#### Ptolemy's Almagest Paperback

Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy.

#### Ptolemy's Almagest by Ptolemy (Paperback, 1998) for sale ...

Ptolemy's "Almagest" Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy.

Overview. The Almagest is by far the greatest work in astronomy in ancient times. The present selection covers all the essential features of Ptolemy's treatment of the heavens, omitting only more difficult and abstruse matters such as the moon's motion and the calculation of eclipses. In the interest of conciseness,...
