I have tried out several different textbooks,including the Integrated Chinese series that seem to be so popular. However, of the texts I've used,I think the Practical Audio Visual Chinese series is best for beginners. First of all, unlike Integrated Chinese books, these books give example sentences for all of the vocabulary introduced.

Three second rule: Under normal conditions, use the three second rule. Watch the car ahead of you; when it passes a reference point (such as a mile marker, sign or telephone pole) then count "one-thousand-one, one-thousand-two, one-thousand-three." If you pass the reference point before you finish counting, you are following too closely.
