Performance Tasks for Elementary Mathematics for Grade 5. In this section, objectives are provided to achieve a mathematical goal. Each lesson plan is correlated to the Sunshine State Standards and included a list of materials needed, recommendations for student arrangement, and performance criteria.

In creating performance task assessment lists, teachers focus on what students need to know and be able to do. One result is that teachers can more consistently and fairly evaluate and grade student work. Information from performance task assessment lists also helps students set learning goals and thus helps teachers focus subsequent instruction.
