The publication of Professor McBryde's *The Law of Contract in Scotland* in 1987 is rightly considered a landmark in Scottish private law scholarship, and the production of a third edition to replace the second edition published in 2001 is to be warmly welcomed. Although the author does not rule out a further edition, it may be noted with regret that he regards the third as probably the last with which he will be involved.

I would recommend this annotated version of the Act as the essential starting point for anyone researching these areas of law, be they a law student or a seasoned practitioner, in the same way that as an insolvency solicitor I always start bankruptcy research with my well thumbed copy of Bill McBryde's annotations on the Bankruptcy (Scotland) ...

The Attachment of the Floating Charge in Scots Law

Publishing under the auspices of the Scottish Universities Law Institute. This new text publishing in the SULI series takes the place of the classic work of McBryde on Bankruptcy. The last few years have seen a raft of new and amending legislation in relation to Bankruptcy, for example The Home Owner & Debtor Protection, changes to Trust Deeds and the introduction of diligence of Land Attachment.

The Bankruptcy (Scotland) Act 1993 - University of Edinburgh

In France and Belgium, for instance, insolvency law applies only to debtors with commercial or professional activities, but in England, Germany and the Netherlands, insolvency law applies in principle to all types of debtors, although the last two countries treat the insolvency of financial institutions, e.g., banks and insurance companies, quite differently.
