The Black Company campaign book is one of the best source-book's I've read. It has a ton of material and ideas on how to implement that in d20. But I don't think it would be that difficult to adapt that over to another system like Savage Worlds or GURPS. If you're thinking about running BC or just enjoy the setting, I recommend picking it up.

The Black Company Campaign Setting is a d20 system Fantasy Role-playing game based on the Black Company book series by Glen Cook. With the Mythic Vistas series, Green Ronin Publishing moved in the direction of licensing, including The Black Company (2004) which was based on the novel series by Glen Cook.
