55MDZM - LUCA BELTRAN

Get this from a library! Now You're Talking : Human Conversation from the Neanderthals to Artificial Intelligence.. [Trevor Cox] -- A history of how humans developed our capacity for conversation and what might happen now that computers are catching up. Trevor Cox has been described by The Observer as "a David Attenborough of the ...

Being able to speak is what makes us human. If you've ever felt the shock of listening to a recording of your own voice, you realise how important your voice is to your personal identity. We judge others - and whether we trust them - not just by their words but by the way they talk: their intonation, their pitch, their accent. Now You're Talking explores the full range of our voice ...
