EA7JIS - GAIGE MIKAYLA

The small family business of Moto Morini first produced single cylinder racers and went on to introduce bikes with a modern revolutionary V-twin from the drawing board of Lambertini. The bike has a quintessential Italian character without the flaws which slightly marred some other Italian bikes. With

an advanced, but simple, engine it used top quality materials and the originality found in so many aspects of the design were world leading. This book contains road & comparison tests, model introductions, specifications, performance data, design analysis. Models covered include 31/2, Strada, Sport, K2, 500, Sport, Maestro, Sahara, Camel, SEI-V, Touring.
