Power Up serves as a textbook for students of all backgrounds who are new to online learning. It also occasionally serves as a reference book for instructors who are also novices in the area, or who need insight into the perspective of such students.

Developing these characteristics requires that students be exposed to technology, resources, and tools they will use in the real world. The HUB will allow students 24-7 access to instructional material, coursework, and digital textbooks from any device and will give them a voice and choice in their learning and in how they demonstrate mastery of a subject.
