## CN1JQ4 - MORGAN LYNN

---

More people get into medical school with a Kaplan MCAT course than all major courses combined. Now the same results are available with Kaplan's MCAT General Chemistry Review. This book features thorough subject review, more questions than any competitor, and the highest-yield questions available. The commentary and instruction come directly from Kaplan MCAT experts and include targeted focus on the most-tested concepts plus more questions than any other guide. Kaplan's MCAT General Chemistry Review offers: UNPARALLELED MCAT KNOWLEDGE: The Kaplan MCAT team has spent years studying every document related to the MCAT available. In conjunction with our expert psychometricians, the Kaplan team is able to ensure the accuracy and realism of our practice materials. THOROUGH SUBJECT REVIEW: Written by top-rated, award-winning Kaplan instructors. All material has been vetted by editors with advanced science degrees and by a medical doctor. EXPANDED CONTENT THROUGHOUT: While

the MCAT has continued to develop, this book has been updated continuously to match the AAMC's guidelines precisely—no more worrying if your prep is comprehensive! MORE PRACTICE THAN THE COMPETITION: With questions throughout the book and access to one practice test, Kaplan's MCAT General Chemistry Review has more practice than any other MCAT General Chemistry book on the market. ONLINE COMPANION: Access to online resources to augment content studying, including one practice test. The MCAT is a computer-based test, so practicing in the same format as Test Day is key. TOP-QUALITY IMAGES: With full-color, 3-D illustrations, charts, graphs and diagrams from the pages of Scientific American, Kaplan's MCAT General Chemistry Review turns even the most intangible, complex science into easy-to-visualize concepts. KAPLAN'S MCAT REPUTATION: Kaplan gets more people into medical school than all other courses, combined. UTILITY: Can be used alone or with other companion books in Kaplan's MCAT Review series.

"Kaplan's MCAT General Chemistry Re-

view has all the information and strategies you need to score higher on the MCAT. This book features more practice than any other guide, plus targeted subject-review questions, opportunities for self-analysis, a complete online center, and thorough instruction on all of the general chemistry concepts necessary for MCAT success--from the creators of the #1 MCAT prep course"--Back cover.

Kaplan's expert psychometricians ensure our practice questions and study materials are true to the test.

This textbook helps students in the health sciences prepare for the social foundations portion of the medical college entrance exam. It provides a solid understanding of the fundamental concepts, theories, and methodologies in sociology that the exam requires. This book offers a condensed overview of the sociological concepts covered during a 15 week semester. It helps students gain an understanding of the social foundations of behavior, and the social determinants of health within the professional context of medicine. Students are provided with the necessary basics in addition

to case studies, learning and research activities, recommended external resources, and study questions. These are meant to develop pre-health students' understanding of the importance of the social factors that influence health outcomes. The featured activities contain various exercises using examples of sociology of health and medicine, including social factors shaping health, social relations between doctors and patients, and the health care system, among others. As a result, this book well informs not only those who wish to prepare for the medical college entrance exam to pursue a career in the health profession, but also anyone who is interested in social perspectives on health and medicine.

In conjunction with our expert psychometricians, the Kaplan team is able to ensure the accuracy and realism of our practice materials. **THOROUGH SUBJECT REVIEW:** Written by top-rated, award-winning Kaplan instructors. All material has been vetted by editors with advanced science degrees and by a medical doctor. **EXPANDED CONTENT THROUGHOUT:** While the MCAT has continued to develop, this book has been updated continuously to match the AAMC's guidelines precisely--no more worrying if your prep is comprehensive! **MORE PRACTICE THAN THE COMPETITION:** With questions throughout the book and access to one practice test, Kaplan's MCAT Biology Review has more practice than any other MCAT Biology book on the market. **ONLINE COMPANION:** Access to online resources to augment content studying, including one practice test. The MCAT is a computer-based test, so practicing in the same format as Test Day is key. **TOP-QUALITY IMAGES:** With full-color, 3-D illustrations, charts, graphs and diagrams from the pages of Scientific American, Kaplan's MCAT Biology Review turns even the most intangible, complex science into easy-to-visualize concepts. KA-

**PLAN'S MCAT REPUTATION:** Kaplan gets more people into medical school than all other courses, combined. **UTILITY:** Can be used alone or with other companion books in Kaplan's MCAT Review series.

Kaplan's MCAT Biochemistry Review 2023–2024 offers an expert study plan, detailed subject review, and hundreds of online and in-book practice questions—all authored by the experts behind the MCAT prep course that has helped more people get into medical school than all other major courses combined. Prepping for the MCAT is a true challenge. Kaplan can be your partner along the way—offering guidance on where to focus your efforts and how to organize your review. This book has been updated to match the AAMC's guidelines precisely—no more worrying about whether your MCAT review is comprehensive! **The Most Practice More than 350 questions** in the book and access to even more online—more practice than any other MCAT biochemistry book on the market. **The Best Practice Comprehensive biochemistry subject review** is written by top-rated, award-winning Kaplan instructors. Full-color, 3-D illustrations from Scientific American, charts, graphs and diagrams help turn even the most complex science into easy-to-visualize concepts. All material is vetted by editors with advanced science degrees and by a medical doctor. Online resources, including a full-length practice test, help you practice in the same computer-based format you'll see on Test Day. **Expert Guidance** High-yield badges throughout the book identify the topics most frequently tested by the AAMC. **We know the test:** The Kaplan MCAT team has spent years studying every MCAT-related document available. Kaplan's expert psychometricians ensure our practice questions and

study materials are true to the test.

This book enables attorneys and law students to enhance their professional performance through the key soft skills of self-awareness, self-development, social proficiency, wisdom, leadership, and professionalism. It serves as both a map and a vehicle for developing the skills essential to self-knowledge and fulfillment, organizational respect and accomplishment, client satisfaction and appreciation, and professional improvement and distinction.

More people get into medical school with a Kaplan MCAT course than all major courses combined. Now the same results are available with Kaplan's MCAT Critical Analysis and Reasoning Skills Review.
