YFQLSB - DOUGLAS NATHANIEL

OSCE stands for Objective Structured Clinical Examination and is often used to assess clinical skill proficiency both at pre-registration and postgraduate levels. The NMC altered the route to registration for all internationally educated nurses and midwives in October 2014 and you are required to undertake the OSCE at Northampton, UK (NMC, 2016).

Hi, I am a trainee dental nurse and passed my written part of the exam in November. I have my OSCE exam this Friday, and I was just looking for any tips/hints on how to calm my nerves and what to expect on the day.

Exam success for our Student Dental Nurses Achieving a 96% pass rate. The {my}dentist Academy are delighted to announce that 96% of our student dental nurses passed their recent practical/OSCE exam. Due to the COVID-19 pandemic, this was the first time the practical exam was delivered virtually, so for so many of our students to pass is an ...

The dental nursing OSCE (Objective Structured Clinical Examination) is approaching. You may well be preparing yourself for the exam while also working and juggling your daily life. You have progressed to the final stage with SmileWisdom Academy. Your eRoE is completed and you've passed your theory exam!

The last weekend in January will see more than 1,000 candidates across the UK sit the final stage of their National Diploma qualification in dental nursing. This is the Practical Assessment (OSCE), which is organised and written by the National Examining Board for Dental Nurses (NEBDN). The practical exam, which is one of the biggest OSCE exams held in Europe, has 114 exams running across the two days in London Excel, (the biggest centre) Bristol, Birmingham, Belfast and Coatbridge in Scotland.

Sample OSCE stations The exam will consist of ten OSCE stations, each of which will have the individual scenarios placed outside. The scenarios will contain information about the "patient" you will see at that particular station. The information you will be given will include the patient's name, age, gender,
