CSRU34 - LEWIS BEATRICE

A collectible hardcover 50th-anniversary edition of the bestselling Chicano novel of all time, featuring a new foreword by Erika L. Sánchez, the New York Times bestselling author of *I Am Not Your Perfect Mexican Daughter*. A Penguin Vitae Edition. Although only six years old, Antonio Marez is perceptive beyond his years. He was brought into the world with the help of Ultima, a curandera, or folk healer, in touch with nature and the spirit world. Revered by some as a wisewoman but rebuked by others as a witch, Ultima has now come back to stay with Tony's family in New Mexico. As Tony seeks out his destiny—torn between his mother's farming forebears and his father's wandering vaquero roots, between Spanish Catholicism and the gods of his indigenous ancestors—Ultima's loving tutelage will help him navigate questions of life and death, good and evil, and reveal to him the vastness of the heritage that shapes him, in this pioneering work of literature. Penguin Vitae—loosely translated as "Penguin of one's life"—is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

This New American Red Cross CPR/AED for the Professional Rescuer Participant's Manual and course reflect changes based on the 2005 Consensus on Science for CPR and Emergency Cardiovascular Care (ECC) and the Guidelines 2005 for First Aid. Changes to this program and manual include simplifications to many of the CPR skill sequences, which helps improve retention. There have also been changes to help improve the quality of CPR. The integration of CPR skills into the operation of AEDs had changed to help improve survival from sudden cardiac arrest. Professional rescuers are now trained to use AEDs on adults and children. Information has been updated and added to this program to help professional rescuers administer epinephrine, aspirin and fixed-flow-rate oxygen. The skills learned in this course include adult, child and infant rescue breathing, conscious and unconscious choking, CPR, two-rescuer CPR and adult and child AED. Additional training can be added to this course including bloodborne pathogens training and emergency oxygen administration. "The perfect summer read" (USA TODAY) begins with a shocking tragedy that results in three generations of the Adler family grappling with heartbreak, romance, and the weight of family secrets over the course of one summer. *A New York Times Book Review Editors' Choice * One of USA TODAY's "Best Books of 2020" * One of Good Morning America's "25 Novels You'll Want to Read This Summer" * One of Parade's "26 Best Books to Read This Summer" Atlantic City, 1934. Every summer, Esther and Joseph Adler rent their house out to vacationers escaping to "America's Playground" and move into the small apartment above their bakery. Despite the cramped quarters, this is the apartment where they raised their two daughters, Fannie and Florence, and it always feels like home. Now, Florence has returned from college, determined to spend the summer training to swim the English Channel, and Fannie, pregnant again after recently losing a baby, is on bedrest for the duration of her pregnancy. After Joseph insists they take in a mysterious young woman whom he recently helped emigrate from Nazi Germany, the apartment is bursting at the seams. Esther only wants to keep her daughters close and safe but some matters are beyond her control: there's Fannie's risky pregnancy—not to mention her always-scheming husband, Isaac—and the fact that the handsome heir of a hotel notorious for its anti-Semitic policies, seems to be in love with Florence. When tragedy strikes, Esther makes the shocking decision to hide the truth—at least until Fannie's baby is born—and pulls the family into an elaborate web of secret-keeping and lies, bringing long-buried tensions to the surface that reveal how quickly the act of protecting those we love can turn into betrayal. "Readers of Emma Straub and Curtis Sittenfeld will devour this richly drawn debut family saga" (Library Journal) that's based on a true story and is a breathtaking portrayal of how the human spirit can endure—and even thrive—after tragedy.
