According to Merriam-Webster's online dictionary (2012), a philosophy is "an analysis of the grounds of and concepts expressing fundamental beliefs," and before entering to the profession of nursing, it is important to explore my personal values and principles that will guide my nursing practice.

There are three major branches of philosophy, natural philosophy, metaphysical philosophy, and moral philosophy. When speaking of nursing philosophy, it is the moral aspect that comes into play most, driving guiding and defining the practice. This paper will address the theme of the Philosophy of Nursing.
