by Kim Seabrook The popular image of the Victorians is one of straight-laced prudery. A society obsessed with sex as the unspoken vice, an evil that debased the individual, corrupted his soul, and weakened the public morality. As such, sex was a subject that was strictly taboo and overt displays of affection frowned upon.

Besides, it adds to the humiliation factor of the punishment. You'll also notice that Janice is wearing 5 inch heels. Here, at the ankle strap, is a 'Chicago Rivet' that screws together, holding the ankle strap on. While it may be removed with a screwdriver, it is difficult for her to take them off without my knowing.

Only then would the punishment be fully over. As bad as the punishment itself was, the anticipation of knowing it would be repeated was just as bad. Anticipation of a punishment, especially one this long and intense, is a punishment itself. And when it was all finally over, it was truly over. What I did was fully behind us, like always.

Moradean Lochlan felt trapped, and hated her life. Always forced to sit through lessons on how to be a lady, how to rule a country.
