The story of Nelson Mandela who challenged apartheid in South Africa and who went on to become the president of the country.

Fresh from the adventures chronicled in The Obedient Alice and Alice in Chains, young Alice Brown returns to Underland once more.

Some doors are better left unopened. Some doors, you don't want to find out what lies behind them. In the Forbidden Doors series by bestselling author Bill Myers, teenager Rebecca "Becka" Williams, her younger brother Scott, and her friend Ryan Riordan are swept into heart-stopping encounters with an all-too-real invisible world—a world fraught with deception and spiritual adversaries that promise goodness and enlightenment but will stop at nothing to destroy life, sanity, and human souls. Witchcraft. Reincarnation. Ouija Boards. UFOs. Shamanism. Counterfeit spiritualities are widespread and popular with spiritually searching young adults such as Becka's peers. What's the harm? Find out. Join Becka, Scott, and Ryan as they head for mind-bending clashes between the forces of darkness and the kingdom of God. Combining meticulous research, realistic settings, and masterful storytelling, the Forbidden Doors novels take you from the mountains of New Mexico to the inner workings of a secret society—and into the truth of God's Word, which exposes lies and reveals the reality of spiritual warfare. Each volume in the series contains three books that center around a particular kind of Forbidden Door. Book One: Dark Powers contains The Society, The Deceived, and The Spell; Book Two: Invisible Terror contains The Haunting, The Guardian, and The Encounter; Book Three: Deadly Loyalty contains The Curse, The Undead, and The Scream; Book Four: Ancient Forces contains The Ancients, The Wiccan, and The Cards

What is a burger? Is it merely a beef patty between two buns? Or is it something deeper, spiritual, a satisfaction of one's most carnal culinary desires, maybe even something naughty? Former San Francisco Chronicle food writer, photographer, graphic designer and Le Cordon Bleu-trained chef Mathew Ramsey takes the Foodporn movement to its unabashed pinnacle with PornBurger. Inspired by his wildly popular blog pornburger.me, with over 2,400,000 visitors and profiled in numerous online and print publications, Mathew has been building his battalion of burgermongers for the better part of this year with wild yet accessible takes on the classic burger - without ever posting a recipe.

It begins with the discovery of the largest life form in our world, and ends with a bang! Fungi, like families, can extend over vast areas and are connected in some ways we understand, and in many ways, ways we don't. The Freaky Fungal Family Tree is a short book of short-short stories that are related to organisms and beings, living or not, throughout the known and unknown universe. Each tidbit served up melts fact with fiction, melds non-fiction with farce, and mixes truth with lies. Semi-true stories tailored for an era of tweets, emojis, and conversationally abbreviated online acronyms. For conciseness and convenience, let's just label it as true-fiction. In this day and age of digital reading, with our population's ever-shrinking attention span, brevity is not only desired, it's simply de rigueur. After all, isn't it the duty of the artist to reflect on the times they live in? This collection of twelve compact chapters written with reckless references, ever shifting degrees of temperament, and multiple mentions of muddily remembered events in time, attempts to explain how you can't have the weird without the we. These are anecdotes about the author and others the author has known or thought he knew during the past sixty-five years of his life, such as; biological family members, spouses, friends, lovers, ghosts, extraterrestrial and terrestrial aliens, a few individuals only through electronic communication such as the internet and telephone, and several pets who have shared some space with him on this big ball of fun we all call planet Earth-while growing up, growing old and getting past the past. Imaginative accounts that are not only about him, they're about you as well. Fungi and human families are the threads that tie the fabric of all these tales together. In The Freaky Fungal Family Tree, there are few things that are as they appear to be. You've been duly warned. Now, from this point on-read at your own risk!

An evil presence looms over the desert community. Native American legend calls it Tahquitz. The new casino operators call it an opportunity to make

money ... Young Luke Kauffmann acquires a pair of strange goggles that gives him glimpses into dimensions around him, where dark, sinister forces exert their powers to influence—and glimmering creatures of light strive to stop them. Thanks to the help of a beautiful but quirky techie, Luke increases the power of the goggles until he is thrust even deeper into the spirit world. With their added strength and the help of others, darker secrets are soon uncovered until Luke himself is seduced by the power and pride that the goggles offer. It isn't until the final showdown at Tahquitz's very lair that Luke and his colleagues learn the deeper truths of spiritual warfare that enable them to destroy the creature's sinister hold upon the valley. Award-winning novelist Bill Myers delivers another breathtaking supernatural thriller full of unforgettable characters, unequalled imagination, and thought-provoking issues. The Seeing is Book Three in the Soul Tracker series, which also includes Soul Tracker and The Presence. Also available: unabridged audio CD edition.

Manscapes is the new fine art male nude portrait book produced by esteemed Byron Bay photographer John Bortolin.This artistic celebration of the male body features 25 of the Northern River's fittest men, photographed nude in the beautiful Byron Shire and its surrounding areas, with the lush semi-tropical hills, hidden creeks, farms, waterfalls and spectacular beaches as their natural studio backdrop.The 152 page large format book measures 297mm by 420mm in size and contains both digital and film camera images.

