 My daughter loves all things Peppa Pig
 and Peppa's First Sleepover is a favorite.
 She is 2 1/2 and crawls into her sleeping
 bag and asks me to read this over and
 over. Like all the Peppa books, they are
 modeled after an episode of the show
 and some don't transition well
 (especially the longer ones that combine
 several shows into one book like The
 Busy Day at School), but this one moves
 nicely.
