5A200Q - MCCONNELL JOHNSON

Is the early 2008 Pro different from the late release? There are differences between the early release of the 2008 MacBook Pro and the late 2008 release. The most striking difference between early and late 2008 model MacBook Pros is the absence of a single block of aluminum trim, giving the later release the Unibody distinction from Apple.

Congratulations, you and your MacBook were made for each ...