This volume contains seven sizzling hot short stories from erotica writer Esmeralda Greene. Previously released as ebooks, these stories are now available in paper. 1: "Office Mating" - David doesn't intend to cheat on his wife, but one day circumstances just get out of control in this sexy and comical tale of voyeurism, exhibitionism, crossed purposes and passionate, freewheeling lust. 2: "Milking Kimberly" - New mother Kimberly is horny, and she finds that her milk-filled breasts are a great help in seducing her best friend's husband Lyle. Lyle quickly learns that mother's milk isn't just for babies! 3: "Swallowing" - Donna craves that most male of bodily fluids, and her stepson Andy is happy to feed her hunger. The energetic couple enjoy each other in a host of different ways, and Donna gets many a mouthful of the thick, goeey nectar she desires. 4: "Tied to the Scene" - A bad girl gets her comeuppance. Ashley has a plan to steal from her employer with the help of her boyfriend. But to make the feigned robbery scene realistic, she has to be tied up and abused... and abused... and abused... 5: "Pregnant Interlude" - The eroticism of pregnancy is the theme here. Michelle has a big tummy, and a sex drive to match. Her husband isn't taking care of her needs, but one day it seems that everyone else is eager to service the young mother-to-be! 6: "Teacher Fantasy" - The relationship between teacher and pupil gets kinky. The three connected tales begin with sexy high school teacher Ann being caned on her bare bottom—in front of a classroom full of students! And things only get stranger and sexier... 7: "Grocery Shopping" - Another light-hearted look at marital infidelity. Grocery shopping is a boring chore for our hero, until one day he meets up with a cute, funny, and irresistibly sexy fellow shopper. Who knew that cucumbers and frozen foods were such ideal tools for seductive banter? And as for the uses that soft-spread margarine can be put to...

How to raise the perfect puppy A revolution for dogs: Very few dog trainers have not been influenced by Dr. Ian Dunbar's dog-friendly philosophy. In the 1970s, Dr. Ian Dunbar sparked a dramatic shift in puppy training — away from leash corrections and drill-sergeant adult dog training classes based on competitive obedience and toward a positive approach using toys, treats, and games as rewards for teaching basic manners, preventing behavior problems, and modifying temperament. Before Dr. Dunbar there were no classes for puppy training, very few family dog classes, and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog: Now, in Before and After Getting Your Puppy, Dr. Ian Dunbar combines his two popular puppy training manuals into one indexed, value-priced hardcover dog training book. In clear steps, with helpful photos and easy-to-follow puppy training milestones, he presents a structured yet playful and humorous plan for raising a wonderful dog. Dr. Dunbar's guide is based around six developmental milestones: Your doggy education Evaluating puppy's progress Errorless house-training and chewtoy-training Socialization with People Learning bite inhibition The world at large Fans of The Art of Raising a Puppy, Training the Best Dog Ever, or Zak George's Dog Training Revolution, will love Ian Dunbar's Before and After Getting Your Puppy.

This fast-paced, 12-week devotional embarks on a radical journey through the life of Christ. Teens develop lifelong tools for cutting to the truth; succeeding (prayer, Bible knowledge); and proclaiming Jesus.

Grooming guide with specific instructions on how to groom 160 different breeds.

Oliver and Janet notice that something is troubling their favourite uncle, and attempt to solve the mystery. The are helped by a beekeeper, who tells them wonderful stories.

"The vet handed Maggie Baxter a plastic specimen bag containing a pair of size-tiny lavender thong panties extracted from her dog; but they were not hers. Or rather, they were hers now since she'd just paid \$734 to have Dr. Carter surgically remove them from Kona's gut."This is how Maggie Baxter, a practical, rule-following accountant, discovers that her husband of seventeen years is cheating on her. All her meticulous life plans are crushed. When he leaves her for the other woman, Maggie and her the-world-is-my-smorgasbord chocolate Lab, Kona, are left to put their lives back together. As Maggie begins to develop a Plan B for her life, she decides to be more like Kona. No, she's not going to sniff crotches and eat everything that isn't

nailed down; rather she'll try to approach life with more ball-chasing abandon. Finding herself in situations where she begins to go through her usual over-analysis of the pros and cons, she stops and instead asks herself, What would Kona do? Ultimately, Maggie realizes it's never too late to start over, and this time, if she wants tail-wagging joy out of life, she's got to be ruled not just by her head but by her heart. "What the Dog Ate" is a funny, tender story of mending a broken heart and finding love and a new life right under your nose, with woman's best friend at your side. If you enjoyed Claire Cook's "Must Love Dogs," you'll love "What the Dog Ate" and be rooting for Maggie and Kona.

Helena and her boyfriend are deeply in love, but he is always out of town on business. He truly cares for her and worries about her safety when he is gone for days at a time. His concern increases with the rising number of break-ins in the area as of late. In order to keep her safe, he offers her an adult guard dog, that instantly becomes part of the family. However, the dog becomes overly friendly and, to Helena's surprise, the animal isn't only what it appears to be...

