quest for them. The old enemy Big Po thirsts for vengeance, and the Nucleus of the Destroying Plague prepares to take cruel revenge against the former Herald...

Leveling up is the only foolproof success strategy. It means owning your responsibility for taking control of who you are, what you do, and what your life will become. This book is written for the men and women grinding it out every day at work and wanting so badly to be more valued and get to the next level. It's for the young professionals entering the workforce with big dreams who want to know exactly what it takes to advance in their career. It's for anyone who has wanted more out of life but just hasn't been able to make the shift to take control of their future. Many books teach you the steps you need to take to change your life. But they're missing the critical foundational action that is necessary to ensure your new habits stick--the one element that distinguishes high-achieving professionals from those still waiting for success to find them. Most people know what they should do, and yet they don't do it. The fact is that it does not matter how much you know--nothing will change for you unless you own the responsibility of leveling up. Alyson Van Hooser has discovered the crucial knowledge you must have, actions you must take, and areas of your life you must own if you want to shift the trajectory of your professional life to work in your favor. In Level Up, you'll learn the secrets to professionalization and the exact steps required to gain respect, increase opportunity, and harness the pow-

er to crush all your goals, including: How to lay down your law so you don't get off track How to get ahead by identifying and strategically adapting to what motivates individuals in different generations, from different social classes, with different life experiences How to make your emotions work for rather than against you Ways to make networking impressive instead of awkward What self-care truly means (hint: choosing YOU and your goals) And much more! Be bold. Make your own hype. And be accountable to the grind. Success and growth are often uncomfortable, but you're not going to crush your goals by sitting idle, doing the bare minimum, and following the herd. It's time to LEVEL UP.

A must-read guide for small business owners navigating a critical turning point: when you either level up or give up. It's never been easier to start a business--and it's never been harder to scale it. Half of new businesses in America don't make it past five years. Stacey Abrams and Lara Hodgson want to help today's entrepreneurs beat the odds by revealing the unseen tethers that keep small businesses from growing and thriving. Drawing on firsthand experience starting and scaling multiple companies over nearly two decades, Now® cofounders Abrams and Hodgson crystallize their hard-won advice into a single how-to, got-to guide for small business owners. In Level Up, they share intense behind-the-scenes stories of building their own businesses, as well as actionable, get-it-done principles for founders looking to propel their ventures forward. This is straight talk from the trenches on real issues like hiring, identifying a revenue strategy, recognizing when growth is a trap, and managing cash flow, from a duo that's been there. Abrams and Hodgson also elevate and share the experiences of other successful founders including, Jules Pieri

of The Grommet, Alisa Clark of Glory Professional Services, and Sheila Jordan of Knowledge Architects. New businesses started by entrepreneurs drive net new job growth. Yet, for the last four decades, startups have increasingly struggled to overcome a system of red tape and barriers to capital and commerce. As a new generation of founders launches a flurry of firms in the wake of the pandemic recession, Abrams and Hodgson offer key insights and support to help entrepreneurs break free and get to the next level.

Video game lover Josh Baxter knows that seventh grade at a new school may be his hardest challenge yet, but he's not afraid to level up and win! Josh Baxter is sick and tired of hitting the reset button. It's not easy being the new kid for the third time in two years. One mistake and now the middle school football star is out to get him. And Josh's sister keeps offering him lame advice about how to make friends, as if he needs her help finding allies! Josh knows that his best bet is to keep his head down and stay under the radar. If no one notices him, nothing can touch him, right? But when Josh's mom sees his terrible grades and takes away his video games, it's clear his strategy has failed. Josh needs a new plan, or he'll never make it to the next level, let alone the next grade. He's been playing not to lose. It's time to play to win.

In this candid, refreshing guide for young women to take with us as we run the world, Emilie Aries shows you how to own your power, know your worth, and design your career and life accordingly. Young women today face an uncertain job market, the pressure to ascend at all costs, and a fear of burning out. But the landscape is changing, and women are taking an assertive role in shap-

ing our careers and lives, while investing more and more in our community of support. *Bossed Up* teaches you how to: Break out of the "martyrdom mindset," and cultivate your Boss Identity by getting clear on what you really want for your career and life without apology; Hone the self-advocacy skills necessary for success; Understand the differences between being assertive (which is part of being a leader) and being aggressive (which is more like being a bully) - and how that clarity can transform your trajectory; Beat burnout by identifying how the warning signs may be showing up in your life and how to prioritize bringing more rest, purpose, agency, and community to your day-to-day life; Unpack the steps to cultivating something more than just confidence; a boss identity, which will establish your ability to be the boss of your life no matter what comes your way. Drawing from timely research, and with personal stories, and spotlights on a diverse group of women from the *Bossed Up* community, this book will show you how to craft a happy, healthy, and sustainable career path you'll love.

The human Race is at war with the Vicious Dalki and when they needed help more than ever, THEY started to come forward. Humans who had hidden in the shadows for hundreds of years, people with abilities. Some chose to share their knowledge to the rest of the world in hopes of winning the war, while others kept their abilities to themselves. Quinn had lost everything to the war, his home, his family and the only thing he had inherited was a crummy old book that he couldn't even open. But when the book had finally opened, Quinn was granted a system and his whole life was turned around. He completed quest after quest and became more powerful, until one day the system gave him a

quest he wasn't sure he could complete. "It is time to feed!" "You must drink human blood within 24 hours" "Your HP will continue to decrease until the task has been completed" More info, visit: <https://www.webnovel.com/>

In this radical new perspective on achieving success, marketing leader and eSports player Eric Siu outlines 15 personal power-ups that will help you unlock your passion and level up your life. You'll follow the same steps that Siu used to transform himself from academic and social failure to wildly successful marketing entrepreneur and podcaster--by applying his mindset as a competitive eSports gamer to real-life situations. Siu didn't stop playing video games; he just started gaming in his real life, setting himself quests, goals, and rewards at each level. Now, he's passing the torch to you. In *Leveling Up*, Siu challenges you to conquer the real world by accumulating 15 personal power-ups that will help you focus on your passion and develop it into a winning career. Every chapter brings insights and stories, advice from others who have succeeded, and a quest that you must undertake. Master all 15 levels, and you'll even unlock a special bonus to help you build the life of your dreams. Are you ready to test your might?

"Gripping and timely." —People "The YA debut we're most excited for this year." —Entertainment Weekly "A book that knocks you off your feet while dropping the kind of knowledge that'll keep you down for the count. Prepare to BE slain." —Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out* Ready Player One meets *The Hate U Give* in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther-inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at

Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and

SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?
