 Nisekoi: False Love by Naoshi Komi is  
 ultimately a story about discovering true  
 love. It's also a good take on Romeo and  
 Juliet. A stretched out story, but one  
 definitely worth reading. It has its  
 numerous clichés, but it knows that and  
 puts a spin on it. The humor is great. The  
 emotional moments are great. The art is  
 great.

The individual chapters have been  
 gathered in a tankōbon volume and each  
 volume title has been based on one of  
 the chapter titles of the series. Also,  
 every volume and chapter title has been  
 written in katakana . Although a chapter  
 title holds kanji meaning, it would still be  
 written in katakana. In North America,  
 thirteen volumes of this manga series  
 have already been published by Viz  
 Media with the name being Nisekoi:  
 False Love.
