Quantum golf means that everything is interconnected. You, your thoughts, your swing, your body, others around you or connected to you in some way. All of these things have an effect on your swing and especially on your score. Stop thinking that the only thing you have to pay attention to is how well you swing on the range.

frame of mind: the quantum world The shiny corporate Lear jet squealed as it landed and skidded toward a cornfield at the extreme end of the short runway. At the last second just before ten rows of corn were harvested early, the pilot was able to slow the plane sufficiently to turn to the side and then back to what passed for a hangar in the little airport.
