##### Periodic Table Riddles And Answers

The first couple of these rhyme, while the third is a What Am I riddle. To use that final idea, read the first line of it to your children and ask them to take a guess at the answer. As the clue says that it's something that contains more than 100 things, there's a good chance that they're not going to guess that the answer is the periodic table. If they do guess incorrectly, read them the clue on the second line and have them guess again.
