Fred and Theresa Holtzclaw bring over 40 years of AP Biology teaching experience to this student manual. Drawing on their rich experience as readers and faculty consultants to the College Board and their participation on the AP Test Development Committee, the Holtzclaws have designed their resource to help your students prepare for the AP Exam. Completely revised to match the new 8th edition of Biology by Campbell and Reece. New Must Know sections in each chapter focus student attention on major concepts. Study tips, information organization ideas and misconception warnings are interwoven throughout. New section reviewing the 12 required AP labs. Sample practice exams. The secret to success on the AP Biology exam is to understand what you must know and these experienced AP teachers will guide your students toward top scores!

AP Biology Premium Prep, 2021, previously titled Cracking the AP Biology Exam, Premium Edition, will now include a total of 6 full-length practice tests. The Premium edition continues to provide students with comprehensive topic reviews of all AP Biology subjects, from photosynthesis to genetics to evolution. It also includes strategies for all AP Biology question types, including grid-in and short free-response questions, and contains detailed guidance on how to write a topical, cohesive, point-winning essay. This Premium edition now includes 6 full-length practice tests (4 in the book and 2 online) for the most practice possible.

REA's CSET: English Subtests I-IV with Online Tests Gets You Certified and in the Classroom! California requires all prospective English teachers to take the CSET: English Test. Recently, the CSET: English subtests were revised to align more closely with the California Common Core State Standards. The subtests also include new material in the areas of writing across the curriculum, reading and analyzing a variety of informational texts, and analyzing the details of dramatic works and performance. This third edition of our CSET (California Subject Examinations for Teachers) English Subtests I-IV test prep has been expanded to address these changes. It includes: * A complete overview of the four CSET: English subtests * A comprehensive review of every domain, with updated material * Two full-length practice tests for each subtest (in the book and online), with online diagnostic tools to help you personalize your study Our book is perfect for teacher education students and career-changing professionals who are looking to teach English in California. The skills required for all four subtests fulfill the objectives set by the California Common Core State Standards for English Language Arts and Literacy and the California Commission on Teacher Credentialing. This all-new test prep contains an in-depth review of all the competencies tested on the CSET English Subtests I-IV:

Literature and Reading Informational Texts; Composition and Rhetoric; Language, Linguistics, and Literacy; Communication, Speech, Media and Creative Performance. The book includes 2 full-length practice exams based on actual CSET questions. Both practice tests are also available online with instant scoring, diagnostic feedback, and detailed answer explanations. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you will succeed when it counts. REA's CSET: English Subtests I-IV test prep is a must-have for anyone who wants to teach English in California!

For courses in introductory environmental science. Help Students Connect Current Environmental Issues to the Science Behind Them Environment: The Science behind the Stories is a best seller for the introductory environmental science course known for its student-friendly narrative style, its integration of real stories and case studies, and its presentation of the latest science and research. "Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam." —Ammu D. Kowolik, LMSW, McSilver Institute for Poverty

Policy and Research Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters "Knowledge, Skills, and Abilities" upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features: Developed by a highly respected educator of social work licensure candidates Covers all the content areas on the masters examination, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.

CSET Mathematics Test Prep with Online Practice Fifth Edition - Completely Aligned with Today's Exam REA's CSET Mathematics test prep is designed to help teacher candidates pass the CSET and get certified to teach secondary school mathematics in California. This Book + Online prep pack is perfect for teacher education students and career-changing professionals who are seeking certification as California math teachers. In fact, it's a great resource for reviewing mathematics for anyone interested in teaching! Written by a California-based math educator with years of experience teaching and advising future elementary and secondary school math teachers, this new edition is fully aligned with the latest test framework and California's Common Core State Standards. Our in-depth review covers all the content domains and topics tested on the CSET Mathematics exam's three subtests--- Subtest I: Number and Quantity & Algebra, Subtest II: Geometry and Probability & Statistics, Subtest III Calculus. Examples and exercises reinforce the concepts taught in each chapter. An online diagnostic test based on actual CSET Math exam questions pinpoints strengths and weaknesses and helps you identify areas in need of further study. Two full-length practice tests (one in the book, another online) are balanced to include every type of question on the exam. Our timed online tests feature automatic scoring and diagnostic feedback to help you zero in on the topics and types of questions that give you trouble now, so you can succeed on test day. This test prep is a must-have for anyone who wants to become a California math teacher!

It's perfect for college students, out-of-state

teachers, and career-changing professionals who are looking to become Florida teachers. Written by Florida teacher education experts, our complete study package contains an in-depth review of all the competencies and skills tested on the FTCE Professional Education (083) test, including: instructional design and planning, student-centered learning environments, knowledge of the Code of Ethics and Principles of Professional Conduct of the education profession in Florida, and more. Based on actual FTCE exams, our online diagnostic test and two full-length practice tests assess every competency, type of question, and skill you need to know. The online practice tests at the REA Study Center come with automatic scoring, timed testing conditions, and diagnostic feedback to help you zero in on the topics and types of questions that give you trouble now, so you can succeed on test day. The book includes the same two practice tests that are offered online, but without the added benefits of automatic scoring analysis and diagnostic feedback. This test prep is a must-have for anyone who wants to teach in Florida!
