## FHDDTC - CASSIDY DARIO

Living with Herds: Human-Animal Coexistence in Mongolia  
Buy Living with Herds: Human-Animal Co-existence in Mongolia Reprint by Natasha Fijn (ISBN: 9781108431057) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

In Living with Herds, Natasha Fijn examines the process of animal domestication in a study that blends biological and social anthropology, ethology and ethnography. She examines the social behaviour of humans and animals in a contemporary Mongolian herding society. After living with Mongolian herding families, Dr Fijn has observed through firsthand experience both sides of the human-animal relationship.

After living with Mongolian herding families, Dr Fijn has observed through firsthand experience both sides of the human-animal relationship. Examining their reciprocal social behavior and communication with one another, she demonstrates how herd animals influence Mongolian herders' lives and how the animals themselves are active partners in the domestication process.
