Testing: No Child Left Behind ~ NCLB: Its Origin, Impact ...

No Child Left Behind is basically a testing law. It asks states to test students in third through eighth grade every year in math and reading and once in high school, and this is totally new.

No Child Left Behind doesn't require annual statewide testing of other subjects, but that doesn't mean your state won't test history, geography, or writing skills, for example. Many states recognize how important it is to measure whether the schools are getting results in every academic area and to make sure parents

aren't disappointed with their child's education.
