#### Research Paper MLA Style: Formatting Guidelines - Papersowl

MLA formatting shows itself as a convenient way of formatting research papers that allows the writer to write, but not to dwell too much on formatting. Starting with the absence of the title page and finishing with font types and margins, the writer appreciates the style he chooses.

The primary MLA research paper outline is the draft. No need to include plenty of details when working on a draft but put the things in the correct order not to get lost in the middle of the writing process. An outline helps to determine the way a student will build other important sections such as Literature Review.
