Joseph Coelho reads his poem The Watchers from Overheard In A Tower Block, Illustrated by Kate Milner, Published by Otter-Barry Books. If All The World Were... Joseph Coelho gives a sneak peak of IF ALL THE WORLD WERE his latest picture book with Allison Colpoys

Overheard in a Tower Block is a series of poems that form one continuous tale of a boy's life from childhood to adolescence to adulthood. Joseph's unique metaphors and similes takes the main character from a young boy dealing with school bullies and the break up of his parents, to a teenager with an estranged father, and finally to an adult, falling in love, and having a child of his own.

This second solo collection from Joseph Coelho, Overheard in a Tower Block, explores further some of the themes from Werewolf Club Rules (which won the CLIPPA in 2015). More suited to an older reader than that first collection, this is an extraordinarily powerful and moving book.
