Out of the Tunnel's Mouth is the 20th studio album by English guitarist and songwriter Steve Hackett, released in October 2009 by Wolfwork and EAR Music. Hackett started recording the album in 2008 while he was involved in a legal case against his ex-wife Kim Poor, which created problems regarding its release.

“We don’t see the light at the end of the tunnel,” Marcellus Shields, president of the AFGE local representing VA employees in Wilmington, Delaware, told reporters Wednesday. He said he’s seeing more of his colleagues take family and medical leave now than ever before. “It’s battle fatigue,” Shields said of the VA nurses.

But the way out of this COVID tunnel is not a political route. It’s a scientific route. And the scientists have done their job. We must trust them — for ourselves, for our children and for our grandparents. I’m old enough to remember the tragedy of the outbreak of polio in the 1950s. I had family friends whose bodies were horribly ...

"Out of the Tunnels Mouth" is actually pretty balanced for a Steve Hackett release. Probably on par with "Darktown", if one is familiar with that release, but probably even more accessible to the average listener who has at least some grain of intelligence and taste. Definitely more balanced than "Wild Orchids", which to me was all over the place.

Brian, in Out of the Tunnel, battles his conscience about bullying to be part of the tight-knit team, while in At All Costs, the damage of concussions to youths playing sports is validated. While Breakthrough is the weakest in terms of a powerful message imparted to readers, it focuses on an unlikely friendship.