"Reading When God Happens is like receiving an intravenous dose of hope in a world parched by hopelessness. It will remind you not just to hope for miracles but to expect them."—Melanie Hemry, Guideposts magazine writer and author of fifty-four books "A powerful read."—Dimas Salaberrios, author of Street God "True stories like these require those who don't believe in angels ... to explain the unexplainable."—Cal Thomas, syndicated columnist A car flips over on the highway and bursts into flames. A father hears devastating news about his unborn child. A teenage girl follows a friend to a dangerous party. Then God happens. If you have ever doubted the miraculous power of God, prepare to be astonished. Here, real people share true stories of modern-day miracles—moments of divine intervention when the hand of God was briefly and beautifully revealed. Edited by bestselling authors Angela Hunt and Bill Myers, the eight stories in When God Happens include first-hand accounts of medical healing, angelic visitation, and demonic possession. As Hunt and Myers write, these testimonies "are a reminder that the God who reached down to touch those He loved in Bible days has not changed. He has not turned His back on us or left us to our own devices. As Scripture also states, '[He] is the same yesterday, today, and forever.' " We pray these stories inspire you to look to God for the deepest needs in your life as you discover how He has worked in the lives of others just like you.

New York Times bestselling author and renowned linguist, John McWhorter, explores the complicated and fascinating world of languages. From Standard English to Black English; obscure tongues only spoken by a few thousand people in the world to the big ones like Mandarin - What Language Is celebrates the history and curiosities of languages around the world and smashes our assumptions about "correct" grammar. An eye-opening tour for all language lovers, What Language Is offers a fascinating new perspective on the way humans communicate. From vanishing languages spoken by a few hundred people to major tongues like Chinese, with copious revelations about the hodgepodge nature of English, John McWhorter shows readers how to see and hear languages as a linguist does. Packed with Big Ideas about language alongside wonderful trivia, What Language Is explains how languages across the globe (the Queen's English and Surinam creoles alike) originate, evolve, multiply, and divide. Raising provocative questions about what qualifies as a language (so-called slang does have structured grammar), McWhorter also takes readers on a marvelous journey through time and place—from Persian to the languages of Sri Lanka- to deliver a feast of facts about the wonders of human linguistic expression.

Discover here why some American Indians ate the dogs they loved, how one stray Victorian puppy saved three million canine lives, and how ten thousand more soldiers' names might have been added to the Vietnam Memorial Wall had it not been for dogs. Anthropologist Mary Elizabeth Thurston will revolutionize how we perceive "man's best friend" and empower anyone who loves dogs with a new sense of wonder and appreciation. in full color.

Give your dog its happiest and healthiest life with these fostering and adoption tales, tips, DIY craft recipes, and heartwarming stories from dog lovers everywhere.

"Revised edition: This edition of Rescue Me, Maybe includes editorial revisions,"--Amazon.com.

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric

gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

"Lucidly argued and carefully documented, Stephen Shalom's study of the pretexts for intervention is an invaluable guide to the recent past and unlikely future."--Noam Chomsky, author of "Necessary Illusions". Lightning Print On Demand Title

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

\* Updated applications and revised end-of-chapter problems.

This volume contains seven sizzling hot, taboo-busting stories from erotica writer Esmeralda Greene's "Greene Shorts" series.1: "Mother's Milk" - Sexy young mother Dorothy and her teenaged helpmate Janey explore lesbian sex and the erotic potential of Dorothy's milk-filled breasts.2: "Mounted" - Laura and Amy share a strange and taboo sexual preference, but there are unexpected developments when they decide to swap their canine sex partners.3: "Liquid Fetish" - Donna has an unusual sexual quirk: a fetish for that most male of bodily fluids. She thinks she has her obsession and her life under control, until one day...4: "Humiliation" - Louise is a slave who happily submits to her master's punishments. But she discovers one day that there's an even greater pleasure than having her bottom whipped.5: "Mindy's Family" - Mindy has a habit of taking away her mother's sex partners. Her uncle (Mom's lover), her father (Mom's husband), and even Mom's vibrator!6: "Mom's Girlfriend" - Ryan likes to peep on his mother having sex. But when she takes a new lesbian lover, he finds he's becoming far more personally involved in his mother's sex life.7: "Sis's Horse Farm" - When Chris visits his sister Cheryl at her new rural home, they soon rekindle the passionate sexual relationship they enjoyed as teenagers. But Cheryl has another sexual kink--one she demonstrates by taking her brother out to the stables and giving him a mind-boggling live performance with her two stallions.

Patrick thinks he's hit the jackpot landing an interview with the eccentric billionaire tech mogul Ezra Maes. But while the celebrity deer is charming and brilliant, Pat wasn't expecting something both men had in common: a desire for Pat's lovely girlfriend Nightshade. Ever eager to please his lover, and curious to explore new frontiers in the bedroom, Pat suggests Nightshade start up a relationship - not with Ezra, but rather his sex-hungry alter ego Buck. Has this new phase of Pat and Night's relationship also become their last? Based on the comics and characters by the artist Kadath. Cover, interior illustrations, and gallery by Kadath.
